All identification card recipients shall be notified of their right to decline to automatically consent to their organ donation or the option to consent to organ and tissue donation in accordance with § 31-10.1-8. Only a "yes" or affirmative response will be noted. Information held by the division of motor vehicles regarding a person's automatic consent to donate shall constitute the "Rhode Island Donor Registry." This information will be made available to all federally designated organ procurement organizations and law enforcement organizations twenty-four (24) hours a day via a password protected Internet connection and will only be used to facilitate anatomical gifts in accordance with the Revised Uniform Anatomical Gift Act, chapter 18.6.1 of title 23.

18 evidence that the licensee and/or the licensee's agent or servant acted in good faith in selling any
19 alcoholic beverage to the person producing the document as set forth in this section misrepresenting
20 his or her age.

21 (4) Proof of good-faith reliance on any misrepresentation is a defense to the prosecution of
