RELATING TO TOWNS AND CITIES -- LOW AND MODERATE INCOME HOUSING

Introduced By: Representatives Batista, Shekarchi, Hull, Shallcross Smith, Noret, and
McNamara

Date Introduced: March 03, 2023

Referred To: House Municipal Government & Housing

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 45-53-4 and 45-53-5 of the General Laws in Chapter 45-53 entitled
2 "Low and Moderate Income Housing" are hereby amended to read as follows:

3 **45-53-4. Procedure for approval of construction of low- or moderate-income housing.**

4 (a) Any applicant proposing to build low- or moderate-income housing may submit to the
5 local review board a single application for a comprehensive permit to build that housing in lieu of
6 separate applications to the applicable local boards. This procedure is only available for proposals
7 in which at least twenty-five percent (25%) of the housing is low- or moderate-income housing.

8 The application and review process for a comprehensive permit shall be as follows:

9 (1) Submission requirements. Applications for a comprehensive permit shall include:

10 (i) A letter of eligibility issued by the Rhode Island housing and mortgage finance
11 corporation, or in the case of projects primarily funded by the U.S. Department of Housing and
12 Urban Development or other state or federal agencies, an award letter indicating the subsidy, or
13 application in such form as may be prescribed for a municipal government subsidy; and

14 (ii) A written request to the local review board to submit a single application to build or
15 rehabilitate low- or moderate-income housing in lieu of separate applications to the applicable local
16 boards. The written request shall identify the specific sections and provisions of applicable local
17 ordinances and regulations from which the applicant is seeking relief; and

18 (iii) A proposed timetable for the commencement of construction and completion of the
19 project; and

1 (iv) A sample land lease or deed restriction with affordability liens that will restrict use as
2 low- and moderate-income housing in conformance with the guidelines of the agency providing
3 the subsidy for the low- and moderate-income housing, but for a period of not less than thirty (30)
4 years; and

5 (v) Identification of an approved entity that will monitor the long-term affordability of the
6 low- and moderate-income units; provided, that, on and after July 1, 2022, this entity shall include
7 the Rhode Island housing resources commission established pursuant to chapter 128 of title 42 and
8 acting through its monitoring agents, and these agents shall monitor the long-term affordability of
9 the low- and moderate-income units pursuant to § 45-53-3.2; and

10 (vi) A financial pro-forma for the proposed development; and

11 (vii) For comprehensive permit applications: (A) Not involving major land developments
12 or major subdivisions including, but not limited to, applications seeking relief from specific
13 provisions of a local zoning ordinance, or involving administrative subdivisions, minor land
14 developments or minor subdivisions, or other local ordinances and regulations: those items required
15 by local regulations promulgated pursuant to applicable state law, with the exception of evidence
16 of state or federal permits; and for comprehensive permit applications; and (B) Involving major
17 land developments and major subdivisions, unless otherwise agreed to by the applicant and the
18 town; those items included in the checklist for the master plan in the local regulations promulgated
19 pursuant to § 45-23-40. Subsequent to master plan approval, the applicant must submit those items
20 included in the checklist for a preliminary plan for a major land development or major subdivision
21 project in the local regulations promulgated pursuant to § 45-23-41, with the exception of evidence
22 of state or federal permits. All required state and federal permits must be obtained prior to the final
23 plan approval or the issuance of a building permit; and

24 (viii) Municipalities may impose fees on comprehensive permit applications that are
25 consistent with but do not exceed fees that would otherwise be assessed for a project of the same
26 scope and type but not proceeding under this chapter, provided, however, that the imposition of
27 such fees shall not preclude a showing by a nonprofit applicant that the fees make the project
28 financially infeasible; and

29 (xi) Notwithstanding the submission requirements set forth above, the local review board
30 may request additional, reasonable documentation throughout the public hearing, including, but not
31 limited to, opinions of experts, credible evidence of application for necessary federal and/or state
32 permits, statements and advice from other local boards and officials.

33 (2) Certification of completeness. The application must be certified complete or incomplete
34 by the administrative officer according to the provisions of § 45-23-36; provided, however, that for

1 a major land development or major subdivision, the certificate for a master plan shall be granted
2 within twenty-five (25) days and for a preliminary plan shall be granted within twenty-five (25)
3 days. The running of the time period set forth herein will be deemed stopped upon the issuance of
4 a certificate of incompleteness of the application by the administrative officer and will recommence
5 upon the resubmission of a corrected application by the applicant. However, in no event will the
6 administrative officer be required to certify a corrected submission as complete or incomplete less
7 than ten (10) days after its resubmission. If the administrative officer certifies the application as
8 incomplete, the officer shall set forth in writing with specificity the missing or incomplete items.

