It is enacted by the General Assembly as follows:

SECTION 1. Title 2 of the General Laws entitled "AGRICULTURE AND FORESTRY" is hereby amended by adding thereto the following chapter:

CHAPTER 28
ORGANIC FARMING AND CERTIFICATION PROGRAM

2-28-1. Short title.
This chapter shall be known and may be cited as the "Organic Farming and Certification Program."

2-28-2. Organic farming and certification program.
(a) The department of environmental management shall establish an organic farming and certification program and shall establish rules and regulations for this purpose. The organic farming and certification program shall:

(1) Assist in the marketing of Rhode Island grown organic agricultural products for the purpose of sale and promotion within the State of Rhode Island or United States;

(2) Enhance the economic competitiveness of Rhode Island grown organic agricultural products;

(3) Provide financial and technical assistance support to organic farmers for the activities and programs which enhance the economic viability of local organic agriculture, and support the development of a locally based, safe and sustainable organic food system;
(4) Provide individual farm grants to small or beginning Rhode Island organic farmers that support the entry or sustainability within the industry;

(5) Work with the state department of health for the certification of organic farmers and organizations and to further develop and support food safety related programs and standards pertaining to local organic agriculture;

(6) Ensure that any funding received from the federal Specialty Crop Block Grant is allocated to this program; and

(7) Perform other activities necessary to facilitate the success and viability of the state’s organic agricultural sector.

2-28-3. Program funding.

There shall hereby be annually appropriated, out of money in the treasury not otherwise appropriated, the sum of two hundred fifty thousand dollars ($250,000) for the purposes of administering the provisions of this chapter.

2-28-4. Program staffing -- Full-time employee.

In carrying out the provisions of this chapter, the department of environmental management shall designate one full-time employee who shall be assigned exclusively to the organic farming and certification program.

SECTION 2. This act shall take effect upon passage.
