RELATING TO HUMAN SERVICES -- HOMELESSNESS EMPLOYMENT PROGRAM

Introduced By: Representatives Read, Noret, Furtado, Shekarchi, Casimiro, Bennett,  
Potter, and Voas

Date Introduced: March 03, 2026

Referred To: House Municipal Government & Housing

It is enacted by the General Assembly as follows:

1 SECTION 1. Legislative findings.

2 The General Assembly finds and declares:

3 (1) Homelessness remains a significant challenge affecting individuals and families  
4 throughout the State of Rhode Island, creating barriers to stable employment, housing, and self-  
5 sufficiency;

6 (2) Individuals experiencing homelessness are frequently excluded from the workforce due  
7 to lack of permanent address, transportation, access to identification documents, or recent work  
8 history;

9 (3) Gainful employment, even on a short-term or transitional basis, can improve self-  
10 esteem, provide income, build work history, and serve as a pathway toward long-term housing  
11 stability;

12 (4) Day-labor and transitional employment programs implemented in other jurisdictions  
13 have demonstrated success in providing immediate, low-barrier employment opportunities for  
14 individuals experiencing homelessness while simultaneously improving public spaces;

15 (5) Beautification, sanitation, and cleanup projects benefit the public health, safety, and  
16 quality of life of Rhode Island communities; and

17 (6) It is in the public interest to establish a pilot program that pairs paid employment for  
18 individuals experiencing homelessness with community beautification and cleanup efforts, while  
19 connecting participants to supportive services.
