4 **16-7-20. Determination of state's share.**

5 (a) For each community the state's share shall be computed as follows: Let

6 R = state share ratio for the community.

7 v = adjusted equalized weighted assessed valuation for the community, as defined
8 in § 16-7-21(3).

10 m = average daily membership of pupils in the community as defined in § 16-7-

13 E = approved reimbursable expenditures for the community for the reference year
14 minus the excess costs of special education, tuitions, federal and state receipts, and other income.

15 Then the state share entitlement for the community shall be RE where

16 $R = 1 - 0.5vM/(Vm)$ through June 30, 2011, and $R = 1 - 0.475 vM/(Vm)$ beginning on
17 July 1, 2011 and thereafter.

18 Except that in no case shall R be less than zero percent (0%). Except further, that in any

2 (b) Whenever any funds are appropriated for educational purposes, the funds shall be used
3 for educational purposes only and all state funds appropriated for educational purposes must be

5 no event shall state funds be used to supplant, directly or indirectly, any money allocated by a city
6 or town for educational purposes. The courts of this state shall enforce this section by writ of
7 mandamus.

8 (c) Notwithstanding the calculations in subsection (a), the hospital school at the Hasbro
9 Children's Hospital shall be reimbursed one hundred percent (100%) of all expenditures approved
10 by the council on elementary and secondary education in accordance with currently existing rules
11 and regulations for administering state aid, and subject to annual appropriations by the general
12 assembly including, but not limited to, expenditures for educational personnel, supplies, and
13 materials in the prior fiscal year.

14 (d) In the event the computation of the state's share for any local education agency as
15 outlined in subsection (a) is determined to have been calculated incorrectly after the state budget
16 for that fiscal year has been enacted, the commissioner of elementary and secondary education shall
17 notify affected local education agencies, the senate president, and the speaker of the house within
18 fifteen (15) days of the determination.

19 (e) Realignment of aid payments to the affected local education agencies pursuant to

24 secondary education shall recapture some amount of the aid from the overpaid local education
25 agency. The amount to be withheld shall be equal to the amount of the overpayment prorated to the
26 number of full months remaining in the fiscal year when the notification required in subsection (d)
27 was made.
