- 22 (7) **Vesting.**

(i) The approved master plan is vested for a period of two (2) years, with the right to extend
for two (2), one-year extensions upon written request by the applicant, who must appear before the
planning board for the annual review. Thereafter, vesting may be extended for a longer period, for
good cause shown, if requested by the applicant, in writing, and approved by the planning board.
Master plan vesting includes the zoning requirements, conceptual layout, and all conditions shown
on the approved master plan drawings and supporting materials.

- (ii) The initial four-year (4) vesting for the approved master plan constitutes the vested
 rights for the development as required in § 45-24-44.
- 31 (d) Preliminary plan review.
- 32 (1) Submission requirements.
- 33 (i) The applicant shall first submit to the administrative officer the items required by the34 local regulations for preliminary plans.

1 (ii) Requirements for the preliminary plan and supporting materials for this phase of the 2 review include, but are not limited to: engineering plans depicting the existing site conditions, 3 engineering plans depicting the proposed development project, and a perimeter survey.

4 (iii) At the preliminary plan review phase, the administrative officer shall solicit final, 5 written comments and/or approvals of the department of public works, the city or town engineer, the city or town solicitor, other local government departments, commissions, or authorities as 6 7 appropriate.

8

(iv) Prior to approval of the preliminary plan, copies of all legal documents describing the 9 property, proposed easements, and rights-of-way.

10 (v) Prior to approval of the preliminary plan, an applicant must submit all permits required 11 by state or federal agencies, including permits related to freshwater wetlands, the coastal zone, 12 floodplains, preliminary suitability for individual septic disposal systems, public water systems, 13 and connections to state roads. For a state permit from the Rhode Island department of 14 transportation, a letter evidencing the issuance of such a permit upon the submission of a bond and 15 insurance is sufficient, but such actual permit shall be required prior to the issuance of a building 16 permit.

17 (vi) If the applicant is requesting alteration of any variances and/or special-use permits 18 granted by the planning board or commission at the master plan stage of review pursuant to adopted 19 unified development review provisions, and/or any new variances and/or special-use permits, such 20 requests and all supporting documentation shall be included as part of the preliminary plan 21 application materials, pursuant to § 45-23-50.1(b).

22 (2) Certification. The application will be certified as complete or incomplete by the 23 administrative officer within twenty-five (25) days, according to the provisions of § 45-23-36(c) so 24 long as a completed checklist of requirements is provided with the submission. The running of the time period set forth herein will be deemed stopped upon the issuance of a certificate of 25 26 incompleteness of the application by the administrative officer and will recommence upon the 27 resubmission of a corrected application by the applicant. However, in no event shall the 28 administrative officer be required to certify a corrected submission as complete or incomplete less 29 than ten (10) days after its resubmission.

30 (3) **Technical review committee.** To the extent the community utilizes a technical review 31 committee, it shall review the application prior to the first planning board meeting and shall 32 comment and make recommendations to the planning board.

33 (4) Public notice. Prior to the first planning board meeting on the preliminary plan, public 34 notice shall be sent to abutters only at least fourteen (14) days before the hearing.

(5) Public improvement guarantees. Proposed arrangements for completion of the
 required public improvements, including construction schedule and/or financial guarantees, shall
 be reviewed and approved by the planning board at preliminary plan approval.

4 (6) **Decision.** A complete application for a major subdivision or development plan shall 5 be approved, approved with conditions, or denied, in accordance with the requirements of §§ 45-6 23-60 and 45-23-63, within ninety (90) days of the date when it is certified complete, or within a 7 further amount of time that may be consented to by the developer through the submission of a 8 written waiver. Provided that, the timeframe for decision is automatically extended if evidence of 9 state permits has not been provided, or otherwise waived in accordance with this section.

10 (7) **Failure to act.** Failure of the planning board to act within the prescribed period 11 constitutes approval of the preliminary plan, and a certificate of the administrative officer as to the 12 failure of the planning board to act within the required time and the resulting approval shall be 13 issued on request of the applicant.

14 (8) **Vesting.** The approved preliminary plan is vested for a period of two (2) years with 15 the right to extend for two (2), one-year extensions upon written request by the applicant, who must 16 appear before the planning board for each annual review and provide proof of valid state or federal 17 permits as applicable. Thereafter, vesting may be extended for a longer period, for good cause 18 shown, if requested, in writing by the applicant, and approved by the planning board. The vesting 19 for the preliminary plan approval includes all general and specific conditions shown on the 20 approved preliminary plan drawings and supporting material.

21 (e) **Final plan.**

22

(1) Submission requirements.

(i) The applicant shall submit to the administrative officer the items required by the local
regulations for the final plan, as well as all material required by the planning board when the
application was given preliminary approval.

26 (ii) Arrangements for completion of the required public improvements, including
 27 construction schedule and/or financial guarantees.

28

(iii) Certification by the tax collector that all property taxes are current.

(iv) For phased projects, the final plan for phases following the first phase, shall be
 accompanied by copies of as-built drawings not previously submitted of all existing public
 improvements for prior phases.

