(f) Notwithstanding the provisions of Section 42-61-15, but subject to Section 42-61.2-7(h), the allocation of net table-game revenue derived from table games at the Lincoln gaming facility is as follows:

(1) For deposit into the state lottery fund for administrative purposes and then the balance remaining into the general fund:

(i) Sixteen percent (16%) of net table-game revenue, except as provided in Section 42-61.2-7(f)(1)(ii);

(ii) An additional two percent (2%) of net table-game revenue generated at the Lincoln gaming facility shall be allocated starting from the commencement of table games activities by such table-game retailer and ending, with respect to such table-game retailer, on the first date that
such table-game retailer's net terminal income for a full state fiscal year is less than such table-

allocation to the state shall no longer apply to such table-game retailer.

(2) To UTGR, net table-game revenue not otherwise disbursed pursuant to subsection
(f)(1); provided, however, on the first date that such table-game retailer's net terminal income for a

($3,000,000) in the state fiscal year from net table-game revenues and net terminal income,
combined, generated by the Tiverton gaming facility ("Tiverton Minimum"), then the state shall
make up such shortfall to the town of Tiverton out of the state's percentage of net table-game

the Tiverton Minimum, if applicable, shall be prorated per day of such closure and any closure(s)

1. Subject to subsection (h)(2), one percent (1%) of net table-game revenue shall be allocated to the town of Lincoln;

2. Fifteen and one-half percent (15.5%) of net table-game revenue shall be allocated to the state first for deposit into the state lottery fund for administrative purposes and then the balance remaining into the general fund; provided however, that beginning with the first state fiscal year that the Tiverton gaming facility offers patrons video lottery games and table games for all of such state fiscal year, for that state fiscal year and each subsequent state fiscal year that the Tiverton gaming facility offers patrons video lottery games and table games for all of such state fiscal year, if the town of Lincoln has not received an aggregate of three million dollars ($3,000,000) in the state fiscal year from net table-game revenues and net terminal income, combined, generated by the Lincoln gaming facility (“Lincoln Minimum”), then the state shall make up such shortfall to the town of Lincoln out of the state’s percentage of net table-game revenue set forth in this subsection (h)(2) and net terminal income set forth in subsections (a)(1) and (a)(6), so long as that there has not been a closure of the Tiverton gaming facility for more than thirty (30) consecutive days during such state fiscal year, and, if there has been such a closure, then the Lincoln Minimum, if applicable, shall be prorated per day of such closure and any closure(s) thereafter for that state fiscal year; provided further however, if in any state fiscal year either video lottery games or table games are no longer offered at the Tiverton gaming facility, then the state shall not be obligated to make up the shortfall referenced in this subsection (h)(2); and

shall be disregarded in computing the contributions carryover for any subsequent taxable year;

(v) For any taxable year for which a contributions carryover is applicable, the taxpayer
