12 this title.

13 (7) In the case of a corporation, this credit is only allowed against the tax of a corporation  
14 included in a consolidated return that qualifies for the credit and not against the tax of other  
15 corporations that may join in the filing of a consolidated tax return.

16 (c) Certification and administration.

17 (1) The applicant shall properly prepare, sign, and submit to the film office an application  
18 for initial certification of the theater production. The application shall include the information and  
19 data as the film office deems reasonably necessary for the proper evaluation and administration of  
20 the application, including, but not limited to, any information about the theater production company  
21 and a specific Rhode Island live theater or musical production. The film office shall review the  
22 completed application and determine whether it meets the requisite criteria and qualifications for  
23 the initial certification for the production. If the initial certification is granted, the film office shall  
24 issue a notice of initial certification of the accredited theater production to the theater production  
25 company and to the tax administrator. The notice shall state that, after appropriate review, the initial  
26 application meets the appropriate criteria for conditional eligibility. The notice of initial  
27 certification will provide a unique identification number for the production and is only a statement  
28 of conditional eligibility for the production and, as such, does not grant or convey any Rhode Island  
29 tax benefits.

30 (2) Upon completion of an accredited theater production, the applicant shall properly  
31 prepare, sign, and submit to the film office an application for final certification of the accredited  
32 theater production. The final application shall also contain a cost report and an “accountant’s  
33 certification.” The film office and tax administrator may rely without independent investigation,  
34 upon the accountant’s certification, in the form of an opinion, confirming the accuracy of the

1 information included in the cost report. Upon review of a duly completed and filed application and  
2 upon no later than thirty (30) days of submission thereof, the division of taxation will make a  
3 determination pertaining to the final certification of the accredited theater production and the  
4 resultant tax credits.

5 (3) Upon determination that the company qualifies for final certification and the resultant  
6 tax credits, the tax administrator of the division of taxation shall issue to the company: (i) An  
7 accredited theater production certificate; and (ii) A tax credit certificate in an amount in accordance  
8 with subsection (b) of this section. A musical and theatrical production company is prohibited from  
9 using state funds, state loans, or state guaranteed loans to qualify for the motion picture tax credit.  
10 All documents that are issued by the film office pursuant to this section shall reference the  
11 identification number that was issued to the production as part of its initial certification.

12 (4) The director of the department of administration, in consultation as needed with the tax  
13 administrator, shall promulgate rules and regulations as are necessary to carry out the intent and  
14 purposes of this chapter in accordance with the general guidelines provided herein for the  
15 certification of the production and the resultant production credit.

16 (5) If information comes to the attention of the film office that is materially inconsistent  
17 with representations made in an application, the film office may deny the requested certification.  
18 In the event that tax credits or a portion of tax credits are subject to recapture for ineligible costs  
19 and the tax credits have been transferred, assigned, and/or allocated, the state will pursue its  
20 recapture remedies and rights against the applicant of the theater production tax credits. No redress  
21 shall be sought against assignees, sellers, transferees, or allocates of the credits.

22 (d) Information requests.

23 (1) The director of the film office, and his or her agents, for the purpose of ascertaining the  
24 correctness of any credit claimed under the provisions of this chapter, may examine any books,  
25 paper, records, or memoranda bearing upon the matters required to be included in the return, report,  
26 or other statement, and may require the attendance of the person executing the return, report, or  
27 other statement, or of any officer or employee of any taxpayer, or the attendance of any other  
28 person, and may examine the person under oath respecting any matter that the director, or his or  
29 her agent, deems pertinent or material in administration and application of this chapter and where  
30 not inconsistent with other legal provisions, the director may request information from the tax  
31 administrator.

32 (2) The tax administrator, and his or her agents, for the purpose of ascertaining the  
33 correctness of any credit claimed under the provisions of this chapter, may examine any books,  
34 paper, records, or memoranda bearing upon the matters required to be included in the return, report,

1 or other statement, and may require the attendance of the person executing the return, report, or  
2 other statement, or of any officer or employee of any taxpayer, or the attendance of any other  
3 person, and may examine the person under oath respecting any matter the tax administrator or his  
4 or her agent deems pertinent or material in determining the eligibility for credits claimed and may  
5 request information from the film office, and the film office shall provide the information in all  
6 cases to the tax administrator.

7 (e) The film office shall comply with the impact analysis and periodic reporting provisions  
8 of § 44-31.2-6.1.
