29 obligations to the facility operator or any lienholder of record, the vessel owner remains liable to

10 subsection (7) of this section.

11 The licensed process server will provide an affidavit detailing the attempts at personal

17 for the benefit of and at the direction of that lienholder and may not deliver possession of the vessel  
18 to the vessel owner. Unless the facility operator and the lienholder enter into a new storage  
19 agreement, the lienholder shall arrange removal of the vessel from the facility forthwith. Absent a  
20 new storage agreement with the lienholder, where the lienholder fails to remove the vessel from  
21 the facility within fourteen (14) days of its payment, the facility operator, without prejudice to any  
22 other remedy, may assess and collect storage charges from the lienholder at three (3) times its

27 obligations incurred by the storage of the vessel or any claims related to the vessel and in such  
28 complaint objects to the enforcement of the lien and sets forth the legal reasons why the lien should  
29 not be enforced. The enforcement action shall not resume until either the civil action is resolved or  
30 the court enters an order permitting the enforcement action to proceed.

31 SECTION 2. Section 34-46-7 of the General Laws in Chapter 34-46 entitled "Dry Dock