9 (3) Pre-application conference. Where the comprehensive permit application proposal is a
10 major land development project or a major subdivision pursuant to chapter 23 of this title a
11 municipality may require an applicant proposing a project under this chapter to first schedule a pre-
12 application conference with the local review board, the technical review committee established
13 pursuant to § 45-23-56, or with the administrative officer for the local review board and other local
14 officials, as appropriate. To request a pre-application conference, the applicant shall submit a short
15 description of the project in writing including the number of units, type of housing, as well as a
16 location map. The purpose of the pre-application conference shall be to review a concept plan of
17 the proposed development. Upon receipt of a request by an applicant for a pre-application
18 conference, the municipality has thirty (30) days to schedule and hold the pre-application
19 conference. If thirty (30) days has elapsed from the filing of the pre-application submission and no
20 pre-application conference has taken place, nothing shall be deemed to preclude an applicant from
21 thereafter filing and proceeding with an application for a comprehensive permit.

22 (4) Review of applications. An application filed in accordance with this chapter shall be
23 reviewed by the local review board at a public hearing in accordance with the following provisions:

24 (i) Notification. Upon issuance of a certificate of completeness for a comprehensive permit,
25 the local review board shall immediately notify each local board, as applicable, of the filing of the
26 application, by sending a copy to the local boards and to other parties entitled to notice of hearings
27 on applications under the zoning ordinance and/or land development and subdivision regulations
28 as applicable.

29 (ii) Public notice. Public notice for all public hearings will be the same notice required
30 under local regulations for a public hearing for a preliminary plan promulgated in accordance with
31 § 45-23-42. The cost of notice shall be paid by the applicant.

32 (iii) Review of minor projects. The review of a comprehensive permit application involving
33 only minor land developments or minor subdivisions or requesting zoning ordinance relief or relief
34 from other local regulations or ordinances not otherwise addressed in this subsection, shall be

1 conducted following the procedures in the applicable local regulations, with the exception that all
2 minor land developments or minor subdivisions under this section are required to hold a public
3 hearing on the application, and within ninety-five (95) days of issuance of the certificate of
4 completeness, or within such further time as is agreed to by the applicant and the local review
5 board, render a decision.

6 (iv) Review of major projects. In the review of a comprehensive permit application
7 involving a major land development and/or major subdivision, the local review board shall hold a
8 public hearing on the master plan and shall, within ninety (90) days of issuance of the certification
9 of completeness, or within such further amount of time as may be agreed to by the local review
10 board and the applicant, render a decision. Preliminary and final plan review shall be conducted
11 according to local regulations promulgated pursuant to chapter 23 of this title except as otherwise
12 specified in this section.

13 (v) Required findings. In approving an application, the local review board shall make
14 positive findings, supported by legally competent evidence on the record that discloses the nature
15 and character of the observations upon which the fact finders acted, on each of the following
16 standard provisions, where applicable:

17 (A) The proposed development is consistent with local needs as identified in the local
18 comprehensive community plan with particular emphasis on the community's affordable housing
19 plan and/or has satisfactorily addressed the issues where there may be inconsistencies.

20 (B) The proposed development is in compliance with the standards and provisions of the
21 municipality's zoning ordinance and subdivision regulations, and/or where expressly varied or
22 waived local concerns that have been affected by the relief granted do not outweigh the state and
23 local need for low- and moderate-income housing.

24 (C) All low- and moderate-income housing units proposed are integrated throughout the
25 development; are compatible in scale and architectural style to the market rate units within the
26 project; and will be built and occupied prior to, or simultaneous with the construction and
27 occupancy of any market rate units.

28 (D) There will be no significant negative environmental impacts from the proposed
29 development as shown on the final plan, with all required conditions for approval.

30 (E) There will be no significant negative impacts on the health and safety of current or
31 future residents of the community, in areas including, but not limited to, safe circulation of
32 pedestrian and vehicular traffic, provision of emergency services, sewerage disposal, availability
33 of potable water, adequate surface water run-off, and the preservation of natural, historical, or
34 cultural features that contribute to the attractiveness of the community.

