EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF  
A N A C T  
RELATING TO EDUCATION -- CERTIFICATION OF TEACHERS

\*\*\*

1           This act would revise the fast-track principal certification program and require a course in  
2 program evaluation (including data analysis) instead of a course in supervision of school personnel.  
3 The act would also provide that participants who have earned a principal certification by fulfilling  
4 all of the requirements and completing courses offered by RIDE, would instead complete an  
5 additional course on program evaluation (including data analysis) in lieu of the department-  
6 approved leadership program to build leadership skills that support teaching and learning.

7           This act would take effect upon passage.
