LICENSES

Introduced By: Representatives Fogarty, Handy, Hull, J. Lombardi, Tanzi, Fellela,  
Alzate, and Morales

Date Introduced: February 28, 2024

Referred To: House State Government & Elections

It is enacted by the General Assembly as follows:

1           SECTION 1. Legislative findings.

2           (1) The Rhode Island department of education has temporarily authorized driver education  
3 schools to deliver the thirty-three (33) hour community college of Rhode Island approved driver  
4 training curriculum in an instructor-led virtual format since April, 2020.

5           (2) The virtual platform used to present the curriculum allows the instructor to see the  
6 students on-screen and monitor student engagement by providing spot quizzes, interactive question  
7 and answer sessions, class polling and a final exam.

8           (3) Scores for exams taken in a classroom setting (pre-pandemic) and those taken virtually  
9 are comparable (90.94 on average for in-person vs. 89.58 on average for virtual).

10          (4) Virtual instruction can provide workable alternatives to students with physical,  
11 emotional, or other learning challenges.

12          (5) A virtual instruction option promotes greater accessibility to the curriculum advancing  
13 equity and inclusion.

14          (6) A virtual option can be particularly important in rural areas or Rhode Island  
15 communities where no classroom instruction is available.

16          SECTION 2. Section 31-10-20 of the General Laws in Chapter 31-10 entitled "Operators'  
17 and Chauffeurs' Licenses" is hereby amended to read as follows:

18          **31-10-20. Driver education course requirement before licensing.**

1 (a) No limited-instruction permit or license shall be issued to any person not more than  
2 eighteen (18) years of age unless that person shall have successfully completed a course of  
3 instruction as provided in § 31-10-19, or a similar course of instruction, conducted in a classroom  
4 setting or in an instructor-led virtual format, recognized by the state board of education as  
5 equivalent to it. The instructor-led virtual format course shall be permitted for a period of two (2)  
6 years following the enactment of this act and a report analyzing the test results of the instructor-led  
7 virtual instruction format as compared to the in-person classroom instruction format shall be  
8 provided by the state board of education to the speaker of the house and president of the senate  
9 within sixty (60) days after the end of such two (2) year period. However, any person who is over  
10 eighteen (18) years of age and has been a holder of a motor vehicle operator's license issued to that  
11 person by any other state, territory, or possession of the United States, or any other sovereignty for

14 (b) Commencing on July 1, 2004, no limited-instruction permit or license shall be issued  
15 to any person not more than eighteen (18) years of age unless that person shall have successfully  
16 completed a course of instruction as provided in § 31-10-19, or a similar course of instruction in  
17 another state recognized by the state board of education as equivalent to it. In determining whether  
18 a course is equivalent, the state board of education shall at a minimum require: (1) That the course  
19 consist of at least thirty-three (33) instructional hours that substantially conform with the current  
20 curriculum utilized by the instructor(s) at the Community College of Rhode Island, including a  
21 minimum of three (3) hours of instruction focusing upon specific Rhode Island traffic laws, the  
22 specific requirements of the Rhode Island graduated-licensing statute in § 31-10-6, and eight (8)  
23 hours specifically for instruction on the effects of alcohol and drugs on a driver. All driver's  
24 education programs shall include information concerning the Revised Uniform Anatomical Gift  
25 Act, chapter 18.6.1 of title 23, and information on donor cards pursuant to the applicable provisions  
26 of chapter 18.6.1 of title 23; (2) That the instructor holds a valid teacher's certificate; (3) That the  
27 instructor satisfactorily completes at least a three-credit (3) course in traffic safety education at an  
28 accredited institution of higher education; and (4) That the program does not offer outside the  
29 classroom road test instruction or driving lessons to Rhode Island students. However, any person  
30 who is over eighteen (18) years of age and has been a holder of a motor vehicle operator's license  
31 issued to that person by any other state, territory, or possession of the United States, or any other  
32 sovereignty for a period of one year immediately prior to his or her application for a license under  
33 this chapter shall not be required to comply with the provisions of this section.

34 (c) The driver's education course and driver's license examination shall include material

1 pertaining to a driver's rights and responsibilities when stopped by a law enforcement officer as  
2 explained during the driver education course, including, but not limited to, rights provided to  
3 drivers pursuant to chapter 21.2 of title 31, the "comprehensive community-police relationship act
