A N A C T

RELATING TO INSURANCE -- INSURANCE COVERAGE FOR MENTAL ILLNESS AND
SUBSTANCE USE DISORDERS

Introduced By: Representatives Tanzi, Kislak, Alzate, Spears, McGaw, Speakman,
Donovan, Cruz, Stewart, and Hull
Date Introduced: February 27, 2026

Referred To: House Health & Human Services

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 27-38.2-1 and 27-38.2-2 of the General Laws in Chapter 27-38.2
2 entitled "Insurance Coverage for Mental Illness and Substance Use Disorders" are hereby amended
3 to read as follows:

4 **27-38.2-1. Coverage for treatment of mental health and substance use disorders.**

5 (a) A group health plan and an individual or group health insurance plan shall provide
6 coverage for the treatment of mental health and substance use disorders under the same terms and
7 conditions as that coverage is provided for other illnesses and diseases.

8 (b) Coverage for the treatment of mental health and substance use disorders shall not
9 impose any annual or lifetime dollar limitation.

10 (c) Financial requirements and quantitative treatment limitations on coverage for the
11 treatment of mental health and substance use disorders shall be no more restrictive than the
12 predominant financial requirements applied to substantially all coverage for medical conditions in
13 each treatment classification.

14 (d) Coverage shall not impose non-quantitative treatment limitations for the treatment of
15 mental health and substance use disorders unless the processes, strategies, evidentiary standards,
16 or other factors used in applying the non-quantitative treatment limitation, as written and in
17 operation, are comparable to, and are applied no more stringently than, the processes, strategies,
18 evidentiary standards, or other factors used in applying the limitation with respect to

1 medical/surgical benefits in the classification.

2 (e) The following classifications shall be used to apply the coverage requirements of this
3 chapter: (1) Inpatient, in-network; (2) Inpatient, out-of-network; (3) Outpatient, in-network; (4)
4 Outpatient, out-of-network; (5) Emergency care; and (6) Prescription drugs.

5 (f) Medication-assisted treatment or medication-assisted maintenance services of substance
6 use disorders, opioid overdoses, and chronic addiction, including methadone, buprenorphine,
7 naltrexone, or other clinically appropriate medications, is included within the appropriate
8 classification based on the site of the service.

9 (g) Payors shall ~~rely upon~~ provide coverage for substance use disorders, at a minimum, in
10 accordance with the criteria of the American Society of Addiction Medicine ~~when developing~~
11 ~~coverage for levels of care for substance use disorder treatment.~~

12 (h) In conducting a utilization review relating to service intensity or level of care placement
13 for a mental health or substance use disorder, a payor shall exclusively apply the most recent
14 version of the age-appropriate patient placement criteria developed by nonprofit professional
15 provider associations of the relevant clinical specialty and shall authorize placement at the service
16 intensity or level of care consistent with those criteria. If the payor's application of the relevant
17 patient placement criteria is not consistent with the service intensity or level of care placement
18 requested by the patient or their provider, any adverse benefit determination notice shall include
19 full details of the payor's assessment under the relevant criteria to the provider and the patient.

20 (i) Mental health and substance use disorder coverage and clinical criteria shall not deviate
21 from generally accepted standards of care.

22 ~~(h)~~(j) Patients with substance use disorders shall have access to evidence-based, non-opioid
23 treatment for pain, therefore coverage shall apply to medically necessary chiropractic care and
24 osteopathic manipulative treatment performed by an individual licensed under § 5-37-2.

25 ~~(h)~~(k) Parity of cost-sharing requirements. Regardless of the professional license of the
26 provider of care, if that care is consistent with the provider's scope of practice and the health plan's
27 credentialing and contracting provisions, cost sharing for behavioral health counseling visits and
28 medication maintenance visits shall be consistent with the cost sharing applied to primary care
29 office visits.

30 **27-38.2-2. Definitions.**

31 For the purposes of this chapter, the following words and terms have the following
32 meanings:

34 use disorder that is listed in the most recent revised publication or the most updated volume of:

1 (i) ~~Either either~~ the Diagnostic and Statistical Manual of Mental Disorders (DSM)
2 published by the American Psychiatric Association or the International Classification of Disease
3 Manual (ICO) published by the World Health Organization; ~~provided, that tobacco and caffeine~~
4 ~~are excluded from the definition of “substance” for the purposes of this chapter.; or~~

5 (ii) The Diagnostic Classification of Mental Health and Developmental Disorders of
6 Infancy and Early Childhood.

7 (7) “Nonprofit professional provider association” means a not-for-profit health care
8 provider professional association or specialty society that is generally recognized by clinicians
9 practicing in the relevant clinical specialty and issues peer-reviewed guidelines, criteria, or other
10 clinical recommendations developed through a transparent process, including the American
11 Psychiatric Association, American Psychological Association, American Society of Addiction
12 Medicine, American Academy of Child and Adolescent Psychiatry, and the American Association
13 for Community Psychiatry.

14 ~~(6)~~(8) “Non-quantitative treatment limitations” means: (i) Medical management standards;
15 (ii) Formulary design and protocols; (iii) Network tier design; (iv) Standards for provider admission
16 to participate in a network; (v) Reimbursement rates and methods for determining usual, customary,
17 and reasonable charges; and (vi) Other criteria that limit scope or duration of coverage for services
18 in the treatment of mental health and substance use disorders, including restrictions based on
19 geographic location, facility type, and provider specialty.

20 ~~(7)~~(9) “Quantitative treatment limitations” means numerical limits on coverage for the
21 treatment of mental health and substance use disorders based on the frequency of treatment, number
22 of visits, days of coverage, days in a waiting period, or other similar limits on the scope or duration
23 of treatment.

24 SECTION 2. This act shall take effect upon passage.

- This act would provide that for insurance coverage for treatment of mental health and substance use disorders, payors would rely upon criteria which reflect generally accepted standards of care when developing coverage for levels of care for mental health treatment. This act would also provide that payors would not modify clinical criteria to reduce coverage for mental health treatment below the level established by the generally accepted standards of care upon which their clinical criteria are based. This act would also provide definitions for the terms “generally accepted standards of care” and “nonprofit professional provider association.”
- This act would take effect upon passage.
