23 **21-28.11-31. Social equity assistance program and fund.**

24 (a)(1) **Findings.** The general assembly finds that additional efforts are needed to reduce
25 barriers to ownership and/or participation in the cannabis industry for individuals and communities
26 most adversely impacted by the enforcement of cannabis-related laws.

27 (2) In the interest of establishing a legal cannabis industry that is equitable and accessible
28 to those most adversely impacted by the enforcement of cannabis-related laws, the general
29 assembly finds and declares that a social equity program should be established.

30 (3) The general assembly also finds and declares that individuals who have been arrested
31 or incarcerated due to cannabis related laws suffer long-lasting negative consequences, including
32 impacts to employment, business ownership, housing, health, and long-term financial well-being.

33 (4) The general assembly also finds and declares that family members, especially children,
34 and communities of those who have been arrested or incarcerated due to cannabis related laws,

1 suffer from emotional, psychological, and financial harms as a result of such arrests or
2 incarcerations.

3 (5) Furthermore, the general assembly finds and declares that certain communities have
4 disproportionately suffered the harms of enforcement of cannabis-related laws. Those communities
5 face greater difficulties accessing capital to finance the start-up costs for cannabis establishments.

6 (6) The general assembly also finds that individuals who have resided in areas of high
7 poverty suffer negative consequences, including barriers to entry in employment, business
8 ownership, housing, health, and long-term financial well-being.

9 (7) The general assembly also finds and declares that promotion of business ownership by
10 individuals who have resided in areas of high poverty and high enforcement of cannabis-related
11 laws furthers a more equitable cannabis industry.

12 (8) Therefore, in the interest of mitigating the harms resulting from the enforcement of
13 cannabis-related laws, the general assembly finds and declares that a social equity program should
14 offer, among other things, business assistance and license application benefits to individuals most
15 directly and adversely impacted by the enforcement of cannabis-related laws who are interested in
16 establishing or participating in a cannabis business entity.

17 (9) Therefore, in the interest of mitigating the emotional, psychological, and financial
18 harms resulting from the enforcement of cannabis-related laws, the general assembly finds and
19 declares that some revenue from the cannabis industry should be returned to disproportionately
20 impacted areas.

21 (i) A dedicated disproportionately impacted areas investment fund shall be established
22 within the general fund, separate and apart from other state monies subject to appropriation. This
23 fund shall be used for the following purposes:

25 beautification initiatives, development of affordable housing, tenant-led housing co-ops,
26 emergency rent assistance, legal defense fund, rent-to-own programs, and homeownership

1 learning (SEL) and workforce development, parent and caregiver education program especially for
2 parents who were previously incarcerated, and teacher recruitment and retention programs in
3 disproportionately impacted areas as determined by the commission.

4 (C) To provide funding for health subsidies including, improving and establishing clinics
5 and mobile health units, mental health treatment, safe-use sites, maternal and child health services,
6 upkeep and development of community gardens, food education and nutrition classes, sexual health
7 education and resources, health literacy programs, and in-home health services for elderly and
8 disabled residents in disproportionately impacted areas as determined by the commission

9 ~~(b) There is created in the state treasury within the general fund, a fund which shall be held~~
10 ~~separate and apart from all other state monies, to be known as the social equity assistance fund.~~
11 ~~The social equity assistance fund, subject to appropriation, shall be exclusively used for the~~
12 ~~following purposes~~ A dedicated social equity assistance fund shall be established within the general
13 fund, separate and apart from other state monies subject to appropriation. This fund shall be used
14 for the following purposes:

15 (1) To provide grants to approved social equity applicants to pay for ordinary and necessary
16 expenses to establish and/or operate a cannabis establishment, and to also further promote the goals
17 of this chapter, including without limitation, job training and workforce development, mentoring
18 services and technical assistance;

19 (2) To support the waiver or reduction of application and licensing fees pursuant to this
20 section for social equity applicants; and

22 rehabilitation and education workforce development for jobs related to cannabis cultivation,
23 transportation, distribution and sales.

24 (c) The social equity assistance fund ~~shall be subject to appropriation. The fund shall~~
25 ~~consist of all monies received on account of the state as a result of application for, and licensing of,~~
26 ~~individuals and entities pursuant to the provisions of this chapter, exclusive of licensing fees paid~~
27 ~~pursuant to the provisions of chapter 28.6 of this title. Additionally, except as otherwise provided,~~
28 ~~the fund shall consist of all administrative penalties received for violations of this chapter, except~~