(2) Certification. The application for final plan approval shall be certified complete or
 incomplete by the administrative officer in writing, within fifteen (15) days, according to the
 provisions of § 45-23-36(c) so long as a completed checklist of requirements is provided with the

1 submission. This time period may be extended to twenty-five (25) days by written notice from the 2 administrative officer to the applicant where the final plans contain changes to or elements not included in the preliminary plan approval. The running of the time period set forth herein shall be 3 4 deemed stopped upon the issuance of a certificate of incompleteness of the application by the 5 administrative officer and shall recommence upon the resubmission of a corrected application by 6 the applicant. However, in no event shall the administrative officer be required to certify a corrected 7 submission as complete or incomplete less than ten (10) days after its resubmission. If the 8 administrative officer certifies the application as complete and does not require submission to the 9 planning board as per subsection (c) of this section, the final plan shall be considered approved.

10 (3) Decision. The administrative officer, or, if referred to it, the planning board, shall 11 review, grant, grant with conditions, or deny final plan approval. A decision shall be issued within 12 forty-five (45) days after the certification of completeness, or within a further amount of time that 13 may be consented to by the applicant, to approve or deny the final plan as submitted.

14 (4) Failure to act. Failure of the planning board to act within the prescribed period 15 constitutes approval of the final plan, and a certificate of the administrative officer as to the failure 16 of the planning board to act within the required time and the resulting approval shall be issued on 17 request of the applicant.

(5) Expiration of approval. The final approval of a major subdivision or land 18 19 development project expires one year from the date of approval with the right to extend for one 20 year upon written request by the applicant, who must appear before the planning board for the 21 annual review, unless, within that period, the plat or plan has been submitted for signature and 22 recording as specified in § 45-23-64. Thereafter, the planning board may, for good cause shown, 23 extend the period for recording.

24 (6) Acceptance of public improvements. Signature and recording as specified in § 45-25 23-64 constitute the acceptance by the municipality of any street or other public improvement or 26 other land intended for dedication. Final plan approval shall not impose any duty upon the 27 municipality to maintain or improve those dedicated areas until the governing body of the 28 municipality accepts the completed public improvements as constructed in compliance with the 29 final plans.

30 (7) Validity of recorded plans. The approved final plan, once recorded, remains valid as 31 the approved plan for the site unless and until an amendment to the plan is approved under the 32 procedure stated in § 45-23-65, or a new plan is approved by the planning board.

33

(f) Modifications and changes to plans.

34

(1) Minor changes, as defined in the local regulations, to the plans approved at any stage

1 may be approved administratively, by the administrative officer. The changes may be authorized 2 without an additional planning board meeting, to the extent applicable, at the discretion of the 3 administrative officer. All changes shall be made part of the permanent record of the project 4 application. This provision does not prohibit the administrative officer from requesting 5 recommendation from either the technical review committee or the permitting authority. Denial of 6 the proposed change(s) shall be referred to the applicable permitting authority for review as a major 7 change.

8 (2) Major changes, as defined in the local regulations, to the plans approved at any stage 9 may be approved only by the applicable permitting authority and must include a public hearing.

(3) The administrative officer shall notify the applicant in writing within fourteen (14)
days of submission of the final plan application if the administrative officer determines the change
to be a major change of the approved plans.

(g) Appeal. Decisions under this section shall be considered an appealable decision
pursuant to § 45-23-71.

15

45-23-71. Appeals to the superior court. [Effective January 1, 2024.]

16 (a) An aggrieved party may appeal a decision of the board of appeal; a decision of an 17 administrative officer made pursuant to § 45-23-38 or § 45-23-50 where authorized to approve or 18 deny an application; a decision of the technical review committee where authorized to approve or 19 deny an application; or a decision of the planning board, to the superior court for the county in 20 which the municipality is situated by filing a complaint stating the reasons for the appeal within 21 twenty (20) days after the decision has been recorded and posted in the office of the city or town 22 clerk. Recommendations by any public body or officer under this chapter are not appealable under 23 this section. The authorized permitting authority shall file the original documents acted upon by it 24 and constituting the record of the case appealed from, or certified copies of the original documents, 25 together with any other facts that may be pertinent, with the clerk of the court within thirty (30) 26 days after being served with a copy of the complaint. When the complaint is filed by someone other 27 than the original applicant or appellant, the original applicant or appellant and the planning board 28 shall be made parties to the proceedings. No responsive pleading is required for an appeal filed 29 pursuant to this section. The appeal does not stay proceedings upon the decision appealed from, but 30 the court may, in its discretion, grant a stay on appropriate terms and make any other orders that it 31 deems necessary for an equitable disposition of the appeal.

(b) Appeals from a decision granting or denying approval of a final plan shall be limited to
 elements of the approval or disapproval not contained in the decision reached by the planning board
 at the preliminary stage; providing provided that, a public hearing has been held on the plan, if

1 required pursuant to this chapter.