1 (F) All proposed land developments and all subdivisions lots will have adequate and
2 permanent physical access to a public street in accordance with the requirements of § 45-23-60(5).

3 (G) The proposed development will not result in the creation of individual lots with any
4 physical constraints to development that building on those lots according to pertinent regulations
5 and building standards would be impracticable, unless created only as permanent open space or
6 permanently reserved for a public purpose on the approved, recorded plans.

7 (vi) The local review board has the same power to issue permits or approvals that any local
8 board or official who would otherwise act with respect to the application, including, but not limited
9 to, the power to attach to the permit or approval, conditions, and requirements with respect to
10 height, site plan, size or shape, or building materials, as are consistent with the terms of this section.

11 (vii) In reviewing the comprehensive permit request, the local review board may deny the
12 request for any of the following reasons: (A) If the city or town has an approved affordable housing
13 plan and is meeting housing needs, and the proposal is inconsistent with the affordable housing
14 plan; provided that, the local review board also finds that the municipality has made significant
15 progress in implementing that housing plan; (B) The proposal is not consistent with local needs,
16 including, but not limited to, the needs identified in an approved comprehensive plan, and/or local
17 zoning ordinances and procedures promulgated in conformance with the comprehensive plan; (C)
18 The proposal is not in conformance with the comprehensive plan; (D) The community has met or
19 has plans to meet the goal of ten percent (10%) of the year-round units or, in the case of an urban
20 town or city, fifteen percent (15%) of the occupied rental housing units as defined in § 45-53-3(4)(i)
21 being low- and moderate-income housing; provided that, the local review board also finds that the
22 community has achieved or has made significant progress towards meeting the goals required by
23 this section; or (E) Concerns for the environment and the health and safety of current residents have
24 not been adequately addressed.

25 (viii) All local review board decisions on comprehensive permits shall be by majority vote
26 of the members present at the proceeding; ~~provided that, there is at least a quorum of the local
27 review board present and voting at the proceeding, and may be appealed by the applicant to the
28 state housing appeals board.~~

29 (ix) If the public hearing is not convened or a decision is not rendered within the time
30 allowed in subsections (a)(4)(iii) and (iv), the application is deemed to have been allowed and the
31 relevant approval shall issue immediately; provided, however, that this provision shall not apply to
32 any application remanded for hearing in any town where more than one application has been
33 remanded for hearing provided for in § 45-53-6(f)(2).

34 (x) ~~Any person aggrieved by the issuance of an approval may appeal to the superior court~~

1 ~~within twenty (20) days of the issuance of approval.~~

2 (xi) A comprehensive permit shall expire unless construction is started within twelve (12)
3 months and completed within sixty (60) months of final plan approval unless a longer and/or phased
4 period for development is agreed to by the local review board and the applicant. Low- and
5 moderate-income housing units shall be built and occupied prior to, or simultaneous with the
6 construction and occupancy of market rate units.

7 (xii) A town with an approved affordable housing plan and that is meeting local housing
8 needs may by council action limit the annual total number of dwelling units in comprehensive
9 permit applications from for-profit developers to an aggregate of one percent (1%) of the total
10 number of year-round housing units in the town, as recognized in the affordable housing plan and
11 notwithstanding the timetables set forth elsewhere in this section, the local review board shall have
12 the authority to consider comprehensive permit applications from for-profit developers, which are
13 made pursuant to this paragraph, sequentially in the order in which they are submitted.

14 (xiii) The local review board of a town with an approved affordable housing plan shall
15 report the status of implementation to the housing resources commission, including the disposition
16 of any applications made under the plan, as of June 30, 2006, by September 1, 2006, and for each
17 June 30 thereafter by September 1 through 2010. The housing resources commission shall prepare
18 by October 15 and adopt by December 31, a report on the status of implementation, which shall be
19 submitted to the governor, the speaker, and the president of the senate, ~~and the chairperson of the~~
20 ~~state housing appeals board~~, and shall find which towns are not in compliance with implementation
21 requirements.

