(24) Whether the formula used in determining the value of the existing hospital was appropriate and reasonable which may include, but not be limited to, factors such as: the multiple factor applied to the “EBITDA” -- earnings before interest, taxes, depreciation, and amortization; the time period of the evaluation; price/earnings multiples; the projected efficiency differences between the existing hospital and the new hospital; and the historic value of any tax exemptions granted to the existing hospital;

(25) Whether the proposed conversion appropriately provides for the disposition of proceeds of the conversion that may include, but not be limited to:

(i) Whether an existing entity or a new entity will receive the proceeds;

(ii) Whether appropriate tax status implications of the entity receiving the proceeds have been considered;

(iii) Whether the mission statement and program agenda will be or should be closely related with the purposes of the mission of the existing hospital;

(iv) Whether any conflicts of interest arise in the proposed handling of the conversion's proceeds;

(v) Whether the bylaws and articles of incorporation have been prepared for the new entity;

(vi) Whether the board of any new or continuing entity will be independent from the new hospital;

(vii) Whether the method for selecting board members, staff, and consultants is appropriate;
(viii) Whether the board will comprise an appropriate number of individuals with experience in pertinent areas such as foundations, health care, business, labor, community programs, financial management, legal, accounting, grant making, and public members representing diverse ethnic populations and the interests of the affected community; and

(ix) Whether the size of the board and proposed length of board terms are sufficient;

(26) Whether the transacting parties are in compliance with the Charitable Trust Act, chapter 9 of title 18;

(27) Whether a right of first refusal to repurchase the assets has been retained;

(28) Whether the character, commitment, competence, and standing in the community, or any other communities served by the transacting parties, are satisfactory;

(29) Whether a control premium is an appropriate component of the proposed conversion;

(30) Whether the value of assets factored in the conversion is based on past performance or future potential performance; and

(31) Whether the proposed conversion is proper under chapter 36 of title 6 ("Rhode Island Antitrust Act");

(32) Whether the board established appropriate criteria for staffing levels post conversion, including any reduction in staffing, relocation of staffing, or additional staffing affecting the new hospital(s) and the existing hospital(s);

(34) Whether the board exercised due care concerning staffing levels post conversion to comply with state employment and labor laws, including chapter 5 of title 28 ("fair employment practices");

(35) Whether the board exercised due care in funding employee and retirement plans and pensions, including developing plans to fund unfunded liabilities for retirement plans and pensions for all employees, full-time or part-time;

(36) Whether the retirement and pensions plans are in compliance with the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. §§ 1001 et seq.; and

(37) Whether the board established appropriate criteria for any impact analysis for the affected communities both before conversion and after proposed conversion, including benefits to the community, economic impact, and staffing.
23-17.14-8. Review process and review criteria by department of health for conversions involving for-profit corporation as acquiror. Review process and review criteria by department of health for conversions involving for-profit corporation as acquiror and acquiree.

(a) The department of health shall review all proposed conversions involving a hospital in which one or more of the transacting parties involves a for-profit corporation as the acquiror and a not-for-profit corporation as the acquiree.

(b) In reviewing an application for a conversion involving hospitals in which one or more of the transacting parties is a for-profit corporation, as the acquiror the department of health shall consider the following criteria:

the community, economic impact, and staffing.

23-17.14-12.1. Expedited review for unaffiliated community hospitals or not-for-profit hospitals.

(a) Notwithstanding §§ 23-17.14-6(a) and 23-17.14-10 of this chapter, if a proposed conversion involves: (1) Two (2) or more hospitals that are not in common control with another hospital; or (2) One hospital not under common control with another hospital and a hospital system parent corporation; or (3) Two (2) affiliated hospitals the conversion of which was previously approved in accordance with this chapter and another hospital or hospital system parent corporation, or (4) One or more hospital(s) that are determined to be distressed as under subsection (a)(2) of this section, including hospitals that are part of a not-for-profit hospital system parent corporation, as acquiree, such conversion will be reviewed under an expedited review process conducted solely by the department of health (without derogation of the authority of the attorney general in accordance with § 23-17.14-21), only if the acquiree and acquiror are both nonprofit corporations exempt from taxation under section 501(a) of the United States Internal Revenue Service Code as organizations described in section 501(c)(3) of such code, or any successor provisions, and:

(1) The acquiree and acquiror are both nonprofit corporations that have directly or indirectly continuously operated at least one licensed hospital either in Rhode Island or in another jurisdiction either on its own or it is part of a healthcare system that has operated for at least the preceding three (3) years; and

(2) The combined hospitals of the acquiree and acquiror are licensed for not more than twenty percent (20%) of licensed hospitals in Rhode Island according to the department of health;

(3) The acquiree operates one or more distressed Rhode Island hospitals facing significant financial hardship that may impair its or their ability to continue to operate effectively without the proposed conversion and have been determined to be distressed by the director of health based upon whether the hospital(s) meets one or more of the following criteria:

(i) Operating loss for the two (2) most recently completed fiscal years;
(ii) Less than fifty (50) days cash-on-hand;
(iii) Current asset to liability ratio of less than one point five (1.5);
(iv) Long-term debt to capitalization greater than seventy-five percent (75%);
(v) Inpatient occupancy rate of less than fifty percent (50%);
(vi) Would be classified as below investment grade by a major rating agency.