2	(c) The review shall be conducted by the superior court without a jury. The court shall
3	consider the record of the hearing before the planning board and, if it appears to the court that
4	additional evidence is necessary for the proper disposition of the matter, it may allow any party to
5	the appeal to present evidence in open court, which evidence, along with the report, shall constitute
6	the record upon which the determination of the court shall be made.
7	(d) The court shall not substitute its judgment for that of the planning board as to the weight
8	of the evidence on questions of fact. The court may affirm the decision of the board of appeal or
9	remand the case for further proceedings, or may reverse or modify the decision if substantial rights
10	of the appellant have been prejudiced because of findings, inferences, conclusions, or decisions that
11	are:
12	(1) In violation of constitutional, statutory, ordinance, or planning board regulations
13	provisions;
14	(2) In excess of the authority granted to the planning board by statute or ordinance;
15	(3) Made upon unlawful procedure;
16	(4) Affected by other error of law;
17	(5) Clearly erroneous in view of the reliable, probative, and substantial evidence of the
18	whole record; or
19	(6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted
20	exercise of discretion.
21	ARTICLE III STATUTORY UNIFORMITY
22	SECTION 1. The purpose and intent of this act is to correct discrepancies concerning § 34-
23	27-3.1 and § 34-27-3.2 of the general laws relating to chapter 27 of title 34 entitled Mortgage
24	Foreclosure and Sale. Upon passage of this act, the publications of the public laws and general laws
25	of these sections will be consistent, and will accurately reflect the intent of the general assembly
26	for the purposes of the practical application of the sections.
27	SECTION 2. Section 1 of Chapter 376 and 384 of the 2009 Public Laws entitled "An Act
28	Relating to PropertyMortgage Foreclosure and Sale" is hereby repealed.
29	34-27-3.1. Foreclosure counseling.
30	(a) No less than forty five (45) days prior to initiating any foreclosure of real estate
31	pursuant to subsection 34-27-4(b), the mortgagee shall provide to an individual consumer
32	mortgagor written notice of default and the mortgagee's right to foreclose by first class mail at the
33	address of the real estate and, if different, at the address designated by the mortgagor by written
34	notice to the mortgagee as the mortgagor's address for receipt of notices.

1 (b) The written notice required by this section shall be in English and Spanish and,

2 provided the same is then available, shall advise the mortgagor of the availability of counseling through HUD-approved mortgage counseling agencies and, the toll-free telephone number and 3 4 website address maintained to provide information regarding no cost HUD approved mortgage 5 counseling agencies in Rhode Island. The written notice may also contain any other information required under federal law. A form of written notice meeting the requirements of this section shall 6 7 be promulgated by the department of business regulation for use by mortgagees at least thirty (30) 8 days prior to the effective date of this section. Counseling shall be provided at no cost to the 9 mortgagee.

- (c) Failure of the mortgagee to provide notice to the mortgagor as provided herein shall
 render the foreclosure void, without limitation of the right of the mortgagee thereafter to reexercise
 its power of sale or other means of foreclosure upon compliance with this section. The mortgagee
- 13 shall include in the foreclosure deed an affidavit of compliance with this section.
- (d) As used herein and in this chapter, the term "HUD" means the United States Department
 of Housing and Urban Development and any successor to such department.
- 16 SECTION 3. Section 1 of Chapters 325 and 406 of the 2013 public laws entitled "An Act
- 17 Relating to Property--Mortgage Foreclosure and Sale" is hereby repealed.
- 18 34-27-3.2. Mediation conference.

(a) Statement of policy. It is hereby declared that residential mortgage foreclosure actions,
caused in part by unemployment and underemployment, have negatively impacted a substantial
number of homeowners throughout the state, creating a situation which endangers the economic
stability of many of the citizens of this state, as the increasing numbers of foreclosures lead to
increases in unoccupied and unattended buildings and the unwanted displacement of homeowners
and tenants who desire to live and work within the state.

(b) Purpose. The statutory framework for foreclosure proceedings is prescribed under the 25 26 provisions of Chapter 34-27 of the general laws. As the need for a mortgage mediation process has 27 evolved, it is important for the state to develop a standardized, statewide process for foreclosure 28 mediation rather than a process based on local ordinances that may vary from municipality to 29 municipality. By providing a uniform standard for an early HUD-approved independent counseling 30 process in owner occupied principal residence mortgage foreclosure cases, the chances of 31 achieving a positive outcome for homeowners and lenders will be enhanced. 32 (c) Definitions. The following definitions apply in the interpretations of the provisions of

- 33 this section unless the context requires another meaning:
- 34 (1) "Mediation conference" means a conference involving the mortgagee and mortgagor,