22 (xiv) Notwithstanding the provisions of § 45-53-4 in effect on February 13, 2004, to
23 commence hearings within thirty (30) days of receiving an application remanded ~~by the state~~
24 ~~housing appeals board~~ pursuant to § ~~45-53-6(f)(2)~~ 45-53-5 or, effective January 1, 2024, § 45-53-
25 5.1 shall be heard as herein provided; in any town with more than one remanded application,
26 applications may be scheduled for hearing in the order in which they were received, and may be
27 taken up sequentially, with the thirty-day (30) requirement for the initiation of hearings,
28 commencing upon the decision of the earlier filed application.

29 (b)(1) The general assembly finds and declares that in January 2004 towns throughout
30 Rhode Island have been confronted by an unprecedented volume and complexity of development
31 applications as a result of private for-profit developers using the provisions of this chapter and that
32 in order to protect the public health and welfare in communities and to provide sufficient time to
33 establish a reasonable and orderly process for the consideration of applications made under the
34 provisions of this chapter, and to have communities prepare plans to meet low- and moderate-

1 income housing goals, that it is necessary to impose a moratorium on the use of comprehensive
2 permit applications as herein provided by private for-profit developers; a moratorium is hereby
3 imposed on the use of the provisions of this chapter by private for-profit developers, which
4 moratorium shall be effective on passage and shall expire on January 31, 2005, and may be revisited
5 prior to expiration and extended to such other date as may be established by law. Notwithstanding
6 the provisions of subsection (a) of this section, private for-profit developers may not utilize the
7 procedure of this chapter until the expiration of the moratorium.

8 (2) No for-profit developer shall submit a new application for comprehensive permits until
9 July 1, 2005, except by mutual agreement with the local review board.

10 (3) Notwithstanding the provisions of subdivision (b)(2) of this section, a local review
11 board in a town which has submitted a plan in accordance with subsection (c) of this section, shall
12 not be required to accept an application for a new comprehensive permit from a for-profit developer
13 until October 1, 2005.

14 (c) Towns and cities that are not in conformity with the provisions of § 45-53-3(4)(i) shall
15 prepare by December 31, 2004, a comprehensive plan housing element for low- and moderate-
16 income housing as specified by § 45-53-3(4)(ii), consistent with applicable law and regulation.
17 That the secretary of the planning board or commission of each city or town subject to the
18 requirements of this paragraph shall report in writing the status of the preparation of the housing
19 element for low- and moderate-income housing on or before June 30, 2004, and on or before
20 December 31, 2004, to the secretary of the state planning council, to the chair of the house
21 committee on corporations and to the chair of the senate committee on commerce, housing and
22 municipal government. ~~The state housing appeals board shall use said plan elements in making~~
23 ~~determinations provided for in § 45-53-6(e)(2).~~

24 (d) If any provision of this section or the application thereof shall for any reason be judged
25 invalid, the judgment shall not affect, impair, or invalidate the remainder of this section or of any
26 other provision of this chapter, but shall be confined in its effect to the provision or application
27 directly involved in the controversy giving rise to the judgment, and a moratorium on the
28 applications of for-profit developers pursuant to this chapter shall remain and continue to be in
29 effect for the period commencing on the day this section becomes law [February 13, 2004] and
30 continue until it shall expire on January 31, 2005, or until amended further.

31 (e) In planning for, awarding, and otherwise administering programs and funds for housing
32 and for community development, state departments, agencies, boards and commissions, and public
33 corporations, as defined in chapter 18 of title 35, shall among the towns subject to the provision of
34 § 45-53-3(ii), give priority to the maximum extent allowable by law to towns with an approved

1 affordable housing plan. The director of administration shall adopt not later than January 31, 2005,
2 regulations to implement the provisions of this section.

3 (f) Multi-family rental units built under a comprehensive permit may be calculated towards
4 meeting the requirements of a municipality's low- or moderate-income housing inventory, as long
5 as the units meet and are in compliance with the provisions of § 45-53-3.1.

6 ~~45-53-5. Appeals to state housing appeals board — Judicial review. [Effective~~
7 ~~January 1, 2023.] Appeals -- Judicial review [Effective until January 1, 2024].~~

8 (a) Effective July 1, 2023, until January 1, 2024, at which time the provisions of this section
9 shall sunset and be repealed and replaced by § 45-53-5.1, any and all existing appeals pending
10 before the state housing appeals board shall continue to be heard and decided in accordance with
11 this chapter until December 31, 2023. All appeals shall continue to be filed with the state housing
12 appeals board in accordance with this chapter until December 31, 2023.

