4 (a) On dates determined by the budget officer, but not later than the first day of October in  
5 each year, each head of a department of the state government, not including the general assembly  
6 or the judiciary, shall assemble, correlate, and revise, with power to increase or decrease, the  
7 estimates for expenditures and requests for appropriations for the next ensuing fiscal year of each  
8 of the divisions, boards, commissions, officers, bureaus, institutions, or agencies of the state  
9 included within his or her department, and, after this revision, shall prepare an itemized  
10 departmental estimate of the appropriations necessary to meet the financial needs of the department,

12 desired at the ensuing session of the general assembly. The estimate shall be in such form, and in  
13 such number of copies, and with such explanation as the budget officer may require, and, on dates  
14 determined by the budget officer, but not later than the first day of October in each year, shall be  
15 submitted to the governor through the budget officer and to the fiscal advisors of the house and
