2 (c) Nothing in this section shall be construed in a manner to discourage or prohibit an  
3 employer from the adoption of a workweek policy that provides greater rights or benefits than those  
4 provided pursuant to this section.

5 (d) Nothing in this section shall be construed as diminishing the obligation of an employer  
6 to comply with any contract, collective bargaining agreement, or employment benefit plan.

7 (e) Time spent commuting to and from the first place at which an employee's presence is  
8 required by the employer shall not be considered to be a part of a day's work.

21 an average workweek. An average workweek shall be calculated utilizing the prior consecutive

9 paid at the regular rate earned by the employee at the time of payment. At the time of termination,

29 to ultimate purchasers, to the extent that the employers are exempt under the Fair Labor Standards  
30 Act of 1938, 29 U.S.C. § 213(b)(10); provided, that the employee's weekly, biweekly, or monthly  
31 actual earnings exceed an amount equal to the employee's basic contractual hourly rate of pay times

11 entitled to overtime pay or benefits related to overtime pay.

12 SECTION 4. Sections 28-44-69 and 28-44-70 of the General Laws in Chapter 28-44  
13 entitled "Employment Security — Benefits" are hereby amended to read as follows:

14 **28-44-69. Work-sharing benefits.**

15 (a) Definitions. As used in this section, unless the context clearly requires otherwise:

16 (1) "Affected unit" means a specified plant, department, shift, or other definable unit  
17 consisting of two (2) or more employees to which an approved work-sharing plan applies.

18 (2) "Eligible employee" means an individual who usually works for the employer  
19 submitting a work-sharing plan.

20 (3) "Eligible employer" means any employer who or that has had contributions credited to  
21 the employer's account and benefits have been chargeable to this account, or who or that has elected  
22 to reimburse the fund in lieu of paying contributions, and who or that is not delinquent in the  
23 payment of contributions or reimbursements as required by chapters 42 — 44, inclusive of this title.

24 (4) "Fringe benefits" include, but are not limited to: health insurance, retirement benefits,  
25 paid vacation and holidays, sick leave, and similar advantages that are incidents of employment.

26 (5) "Intermittent employment" means employment that is not continuous but may consist  
27 of periodic intervals of weekly work and intervals of no weekly work.

28 (6) "Seasonal employment" means employment with an employer who or that displays a  
29 twenty percent (20%) difference between its highest level of employment and its lowest level of  
30 employment each year for the three (3) previous calendar years as reported to the department of  
31 labor and training, or as shown in the information that is available and satisfactory to the director.

32 (7) "Temporary employment" means employment where an employee is expected to  
33 remain in a position for only a limited period of time and/or is hired by a temporary agency to fill  
34 a gap in an employer's workforce.

1 (8) "Usual weekly hours of work" means the normal hours of work each week for an  
2 employee in an affected unit when that unit is operating on a full-time basis, not to exceed ~~forty~~  
3 ~~(40)~~ thirty-two (32) hours and not including overtime.

4 (9) "Work-sharing benefits" means benefits payable to employees in an affected unit under  
5 an approved work-sharing plan.

6 (10) "Work-sharing employer" means an employer with an approved work-sharing plan in  
7 effect.

8 (11) "Work-sharing plan" means a plan submitted by an employer under which there is a  
9 reduction in the number of hours worked by the employees in the affected unit in lieu of layoffs of  
10 some of the employees.

11 (b) Criteria for approval of a work-sharing plan. An employer wishing to participate in the  
12 work-sharing program shall submit a signed, written work-sharing plan to the director for approval.  
13 The director shall approve a work-sharing plan only if the following requirements are met:

14 (1) The plan identifies the affected unit, or units, and specifies the effective date of the  
15 plan;

16 (2) The employees in the affected unit, or units, are identified by name; social security  
17 number; the usual weekly hours of work; proposed wage and hour reduction; and any other  
18 information that the director shall require;

19 (3) The plan certifies that the reduction in the usual weekly hours of work is in lieu of  
20 layoffs that would have affected at least 10 percent (10%) of the employees in the affected unit, or  
21 units, to which the plan applies and that would have resulted in an equivalent reduction in work  
22 hours;

23 (4) The usual weekly hours of work for employees in the affected unit, or units, are reduced  
24 by not less than 10 percent (10%) and not more than 50 percent (50%);

25 (5) If the employer provides health benefits and/or retirement benefits under a defined-  
26 benefit plan as defined in 26 U.S.C. § 414(j) of the Internal Revenue Code or contributions under  
27 a defined-contribution plan as defined in 26 U.S.C. § 414(i) of the Internal Revenue Code to any  
28 employee whose workweek is reduced under the program, the employer certifies that these benefits  
29 will continue to be provided to employees participating in the work-sharing program under the  
30 same terms and conditions as though the workweek of such employee had not been reduced or to  
31 the same extent as other employees not participating in the work-sharing program;