13 ~~(a)(b)~~ Whenever an application filed under the provisions of § 45-53-4 is denied, or is
14 granted with conditions and requirements that make the building or operation of the housing
15 infeasible, the applicant has the right to appeal to the ~~state housing appeals board (“SHAB”)~~
16 ~~established by § 45-53-7, for a review of the application~~ superior court for the county in which the
17 property is situated. The appeal shall be taken within twenty (20) days after the date of the ~~notice~~
18 ~~recording and posting~~ of the decision by the local review board by filing with the ~~appeals board~~
19 superior court, a complaint, which contains a statement of the prior proceedings and the reasons
20 upon which the appeal is based. The appeal shall name the local review board as appellee.

21 ~~(b)(c)~~ The appeals board shall immediately notify the local review board of the filing of
22 the petition for review. Municipalities shall submit the complete local review board record to the
23 state housing appeals board within thirty (30) days of receiving notification from SHAB that an
24 appeal has been filed.

25 ~~(c) [As amended by P.L. 2022, ch. 208, § 3 and P.L. 2022, ch. 209, § 3.] The appeal shall~~
26 ~~be heard by the appeals board within twenty (20) days after the receipt of the applicant's statement.~~
27 ~~Four (4) active members, which may include an alternate, are necessary to conduct a hearing on an~~
28 ~~appeal. A stenographic record of the proceedings shall be kept and the appeals board shall render a~~
29 ~~written decision and order, based upon a majority vote of members present and voting, stating its~~
30 ~~findings of fact, and its conclusions and the reasons for those conclusions, within thirty (30) days~~
31 ~~after the termination of the hearing, unless the time has been extended by mutual agreement~~
32 ~~between the appeals board and the applicant. The decision and order may be appealed in the~~
33 ~~superior court within twenty (20) days of the issuance of the decision. The review shall be~~
34 ~~conducted by the superior court without a jury. The court shall consider the record of the hearing~~

1 ~~before the state housing appeals board and, if it appears to the court that additional evidence is~~
2 ~~necessary for the proper disposition of the matter, it may allow any party to the appeal to present~~
3 ~~that evidence in open court, which evidence, along with the report, constitutes the record upon~~
4 ~~which the determination of the court is made.~~

5 ~~(e)~~(d) [As amended by P.L. 2022, ch. 413, § 1 and P.L. 2022, ch. 414, § 1.] SHAB
6 decisions shall be made within nine (9) months of the filing of the appeal, ~~which time period may~~
7 ~~only be extended for good cause by an affirmative vote of the SHAB to so extend the time, if~~
8 ~~circumstances demand more time. Any extension beyond the nine-month (9) period shall be limited~~
9 ~~to the least extent reasonable and shall not cumulatively extend the decision period by more than~~
10 ~~an additional two (2) months. Five (5) active members, which may include an alternate, are~~
11 ~~necessary to conduct a hearing on appeal.~~ A stenographic record of the proceedings shall be kept
12 and the appeals board shall render a written decision and order, based upon a majority vote of the
13 members present at the proceeding; ~~provided that, there is at least a minimum quorum of members~~
14 ~~of the appeals board present and voting at the proceeding,~~ stating its findings of fact, and its
15 conclusions and the reasons for those conclusions, within thirty (30) days after the termination of
16 the hearing, ~~unless the time has been extended by mutual agreement between the appeals board and~~
17 ~~the applicant.~~ The decision and order may be appealed in the superior court within twenty (20) days
18 of the issuance of the decision. The review shall be conducted by the superior court without a jury.
19 The court shall consider the record of the hearing before the state housing appeals board and, if it
20 appears to the court that additional evidence is necessary for the proper disposition of the matter, it
21 may allow any party to the appeal to present that evidence in open court, which evidence, along
22 with the report, constitutes the record upon which the determination of the court is made.

23 ~~(d)~~(e) The court shall not substitute its judgment for that of the state housing appeals board
24 as to the weight of the evidence on questions of fact. The court may affirm the decision of the state
25 housing appeals board or remand the case for further proceedings, or may reverse or modify the
26 decision if substantial rights of the appellant have been prejudiced because of findings, inferences,
27 conclusions, or decisions which are:

- 28 (1) In violation of constitutional, statutory, or ordinance provisions;
- 29 (2) In excess of the authority granted to the state housing appeals board by statute or
30 ordinance;
- 31 (3) Made upon unlawful procedure;
- 32 (4) Affected by other error of law;
- 33 (5) Clearly erroneous in view of the reliable, probative, and substantial evidence of the
34 whole record; or

1 (6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted
2 exercise of discretion.