1 coordinated and facilitated by a mediation coordinator whose purpose is to determine whether an 2 alternative to foreclosure is economically feasible to both the mortgagee and the mortgagor, and if it is determined that an alternative to foreclosure is economically feasible, to facilitate a loan work-3 4 out or other solution in an effort to avoid foreclosure. 5 (2) "Mediation coordinator" means a person designated by a Rhode Island based HUD approved counseling agency to serve as the unbiased, impartial and independent coordinator and 6 7 facilitator of the mediation conference, with no authority to impose a solution or otherwise act as a 8 consumer advocate, provided that such person possesses the experience and qualifications 9 established by the department. 10 (3) "Department" means the department of business regulation. 11 (4) "Good Faith" means that the mortgagor and mortgagee deal honestly and fairly with 12 the mediation coordinator with an intent to determine whether an alternative to foreclosure is 13 economically feasible for the mortgagor and mortgagee, as evidenced by some or all of the 14 following factors: 15 (i) Mortgagee provided notice as required by this section; 16 (ii) Mortgagee designated an agent to participate in the mediation conference on its behalf, 17 and with the authority to agree to a work-out agreement on its behalf; (iii) Mortgagee made reasonable efforts to respond in a timely manner to requests for 18 19 information from the mediation coordinator, mortgagor, or counselor assisting the mortgagor; 20 (iv) Mortgagee declines to accept the mortgagor's work out proposal, if any, and the 21 mortgagee provided a detailed statement, in writing, of its reasons for rejecting the proposal; 22 (v) Where a mortgagee declines to accept the mortgagor's work-out proposal, the mortgagee offered, in writing, to enter into an alternative work-out/disposition resolution proposal 23 24 that would result in net financial benefit to the mortgagor as compared to the terms of the mortgage. (5) "HUD" means the United States Department of Housing and Urban Development and 25 any successor to such department. 26 27 (6) "Mortgage" means an individual consumer mortgage on any owner occupied, one to 28 four (4) unit residential property which serves as the owner's primary residence. 29 (7) "Mortgagee" means the holder of a mortgage. 30 (8) "Mortgagor" means the owner of the property subject to a mortgage. 31 (d) No mortgagee may initiate any foreclosure of real estate pursuant to subsection 34-27-32 4(b) unless the requirements of this section have been met. (e) When a mortgage is not more than one hundred twenty (120) days delinquent, the 33 34 mortgagee or its mortgage servicer or other agent or representative of the mortgagee shall provide

to the mortgagor written notice, by certified and first class mail at the address of the real estate and,
 if different, at the address designated by the mortgagor by written notice to the mortgagee as the
 mortgagor's address for receipt of notices, that the mortgagee may not foreclose on the mortgaged
 property without first participating in a mediation conference.

(f) A form of written notice meeting the requirements of this section shall be promulgated
by the department for use by mortgagees at least thirty (30) days prior to the effective date of this
section. The written notice required by this section shall be in English, Portuguese and Spanish,
reference the property's plat and lot information, and may be combined with any other notice
required under this chapter or pursuant to state or federal law.

10 (g) The mediation conference shall take place in person, or over the phone, at a time and 11 place deemed mutually convenient for the parties by an individual employed by a HUD approved 12 independent counseling agency selected by the mortgagee to serve as a mediation coordinator, but 13 not later than sixty (60) days following the mailing of the notice. The mortgagor shall cooperate in 14 all respects with the mediation coordinator including, but not limited to, providing all necessary 15 financial and employment information and completing any and all loan resolution proposals and 16 applications deemed appropriate by the mediation coordinator. A mediation conference between 17 the mortgagor and mortgagee conducted by a mediation coordinator shall be provided at no cost to the mortgagor. The HUD-approved counseling agency shall be compensated by the mortgagee at a 18 19 rate not to exceed five hundred dollars (\$500) per engagement.

20 (h) If, after two (2) attempts by the mediation coordinator to contact the mortgagor, the 21 mortgagor fails to respond to the mediation coordinator's request to appear at a mediation 22 conference, or the mortgagor fails to cooperate in any respect with the requirements of this section, 23 the requirements of the section shall be deemed satisfied upon verification by the mediation 24 coordinator that the required notice was sent. Upon verification, a certificate will be issued immediately by the mediation coordinator authorizing the mortgagee to proceed with the 25 26 foreclosure action, including recording the deed. Such certificate shall be recorded along with the 27 foreclosure deed. A form of certificate meeting the requirements of this section shall be promulgated by the department for use by mortgagees at least thirty (30) days prior to the effective 28 29 date of this section.

30 (i) If the mediation coordinator determines that after a good faith effort made by the
31 mortgagee at the mediation conference, the parties cannot come to an agreement to renegotiate the
32 terms of the loan in an effort to avoid foreclosure, such good faith effort by the mortgagee shall be
33 deemed to satisfy the requirements of this section. A certificate certifying such good faith effort
34 will be promptly issued by the mediation coordinator authorizing the mortgagee to proceed with

1 the foreclosure action and recording of the foreclosure deed. Such certification shall be recorded 2 along with the foreclosure deed. A form of certificate meeting the requirements of this section shall be promulgated by the department for use by mortgagees at least thirty (30) days prior to the 3 4 effective date of this section. 5 (j) If the mortgagee and mortgagor are able to reach agreement to renegotiate the terms of the loan to avoid foreclosure, the agreement shall be reduced to writing and executed by the 6 7 mortgagor and mortgagee. 8 (k) Notwithstanding any other provisions of this section, where a mortgagor and mortgagee 9 have entered into a written agreement and the mortgagor fails to fulfill his or her obligations under 10 the written agreement, the provisions of this section shall not apply to any foreclosure initiated 11 under this chapter within twelve (12) months following the execution of the written agreement. In 12 such case, the mortgagee shall include in the foreclosure deed an affidavit establishing its right to 13 proceed under this section. 14 (1) This section shall apply only to foreclosure of mortgages on owner-occupied, residential 15 real property with no more than four (4) dwelling units which is the primary dwelling of the owner 16 and not to mortgages secured by other real property. 17 (m) Notwithstanding any other provisions of this section, any locally based mortgagees 18 shall be deemed to be in compliance with the requirements of this section if: 19 (1) The mortgagee is headquartered in Rhode Island; or 20 (2) The mortgagee maintains a physical office or offices exclusively in Rhode Island from 21 which office or offices it carries out full service mortgage operations, including the acceptance and 22 processing of mortgage payments and the provision of local customer service and loss mitigation 23 and where Rhode Island staff have the authority to approve loan restructuring and other loss 24 mitigation strategies; and (3) The deed offered by a mortgagee to be filed with the city or town recorder of deeds as 25 26 a result of a mortgage foreclosure action contained a certification that the provisions of this section 27 have been satisfied. (n) No deed offered by a mortgagee as a result of a mortgage foreclosure action shall be 28 29 submitted to a city or town recorder of deeds for recording in the land evidence records of the city 30 or town until and unless the requirements of this section are met. The mortgagee shall include in 31 the foreclosure deed an affidavit of compliance with this section. Failure of the mortgagee to 32 comply with the requirements of this section shall render the foreclosure void, without limitation 33 of the right of the mortgagee thereafter to re-exercise its power of sale or other means of foreclosure 34 upon compliance with this section. The rights of the mortgagor to any redress afforded under the

