2 by Towns" is hereby amended to read as follows:

3 **24-6-1. Order of abandonment — Reversion of title — Notice.**

4 (a) Whenever, by the judgment of the town council of any town, a highway or driftway in  
5 the town, or any part of either, has ceased to be useful to the public, the town council of the town  
6 is authorized so to declare it by an order or decree that shall be final and conclusive; and, thereupon,  
7 the title of the land upon which the highway or driftway or part thereof existed shall revert to its  
8 owner and the town shall be no longer liable to repair the highway or driftway; provided, however,  
9 that the town council shall cause a sign to be placed at each end of the highway or driftway, having  
10 thereon the words "Not a public highway," and after the entry of the order or decree, shall also  
11 cause a notice thereof to be published in a newspaper of general circulation, printed in English, at  
12 least once each week for three (3) successive weeks in a newspaper circulated within the city or  
13 town and a further and personal notice shall be served upon every owner of land abutting upon that  
14 part of the highway or driftway that has been abandoned who is known to reside within this state.  
15 Nothing contained in this chapter shall, in any manner, affect any private right-of-way over the land  
16 so adjudged to be useless as a highway or driftway if the right had been acquired before the taking  
17 of the land for a highway or driftway. Provided, however, that the town of Coventry and any  
18 community with a population of not less than one hundred thousand (100,000), receiving a request  
19 for the abandonment of a highway or driftway from an abutting property owner, may sell the

1 highway or driftway to the abutting owner at fair market value; and provided, further, that the town  
2 of North Providence, upon receiving a request for the abandonment of a highway or driftway from

7 Barrington, upon receiving a request for the abandonment of a highway or driftway from an  
8 abutting property owner, may sell the highway or driftway to the abutting owner at fair market  
9 value; and provided, further, that the city of Cranston, upon receipt of a request for abandonment  
10 of a highway or driftway within the city of Cranston, where the sale of the highway or driftway to  
11 an abutting owner would result in the creation of a new lot that would be in compliance with the  
12 minimum-area requirement for construction of a building that is a permitted use, may sell the  
13 highway or driftway to the abutting owner at fair market value; and provided, further, that the city  
14 of Warwick, upon receiving a request for the abandonment of a highway or driftway from an  
15 abutting property owner, may sell the highway or driftway to the abutting owner at fair market  
16 value; and provided, further, that the town of Middletown, upon receiving a request for the  
17 abandonment of a highway or driftway from an abutting property owner, may sell the highway or  
18 driftway to the abutting owner at fair market value; and provided, further, that the town of  
19 Cumberland, upon receiving a request for abandonment of a highway or driftway from an abutting  
20 property owner, may sell the highway or driftway to the abutting owner at fair market value.

21 (b) Provided, further, that nothing in this section shall apply to private ways regardless of  
22 their use or maintenance thereof by any municipal corporation.

23 (c) All abandonments must be recorded in land evidence records by the petitioner(s) in the  
24 applicable municipality through the filing of an administrative subdivision in accordance with