3 ~~(e)~~(f) Any appeal from the superior court to the supreme court pursuant to this section shall
4 be by writ of certiorari.

5 SECTION 2. Chapter 45-53 of the General Laws entitled "Low and Moderate Income
6 Housing" is hereby amended by adding thereto the following section:

7 **45-53-5.1. Appeals -- Judicial review [Effective January 1, 2024].**

8 (a) Effective January 1, 2024 as a replacement to § 45-53-5. A decision of a local review
9 board may be appealed by the applicant or an aggrieved party, as defined by § 45-24-31 to the
10 superior court for the county in which the property is situated. The appeal shall be taken within
11 twenty (20) days after the date of the recording and posting of the decision by the local review
12 board by filing with the superior court, a complaint which contains a statement of the prior
13 proceedings and the reasons upon which the appeal is based. The complaint shall name the local
14 review board as the appellee and serve the local review board with the appeal within twenty (20)
15 days of filing of the appeal. If an aggrieved party who is not the applicant files an appeal, the
16 original applicant shall be named as a party and served in the same manner as the local review
17 board.

18 (b) The local review board shall not be required to answer the complaint, but it shall submit
19 the complete local review board record to superior court within thirty (30) days of receiving service
20 of the complaint. Should the local review board fail to file the record within thirty (30) days, the
21 applicant may move for default.

22 (c) The appeal shall be expedited and given priority on the court calendar as soon as proof
23 of service of the complaint on the local review board is filed. The appeal shall be decided as soon
24 as possible by the superior court, without delay.

25 (d) The review shall be conducted by the superior court without a jury. The court shall
26 consider the record of the hearing before the local review board and, if it appears to the court that
27 additional evidence is necessary for the proper disposition of the matter, it may allow any party to
28 the appeal to present that evidence in open court, which evidence, along with the record, constitutes
29 the record upon which the determination of the court is made.

30 (e) The superior court shall review the appeal under the following standards:

31 (1) Whether the decision was arbitrary and capricious or clearly erroneous in light of
32 considerations regarding:

33 (i) The consistency of the decision to deny or condition the permit with the approved
34 affordable housing plan;

1 (ii) The extent to which the community meets or plans to meet housing needs, as defined
2 in an affordable housing plan, including, but not limited to, the ten percent (10%) goal for existing
3 low-and moderate-income housing units as a proportion of year-round housing;

4 (iii) The consideration of environmental protection;

5 (iv) The state's need for low-and moderate-income housing;

6 (v) The need to protect the health and safety of the occupants of the proposed housing or
7 the residents of the city or town;

8 (vi) The need to promote better site and building design in relation to the surroundings or
9 to preserve open space; and

10 (vii) Whether the reasons for denial, local zoning or land use ordinances, requirements and
11 regulations are applied as equally as possible to both subsidized and unsubsidized housing.

12 (f) If the appeal is by an applicant for a decision approving an application with conditions,
13 the superior court shall, in addition to reviewing the standards and considerations set forth in
14 subsection (e) of this section, determine whether such conditions and requirements imposed make
15 the construction or operation of the housing infeasible.

16 (g) The court shall not substitute its judgment for that of the local review board as to the
17 weight of the evidence on questions of fact. The court may affirm the decision of the local review
18 board or remand the case for further proceedings, or may reverse or modify the decision if
19 substantial rights of the appellant have been prejudiced because of findings, inferences,
20 conclusions, or decisions that were arbitrary, capricious or unreasonable.

21 (h) Any appeal from the superior court to the supreme court pursuant to this section shall
22 be by writ of certiorari.

23 (i) Effective January 1, 2024, all matters pending before the state housing appeals board
24 shall be transferred to superior court for the county in which the property is situated by the applicant
25 filing a complaint in superior court and providing a copy of the complaint to the attorney
26 representing the local review board within ten (10) days of filing. An applicant with an appeal
27 pending before the state housing appeals board shall have until March 1, 2024, to file the complaint
28 transferring the matter to superior court for the county in which the property is situated. The parties
29 shall be required to file the entire record before the state housing appeals board with superior court
30 within forty-five (45) days of the filing of the complaint.