- 1 law are not abridged by this section.
- 2 (o) Any existing municipal ordinance or future ordinance which requires a conciliation or mediation process as a precondition to the recordation of a foreclosure deed shall comply with the 3 4 provisions set forth herein and any provisions of said ordinances which do not comply with the 5 provisions set forth herein shall be determined to be unenforceable. SECTION 4. Section 34-27-3.2 of the General Laws in Chapter 34-27 entitled "Mortgage 6 7 Foreclosure and Sale" is hereby repealed. 8 **<u>34-27-3.2. Mediation conference.</u>** [The repeal of this section is reinstated in its current 9 form as § 34-27-9] 10 (a) Statement of policy. It is hereby declared that residential mortgage foreclosure actions, 11 caused in part by unemployment and underemployment, have negatively impacted a substantial 12 number of homeowners throughout the state, creating a situation that endangers the economic 13 stability of many of the citizens of this state as the increasing numbers of foreclosures lead to 14 increases in unoccupied and unattended buildings and the unwanted displacement of homeowners 15 and tenants who desire to live and work within the state. 16 (b) Purpose. The statutory framework for foreclosure proceedings is prescribed under the 17 provisions of chapter 27 of this title. As the need for a mortgage mediation process has evolved, it 18 is important for the state to develop a standardized, statewide process for foreclosure mediation 19 rather than a process based on local ordinances that may vary from municipality to municipality. 20 By providing a uniform standard for an early HUD-approved, independent counseling process in 21 owner-occupied principal residence mortgage foreclosure cases, the chances of achieving a positive 22 outcome for homeowners and lenders will be enhanced. (c) Definitions. The following definitions apply in the interpretations of the provisions of 23 24 this section unless the context requires another meaning: 25 (1) "Default" means the failure of the mortgagor to make a timely payment of an amount 26 due under the terms of the mortgage contract, which failure has not been subsequently cured. 27 (2) "Department" means the department of business regulation. (3) "Good faith" means that the mortgagor and mortgagee deal honestly and fairly with the 28 29 mediation coordinator with an intent to determine whether an alternative to foreclosure is 30 economically feasible for the mortgagor and mortgagee, as evidenced by some or all of the 31 following factors: 32 (i) Mortgagee provided notice as required by this section; 33 (ii) Mortgagee designated an agent to participate in the mediation conference on its behalf 34 and with the authority to agree to a work-out agreement on its behalf;

1 (iii) Mortgagee made reasonable efforts to respond in a timely manner to requests for 2 information from the mediation coordinator, mortgagor, or counselor assisting the mortgagor; 3 (iv) Mortgagee declined to accept the mortgagor's work out proposal, if any, and the 4 mortgagee provided a detailed statement, in writing, of its reasons for rejecting the proposal; 5 (v) Where a mortgagee declined to accept the mortgagor's work-out proposal, the mortgagee offered, in writing, to enter into an alternative work-out/disposition resolution proposal 6 7 that would result in net financial benefit to the mortgagor as compared to the terms of the mortgage. 8 (4) "HUD" means the United States Department of Housing and Urban Development and 9 any successor to such department. 10 (5) "Mediation conference" means a conference involving the mortgagee and mortgagor, 11 coordinated and facilitated by a mediation coordinator whose purpose is to determine whether an 12 alternative to foreclosure is economically feasible to both the mortgagee and the mortgagor, and if 13 it is determined that an alternative to foreclosure is economically feasible, to facilitate a loan 14 workout or other solution in an effort to avoid foreclosure. 15 (6) "Mediation coordinator" means a person employed by a Rhode Island based, HUD-16 approved counseling agency designated to serve as the unbiased, impartial, and independent 17 coordinator and facilitator of the mediation conference, with no authority to impose a solution or 18 otherwise act as a consumer advocate, provided that such person possesses the experience and 19 qualifications established by the department. 20 (7) "Mortgage" means an individual consumer first lien mortgage on any owner-occupied, 21 one (1)- to four (4)- unit residential property that serves as the mortgagor's primary residence. 22 (8) "Mortgagee" means the holder of a mortgage, or its agent or employee, including a mortgage servicer acting on behalf of a mortgagee. 23 (9) "Mortgagor" means the person who has signed a mortgage in order to secure a debt or 24 25 other duty, or the heir or devisee of such person provided that: 26 (i) The heir or devisee occupies the property as his or her primary residence; and 27 (ii) The heir or devisee has record title to the property, or a representative of the estate of 28 the mortgagor has been appointed with authority to participate in a mediation conference. 29 (d) The mortgagee shall, prior to initiation of foreclosure of real estate pursuant to § 34-30 27-4(b), provide to the mortgagor written notice at the address of the real estate and, if different, at 31 the address designated by the mortgagor by written notice to the mortgagee as the mortgagor's 32 address for receipt of notices, that the mortgagee may not foreclose on the mortgaged property without first participating in a mediation conference. Notice addressed and delivered as provided 33 34 in this section shall be effective with respect to the mortgagor and any heir or devisee of the

1 mortgagor.

