It is enacted by the General Assembly as follows:

1 SECTION 1. Section 27-29.1-7 of the General Laws in Chapter 27-29.1 entitled "Pharmacy

10 attorney general from also taking actions against pharmacy benefit managers to enforce any laws,
11 including provisions set forth in this section.

12 (d) Should any provision of this section be found unconstitutional, preempted, or otherwise
13 invalid, the remainder of this section, and the application of the provisions to persons or
14 circumstances other than those as to which it is held invalid, shall not be affected by that invalidity.