(b) The transacting parties shall file an initial application pursuant to this section that shall include the following information with respect to each transacting party and the proposed conversion:

LC006134 - Page 16 of 20
(1) A detailed summary of the proposed conversion;

(2) Charter, articles of incorporation, or certificate of incorporation for the transacting parties and their affiliated hospitals, including amendments thereto;

(3) Bylaws and organizational charts for the transacting parties and their affiliated hospitals;

(4) Organizational structure for the transacting parties and each partner, affiliate, parent, subsidiary, or related legal entity in which either transacting party has a twenty percent (20%) or greater ownership interest or control;

(5) All documents, reports, meeting minutes, and presentations relevant to the transacting parties' board of directors' decision to propose the conversion;

(6) Conflict of interest policies and procedures;

(7) Copies of audited income statements, balance sheets, and other financial statements for the past three (3) years for the transacting parties and their affiliated hospitals where appropriate and to the extent they have been made public, audited interim financial statements and income statements together with detailed descriptions of the financing structure of the proposed conversion including equity contribution, debt restructuring, stock issuance, and partnership interests;

(8) Copies of reports analyzing the proposed conversion during the past three (3) years including, but not limited to, reports by appraisers, accountants, investment bankers, actuaries and other experts;

(9) Copies of current conflict of interest forms from all incumbent or recently incumbent officers, members of the board of directors or trustees and senior managers of the transacting parties; “incumbent or recently incumbent” means those individuals holding the position at the time the application is submitted and any individual who held a similar position within one year prior to the application's acceptance;

(10) Copies of all documents related to: (i) Identification of all current charitable assets; (ii) Accounting of all charitable assets for the past three (3) years; and (iii) Distribution of charitable assets for the past three (3) years including, but not limited to, endowments, restricted, unrestricted, and specific purpose funds as each relates to the proposed conversion;

(11) A description of the plan as to how the affiliated hospitals will provide consolidated healthcare services during the first three (3) years following the conversion;

(12) Copies of plans for all hospital departments and services that will be eliminated or significantly reduced during the first three (3) years following the conversion; and

(13) Copies of plans relative to staffing levels for all categories of employees during the
first three (3) years following the conversion.

(c) In reviewing an application under an expedited review process, the department shall consider the criteria in § 23-17.14-11.

(d) Within twenty (20) working days of receipt by the department of an application satisfying the requirements of subsection (b) above, the department will notify and afford the public an opportunity to comment on the application.

(e) The decision of the department shall be rendered within ninety (90) days of acceptance of the application under this section.

(f) Costs payable by the transacting parties under § 23-17.14-13 in connection with an expedited review by the department under this section shall not exceed twenty-five thousand dollars ($25,000) per one hundred million dollars ($100,000,000) of total net patient service revenue of the acquiree and acquiror in the most recent fiscal year for which audited financial statements are available.

(g) Following a conversion, the new hospital shall provide on or before March 1 of each calendar year a report in a form acceptable to the director and attorney general containing all updated financial information required to be disclosed pursuant to subsection (b)(7) of this section.

(h) If an expedited review is performed by the department pursuant to this section, the department of attorney general shall perform a review of the proposed transaction pursuant to § 23-17.14-10(b) and the criteria for conversions limited to not-for-profits. The attorney general's review shall be done concurrently with the department of health review and shall not extend the length of the review process. For this review, the department of attorney general shall be entitled to costs in accordance with § 23-17.14-13 and subsection (f) of this section.

The department may adopt rules, including measurable standards, as may be necessary to accomplish the purpose of this chapter. In doing so, the department shall review other departmental regulations that may have duplicative requirements, including change of effective control regulations and processes, determination of need requirements and application requirements under § 23-17.14-18, if applicable, and may streamline the process by eliminating duplicative requirements and providing for concurrent regulatory review and combined hearings to the maximum extent possible to promote efficiency and avoid duplication of effort and resources. If such duplicative requirements, including change of effective control regulations and processes, determination of need requirements and application requirements under §23-17.14-18, and any other are utilized to streamline the process, then the department of health shall include the findings and decisions of those duplicative requirements within the written decision of this chapter.

23-17.14-12. Review process by department of health for conversions involving for-profit hospital as the acquiree.

The department of health shall review all proposed conversions involving a for-profit hospital as the acquiree and either a for-profit corporation or a not-for-profit hospital or corporation as the acquiror in accordance with the provisions for change of effective control pursuant to §§ 23-17.14.3 and 23-17.14.4.

SECTION 3. This act shall take effect upon passage, and shall apply to all applications pending on or after the effective date and to future applications.
This act would require the transacting parties and the new hospital seeking conversion to supply additional information in their application for review by the department of health and the department of the attorney general relating to staffing levels, pension plans and impact for the affected communities before and after the proposed conversion.

This act would take effect upon passage, and would apply to all applications pending on or after the effective date and to future applications.