2 (1) If the mortgagee fails to mail the notice required by this subsection to the mortgagor within one hundred twenty (120) days after the date of default, it shall pay a penalty at the rate of 3 4 one thousand (\$1,000) per month for each month or part thereof, with the first month commencing 5 on the one hundred twenty first (121st) day after the date of default and a new month commencing 6 on the same day (or if there is no such day, then on the last day) of each succeeding calendar month 7 until the mortgagee sends the mortgagor written notice as required by this section. 8 Notwithstanding the foregoing, any penalties assessed under this subsection for any failure 9 of any mortgagee to provide notice as provided herein during the period from September 13, 2013, 10 through the effective date of this section shall not exceed the total amount of one hundred twenty-

11 five thousand dollars (\$125,000) for such mortgagee.

(2) Penalties accruing pursuant to subsection (d)(1) shall be paid to the mediation
coordinator prior to the completion of the mediation process. All penalties accrued under this
section shall be transferred to the state within one month of receipt by the mediation coordinator
and deposited to the restricted receipt account within the general fund established by § 42-1282(3) and used for the purposes set forth therein.

(3) Issuance by the mediation coordinator of a certificate authorizing the mortgagee to
proceed to foreclosure, or otherwise certifying the mortgagee's good faith effort to comply with
the provisions of this section, shall constitute conclusive evidence that, to the extent that any penalty
may have accrued pursuant to subsection (d)(1), the penalty has been paid in full by the mortgagee.
(4) Notwithstanding any other provisions of this subsection, a mortgagee shall not accrue
any penalty if the notice required by this subsection is mailed to the borrower:

(i) Within sixty (60) days after the date upon which the loan is released from the protection
of the automatic stay in a bankruptcy proceeding, or any similar injunctive order issued by a state
or federal court, or within sixty (60) days after a loan is no longer afforded protection under the

In such case, the mortgagee shall include in the foreclosure deed an 5 affidavit establishing its right to proceed under this section. Chapter 34-27 of the General Laws entitled "Mortgage Foreclosure and Sale" 13 is hereby amended by adding thereto the following section:

14

34-27-9. Mediation conference. [Reinstated from § 34-27-3.2]

(a) Statement of policy. It is hereby declared that residential mortgage foreclosure actions,
caused in part by unemployment and underemployment, have negatively impacted a substantial
number of homeowners throughout the state, creating a situation that endangers the economic
stability of many of the citizens of this state as the increasing numbers of foreclosures lead to
increases in unoccupied and unattended buildings and the unwanted displacement of homeowners
and tenants who desire to live and work within the state.

(b) Purpose. The statutory framework for foreclosure proceedings is prescribed under the provisions of chapter 27 of this title. As the need for a mortgage mediation process has evolved, it is important for the state to develop a standardized, statewide process for foreclosure mediation rather than a process based on local ordinances that may vary from municipality to municipality. By providing a uniform standard for an early HUD-approved, independent counseling process in owner-occupied principal residence mortgage foreclosure cases, the chances of achieving a positive outcome for homeowners and lenders will be enhanced.

- 29 this section unless the context requires another meaning:

- 32 (2) "Department" means the department of business regulation.
- 33 (3) "Good faith" means that the mortgagor and mortgagee deal honestly and fairly with the

- 2 <u>following factors:</u>

 mortgagee offered, in writing, to enter into an alternative work-out/disposition resolution proposal

- 14 <u>any successor to such department.</u>
- 15 (5) "Mediation conference" means a conference involving the mortgagee and mortgagor,