32 (6) In the case of employees represented by a collective bargaining agent or union, the plan  
33 is approved in writing by the collective bargaining agents or unions that cover the affected  
34 employees. In the absence of any collective bargaining agent or union, the plan must contain a

1 certification by the employer that the proposed plan, or a summary of the plan, has been made  
2 available to each employee in the affected unit;

3 (7) The plan will not serve as a subsidy of seasonal employment during the off season, nor  
4 as a subsidy for temporary or intermittent employment;

5 (8) The employer agrees to furnish reports relating to the proper conduct of the plan and  
6 agrees to allow the director, or his or her authorized representatives, access to all records necessary  
7 to verify the plan prior to approval and, after approval, to monitor and evaluate application of the  
8 plan;

9 (9) The employer describes the manner in which the requirements of this section will be  
10 implemented (including a plan for giving notice, where feasible, to an employee whose workweek  
11 is to be reduced) together with an estimate of the number of layoffs that would have occurred absent  
12 the ability to participate in the work-sharing program and such other information as the director of  
13 the department of labor and training determines is appropriate;

14 (10) The employer attests that the terms of the employer's written plan and implementation  
15 are consistent with the employer's obligations under applicable federal and state laws; and

16 (11) In addition to the matters previously specified in this section, the director shall take  
17 into account any other factors that may be pertinent to proper implementation of the plan.

18 (c) Approval or rejection of the plan. The director shall approve or reject a plan in writing.  
19 The reasons for rejection shall be final and not subject to appeal. The employer shall be allowed to  
20 submit another plan for consideration and that determination will be made based upon the new data  
21 submitted by the interested employer.

22 (d) Effective date and duration of the plan. A work-sharing plan shall be effective on the  
23 date that is mutually agreed upon by the employer and the director, which shall be specified in the  
24 notice of approval sent to the employer. It shall expire at the end of the twelfth, full-calendar month  
25 after its effective date, or on the date specified in the plan if that date is earlier; provided that the  
26 plan is not previously revoked by the director. If a plan is revoked by the director, it shall terminate  
27 on the date specified in the director's written order of revocation.

28 (e) Revocation of approval. The director may revoke approval of a work-sharing plan for  
29 good cause. The revocation order shall be in writing and shall specify the date the revocation is  
30 effective and the reasons for it. The revocation order shall be final and not subject to appeal.

31 (1) Good cause shall include, but not be limited to: (i) Failure to comply with assurances  
32 given in the plan; (ii) Unreasonable revision of productivity standards for the affected unit; (iii)  
33 Conduct or occurrences tending to defeat the intent and effective operation of the plan; and (iv)  
34 Violation of any criteria on which approval of the plan was based.

1 (2) The action may be taken at any time by the director on his or her own motion; on the  
2 motion of any of the affected unit's employees; or on the motion of the collective bargaining agent  
3 or agents. The director shall review the operation of each qualified employer plan at least once  
4 during the period the plan is in effect to assure its compliance with the work-sharing requirements.

5 (f) Modification of the plan. An operational approved, work-sharing plan may be modified  
6 by the employer with the consent of the collective bargaining agent or agents, if any, if the  
7 modification is not substantial and is in conformity with the plan approved by the director, provided  
8 the modifications are reported promptly to the director by the employer. If the hours of work are  
9 increased or decreased substantially beyond the level in the original plan, or any other conditions  
10 are changed substantially, the director shall approve or disapprove the modifications without  
11 changing the expiration date of the original plan. If the substantial modifications do not meet the  
12 requirements for approval, the director shall disallow that portion of the plan in writing. The  
13 decision of the director shall be final and not subject to appeal.

14 (g) Eligibility for work-sharing benefits. An individual is eligible to receive work-sharing  
15 benefits, subsequent to serving a waiting period as prescribed by the director, with respect to any  
16 week only if, in addition to meeting other conditions of eligibility for regular benefits under this  
17 title that are not inconsistent with this section, the director finds that:

18 (1) During the week, the individual is employed as a member of an affected unit under an  
19 approved work-sharing plan that was approved prior to that week, and the plan is in effect with  
20 respect to the week for which work-sharing benefits are claimed.

21 (2) The individual is able to work and is available for the normal workweek with the work-  
22 sharing employer.

23 (3) Notwithstanding any other provisions of this chapter to the contrary, an individual is  
24 deemed unemployed in any week for which remuneration is payable to him or her as an employee  
25 in an affected unit for less than his or her normal weekly hours of work as specified under the  
26 approved work-sharing plan in effect for the week.

27 (4) Notwithstanding any other provisions of this title to the contrary, an individual shall  
28 not be denied work-sharing benefits for any week by reason of the application of provisions relating  
29 to the availability for work and active search for work with an employer other than the work-sharing  
30 employer.

