Each city, ~~and~~ town and district shall annually appropriate a sum sufficient to pay the principal, premium and interest coming due within the year on all its general obligation bonds and notes to the extent that moneys for the general obligation bonds and notes are not otherwise provided. If that sum is not appropriated, it shall nevertheless be added to the annual tax levy.

1 Annual appropriations for payment of financing leases and obligations securing bonds, notes or
2 certificates ("other financing obligations"), shall also have a first lien on ad valorem taxes and
3 general fund revenues commencing on the date of each annual appropriation. Amounts
4 appropriated or added to the tax levy to pay principal of, premium and interest on, general

29 pledge shall not constitute a security agreement under Rhode Island law.

30 (c) The pledge of ad valorem taxes and general fund revenues to the payment of
31 principal, premium and interest on general obligation bonds and notes, under this section
32 constitutes a sufficient appropriation for the purposes of any provision for appropriation, and the

RELATING TO TOWNS AND CITIES - INDEBTEDNESS OF TOWNS AND CITIES

1 This act would enhance capital market access for cities, towns and districts by providing
2 that general obligation bonds, notes and other financing obligations of cities, towns and districts

4 require that the state auditor general and the director of the state department of revenue approve
5 the issuance of any bonds to fund pension obligations or other post-employment benefits.

6 This act would take effect upon passage and shall apply to general obligation bonds and