Notice addressed and delivered as provided 4 5 in this section shall be effective with respect to the mortgagor and any heir or devisee of the 6 mortgagor. 7 (1) If the mortgagee fails to mail the notice required by this subsection to the mortgagor 8 within one hundred twenty (120) days after the date of default, it shall pay a penalty at the rate of 9 one thousand (\$1,000) per month for each month or part thereof, with the first month commencing 10 on the one hundred twenty-first (121st) day after the date of default and a new month commencing 11 on the same day (or if there is no such day, then on the last day) of each succeeding calendar month 12 until the mortgagee sends the mortgagor written notice as required by this section. 13 Notwithstanding the foregoing, any penalties assessed under this subsection for any failure 14 of any mortgagee to provide notice as provided herein during the period from September 13, 2013, 15 through the effective date of this section shall not exceed the total amount of one hundred twenty-16 five thousand dollars (\$125,000) for such mortgagee. 17 (2) Penalties accruing pursuant to subsection (d)(1) shall be paid to the mediation coordinator prior to the completion of the mediation process. All penalties accrued under this 18 19 section shall be transferred to the state within one month of receipt by the mediation coordinator 20 and deposited to the restricted-receipt account within the general fund established by § 42-128-21 2(3) and used for the purposes set forth therein. 22 (3) Issuance by the mediation coordinator of a certificate authorizing the mortgagee to 23 proceed to foreclosure, or otherwise certifying the mortgagee's good-faith effort to comply with 24 the provisions of this section, shall constitute conclusive evidence that, to the extent that any penalty 25 may have accrued pursuant to subsection (d)(1), the penalty has been paid in full by the mortgagee. (4) Notwithstanding any other provisions of this subsection, a mortgagee shall not accrue 26 27 any penalty if the notice required by this subsection is mailed to the borrower: 28 (i) Within sixty (60) days after the date upon which the loan is released from the protection 29 of the automatic stay in a bankruptcy proceeding, or any similar injunctive order issued by a state 30 or federal court, or within sixty (60) days after a loan is no longer afforded protection under the Servicemembers Civil Relief Act (50 U.S.C. § 3901 et seq.) or the provisions of § 34-27-4(d), or 31 32 within one hundred twenty (120) days of the date on which the mortgagor initially failed to comply 33 with the terms of an eligible workout agreement, as hereinafter defined; and 34 (ii) The mortgagee otherwise complies with the requirements of subsection (d); provided,

1

1 however, that if the mortgagee fails to mail the notice required by subsection (d) to the mortgagor 2 within the time frame set forth in subsection (d)(4)(i), the mortgagee shall pay a penalty at the rate 3 of one thousand dollars (\$1,000) per month for each month, or part thereof, with the first month 4 commencing on the thirty-first (31st) day after the date upon which the loan is released from the 5 protection of the automatic stay in a bankruptcy proceeding or any similar injunctive order issued 6 by a state or federal court and a new month commencing on the same day (or if there is no such 7 day, then on the last day) of each succeeding calendar month until the mortgagee sends the 8 mortgagor written notice as required by this section. Notwithstanding the foregoing, any penalties 9 assessed under this subsection for any failure of any mortgagee to provide notice as provided herein 10 during the period from September 13, 2013, through the effective date of this section shall not 11 exceed the total amount of one hundred twenty-five thousand dollars (\$125,000) for such 12 mortgagee. 13 (5) Notwithstanding any other provisions of this section, a mortgagee may initiate a judicial 14 foreclosure in accordance with § 34-27-1. 15 (e) A form of written notice meeting the requirements of this section shall be promulgated 16 by the department for use by mortgagees at least thirty (30) days prior to the effective date of this 17 section. The written notice required by this section shall be in English, Portuguese, and Spanish 18 and may be combined with any other notice required under this chapter or pursuant to state or 19 federal law. 20 (f) The mediation conference shall take place in person, or over the phone, at a time and 21 place deemed mutually convenient for the parties by an individual employed by a HUD-approved, 22 independent counseling agency selected by the mortgagee to serve as a mediation coordinator, but 23 not later than sixty (60) days following the mailing of the notice. The mortgagor shall cooperate in 24 all respects with the mediation coordinator including, but not limited to, providing all necessary 25 financial and employment information and completing any and all loan resolution proposals and applications deemed appropriate by the mediation coordinator. A mediation conference between 26 27 the mortgagor and mortgagee conducted by a mediation coordinator shall be provided at no cost to 28 the mortgagor. The HUD-approved counseling agency shall be compensated by the mortgagee for 29 mediation conferences that take place at a rate not to exceed five hundred dollars (\$500) per 30 mediation. The HUD-approved agency shall be entitled to a filing fee not to exceed one hundred 31 dollars (\$100) per mediation engagement. 32 (g) If, after two (2) attempts by the mediation coordinator to contact the mortgagor, the 33 mortgagor fails to respond to the mediation coordinator's request to appear at a mediation

1 the requirements of the section shall be deemed satisfied upon verification by the mediation 2 coordinator that the required notice was sent and any penalties accrued pursuant to subsection (d)(1)3 and any payments owed pursuant to subsection (f) have been paid. Upon verification, a certificate will be issued immediately by the mediation coordinator authorizing the mortgagee to proceed with 4 5 the foreclosure action, including recording the deed. Such certificate shall be valid until the earlier 6 <u>of:</u> 7 (1) The curing of the default condition; or 8 (2) The foreclosure of the mortgagor's right of redemption. 9 The certificate shall be recorded along with the foreclosure deed. A form of certificate 10 meeting the requirements of this section shall be promulgated by the department for use by 11 mortgagees at least thirty (30) days prior to the effective date of this section. 12 (h) If the mediation coordinator determines that after a good-faith effort made by the 13 mortgagee at the mediation conference, the parties cannot come to an agreement to renegotiate the 14 terms of the loan in an effort to avoid foreclosure, such good-faith effort by the mortgagee shall be 15 deemed to satisfy the requirements of this section. A certificate certifying such good-faith effort 16 will be promptly issued by the mediation coordinator authorizing the mortgagee to proceed with 17 the foreclosure action and recording of the foreclosure deed; provided, however, that the mediation 18 coordinator shall not be required to issue such a certificate until any penalties accrued pursuant to 19 subsections (d)(1) and (d)(4)(ii), and any payments owed pursuant to subsection (f), have been paid. 20 Such certification shall be valid until the earlier of: 21 (1) The curing of the default condition; or 22 (2) The foreclosure of the mortgagor's equity of redemption. 23 The certificate shall be recorded along with the foreclosure deed. A form of certificate 24 meeting the requirements of this section shall be promulgated by the department for use by 25 mortgagees at least thirty (30) days prior to the effective date of this section. 26 (i) If the mortgagee and mortgagor are able to reach agreement to renegotiate the terms of 27 the loan to avoid foreclosure, the agreement shall be reduced to writing and executed by the 28 mortgagor and mortgagee. If the mortgagee and mortgagor reach agreement after the notice of 29 mediation conference is sent to the mortgagor, but without the assistance of the mediation 30 coordinator, the mortgagee shall provide a copy of the written agreement to the mediation 31 coordinator. Upon receipt of a written agreement between the mortgagee and mortgagor, the 32 mediation coordinator shall issue a certificate of eligible workout agreement if the workout 33 agreement would result in a net financial benefit to the mortgagor as compared to the terms of the 34 mortgage ("Certificate of Eligible Workout Agreement"). For purposes of this subsection, evidence

