EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO HUMAN SERVICES -- MEDICAL ASSISTANCE

1 This act would require Rhode Island Medicaid to cover services provided by licensed
2 certified professional midwives and to collect utilization and cost data, while allowing limits
3 consistent with Medicaid rules. The executive office of health and human services (EOHHS) would
4 have the authority to submit an amendment to the state plan or seek a waiver to provide this
5 coverage.

6 This act would take effect upon passage.
