It is enacted by the General Assembly as follows:

1 SECTION 1. Title 2 of the General Laws entitled "AGRICULTURE AND FORESTRY"

2 is hereby amended by adding thereto the following chapter:

3 CHAPTER 28

4 FORESTRY AND FOREST PRODUCT OPERATIONS

5 **2-28-1. Short title.**

6 This chapter shall be known and may be cited as the "Forestry Parity Act."

7 **2-28-2. Legislative findings.**

8 The general assembly finds and declares:

9 (1) That maintaining forests is vital to maintain both biodiversity, and ecosystem services,
10 including carbon sequestration in the state;

11 (2) That forests are more likely to be maintained if they provide economic value;

12 (3) That providing for the economic viability of the forest products industry is an interest
13 of the state;

14 (4) That forest conservation is given the same status as farm and open space conservation
15 under the chapter 27 of title 44 ("taxation of farm, forest, and open space land"), but that elsewhere
16 in the general laws forestry, and the production of forest products, are not given the same benefits,
17 and protections as agriculture; and

18 (5) That it is in the interest of the state, in order to protect economic viability of forests and

1 to provide for their conservation for the future benefit and enjoyment of the people of the state.

2 **2-28-3. Purpose.**

3 It is purpose of this chapter to provide parity of treatment, under the law, with farming and
4 agriculture operations to forestry and forest product operations.

5 **2-28-4. Definitions.**

6 When used in this chapter, the following words and phrases are construed as follows:

24 nuisance actions arising out of conflicts between forestry operations and urban and suburban land
25 uses, in a manner consistent with the provisions of chapter 23 of title 2 ("right to farm act"), and to
26 protect forest landowners with forest management plans from state administrative actions and
27 regulations above and beyond the restrictions on farms and agricultural operations on the same

28 owner, is only allowed to cause the mobile and manufactured home, or homes, to remain
29 temporarily upon the land by making timely application to the local building official for the
30 purposes of obtaining the necessary permits to repair or rebuild the structure.

31 (d) Notwithstanding any other provision of this chapter, appropriate access for people with
32 disabilities to residential structures is allowed as a reasonable accommodation for any person(s)