1 of an agreement shall include, but not be limited to, evidence of agreement by both mortgagee and 2 mortgagor to the terms of a short sale or a deed in lieu of foreclosure, regardless of whether said 3 short sale or deed in lieu of foreclosure is subsequently completed. 4 (j) Notwithstanding any other provisions of this section, where a mortgagor and mortgagee 5 have entered into a written agreement and the mediation coordinator has issued a certificate of 6 eligible workout agreement as provided in subsection (i), if the mortgagor fails to fulfill his or her 7 obligations under the eligible workout agreement, the provisions of this section shall not apply to 8 any foreclosure initiated under this chapter within twelve (12) months following the date of the 9 eligible workout agreement. In such case, the mortgagee shall include in the foreclosure deed an 10 affidavit establishing its right to proceed under this section. 11 (k) This section shall apply only to foreclosure of mortgages on owner-occupied, 12 residential real property with no more than four (4) dwelling units that is the primary dwelling of 13 the mortgagor and not to mortgages secured by other real property. 14 (1) Notwithstanding any other provisions of this section, any locally based mortgagees shall 15 be deemed to be in compliance with the requirements of this section if: 16 (1) The mortgagee is headquartered in Rhode Island; or 17 (2) The mortgagee maintains a physical office, or offices, exclusively in Rhode Island from which office, or offices, it carries out full-service mortgage operations, including the acceptance 18 19 and processing of mortgage payments and the provision of local customer service and loss 20 mitigation and where Rhode Island staff have the authority to approve loan restructuring and other 21 loss mitigation strategies; and 22 (3) The deed offered by a mortgagee to be filed with the city or town recorder of deeds as 23 a result of a mortgage foreclosure action under power of sale contained a certification that the 24 provisions of this section have been satisfied. 25 (m) No deed offered by a mortgagee as a result of a mortgage foreclosure action under 26 power of sale shall be submitted to a city or town recorder of deeds for recording in the land 27 evidence records of the city or town until and unless the requirements of this section are met. Failure 28 of the mortgagee to comply with the requirements of this section shall render the foreclosure 29 voidable, without limitation of the right of the mortgagee thereafter to re-exercise its power of sale 30 or other means of foreclosure upon compliance with this section. The rights of the mortgagor to 31 any redress afforded under the law are not abridged by this section. 32 (n) Any existing municipal ordinance or future ordinance that requires a conciliation or 33 mediation process as a precondition to the recordation of a foreclosure deed shall comply with the 34 provisions set forth herein and any provisions of said ordinances that do not comply with the

1 provisions set forth herein shall be determined to be unenforceable. 2 (o) The provisions of this section shall not apply if: (1) The mortgage is a reverse mortgage as described in chapter 25.1 of this title; or 3 (2) The date of default under the mortgage is on or before May 16, 2013. 4 5 (p) Limitations on actions. Any person who claims that a foreclosure is not valid due to the mortgagee's failure to comply with the terms of this section shall have one year from the date that 6 7 the first notice of foreclosure was published to file a complaint in the superior court for the county 8 in which the property is located and shall also file in the records of land evidence in the city or town 9 where the land subject to the mortgage is located a notice of lis pendens, the complaint to be filed 10 on the same day as the notice of lis pendens or within seven (7) days thereafter. Failure to file a 11 complaint, record the notice of lis pendens, and serve the mortgagee within the one-year period 12 shall preclude said mortgagor, or any other person claiming an interest through a mortgagor, from 13 subsequently challenging the validity of the foreclosure. Issuance by the mediation coordinator of 14 a certificate authorizing the mortgagee to proceed to foreclosure, or otherwise certifying the 15 mortgagee's good-faith effort to comply with the provisions of this section, shall constitute a 16 rebuttable presumption that the notice requirements of subsection (d) have been met in all respects. **ARTICLE IV -- EFFECTIVE DATE** 17 SECTION 1. Article I of this act shall take effect on December 31, 2024. Article II and 18

19 Article III of this act shall take effect upon passage.
