1           WHEREAS, Across our nation, and here in the State of Rhode Island, children in military  
2 families sacrifice much in order to allow their parents to serve our nation and protect our liberty.

4 children, and to thank them for their strength and the sacrifices they have made and continue to  
5 make; and

6           WHEREAS, More than two million military children in the United States have  
7 experienced a parental deployment since 2001, and currently, 1.6 million have an active duty  
8 parent worldwide. The average military student faces transition challenges every two or three  
9 years, and most military children attend six to nine different school systems from kindergarten  
10 through the 12th grade. Taking care of our military children sustains our nation's fighting force  
11 and strengthens the health and safety of our nation's families and communities; and

12           WHEREAS, The Middletown School District serves the largest number of military kids  
13 in the State, with approximately 300 military connected students, amounting to approximately 16  
14 percent of the student population; and

15           WHEREAS, April 19th is also "PURPLE UP! FOR MILITARY KIDS" day. The month  
16 of April is a time to recognize the service and sacrifices of our military members, their families,  
17 and especially their children. "They deserve our support!"; now, therefore be it