31 (5) Notwithstanding any other provisions of this title to the contrary, eligible employees  
32 may participate, as appropriate, in training (including employer-sponsored training or worker  
33 training funded under United States Public Law 113-128, the Workforce Innovation and  
34 Opportunity Act of 2014 (29 U.S.C. § 3101 et seq.)) to enhance job skills if such program has been

1 approved by the state agency.

2 (h) Work-sharing benefits.

3 (1) The work-sharing weekly benefit amount shall be the product of the regular, weekly  
4 benefit rate, including any dependents' allowances, multiplied by the percentage reduction in the  
5 individual's usual weekly hours of work as specified in the approved plan. If the work-sharing,  
6 weekly benefit amount is not an exact multiple of one dollar (\$1.00), then the weekly benefit  
7 amount shall be rounded down to the next, lower multiple of one dollar (\$1.00).

8 (2) An individual may be eligible for work-sharing benefits or regular unemployment  
9 compensation, as appropriate, except that no individual shall be eligible for combined benefits in  
10 any benefit year in an amount more than the maximum entitlement established for unemployment  
11 compensation, nor shall an individual be paid work-sharing benefits for more than fifty-two (52)  
12 weeks, whether or not consecutive, in any benefit year pursuant to an approved work-sharing plan.

13 (3) The work-sharing benefits paid shall be deducted from the maximum-entitlement  
14 amount established for that individual's benefit year.

15 (4) If an employer approves time off and the worker has performed some work during the  
16 week, the individual is eligible for work-sharing benefits based on the combined work and paid  
17 leave hours for that week. If the employer does not grant time off, the question of availability must  
18 be investigated.

19 (5) If an employee was sick and consequently did not work all the hours offered by the  
20 work-sharing employer in a given week, the employee will be denied work-sharing benefits for that  
21 week.

22 (6) Claims for work-sharing benefits shall be filed in the same manner as claims for  
23 unemployment compensation or as prescribed in regulations by the director.

24 (7) Provisions applicable to unemployment compensation claimants shall apply to work-  
25 sharing claimants to the extent that they are not inconsistent with the established work-sharing  
26 provisions. An individual who files an initial claim for work-sharing benefits shall be provided, if  
27 eligible for benefits, a monetary determination of entitlement to work-sharing benefits and shall  
28 serve a waiting week.

29 (8) If an individual works in the same week for an employer other than the work-sharing  
30 employer, the individual's work-sharing benefits shall be computed in the same manner as if the  
31 individual worked solely with the work-sharing employer. If the individual is not able to work, or  
32 is not available for the normal workweek with the work-sharing employer, then no work-sharing  
33 benefits shall be payable to that individual for that week.

34 (9) An individual who performs no services during a week for the work-sharing employer

1 and is otherwise eligible shall be paid the full, weekly unemployment compensation amount. That  
2 week shall not be counted as a week with respect to which work-sharing benefits were received.

3 (10) An individual who does not work for the work-sharing employer during a week, but  
4 works for another employer and is otherwise eligible, shall be paid benefits for that week under the  
5 partial unemployment compensation provisions of this chapter. That week shall not be counted as  
6 a week with respect to which work-sharing benefits were received.

7 (11) Nothing in the section shall preclude an otherwise eligible individual from receiving  
8 total or partial unemployment benefits when the individual's work-sharing benefits have been  
9 exhausted.

10 (i) Benefit charges. Work-sharing benefits shall be charged to employer accounts in the  
11 same manner as regular benefits in accordance with the provisions of §§ 28-43-3 and 28-43-29.  
12 Notwithstanding the above, any work-sharing benefits paid on or after July 1, 2013, that are eligible  
13 for federal reimbursement, shall not be chargeable to employer accounts and employers liable for  
14 payments in lieu of contributions shall not be responsible for reimbursing the employment security  
15 fund for any benefits paid to their employees on or after July 1, 2013, that are reimbursed by the  
16 federal government.

17 (j) Extended benefits. An individual who has received all of the unemployment  
18 compensation or combined unemployment compensation and work-sharing benefits available in a  
19 benefit year shall be considered an exhaustee for purposes of extended benefits, as provided under  
20 the provisions of § 28-44-62, and, if otherwise eligible under those provisions, shall be eligible to  
21 receive extended benefits.

22 (k) Severability. If any provision of this section, or its application to any person or  
23 circumstance, is held invalid under federal law, the remainder of the section and the application of  
24 that provision to other persons or circumstances shall not be affected by that invalidity.

25 **28-44-70. Entrepreneurial training assistance program.**

26 (a) Definitions. As used in this section, unless the context clearly requires otherwise:

27 (1) "Emergency unemployment compensation" means benefits, including dependents'  
28 allowances, payable to an individual as authorized by the Unemployment Compensation Extension  
29 Act of 2008 and in accordance with regulations established by the Secretary of Labor.

30 (2) "Employment assistance activities" means activities, including entrepreneurial training,  
31 business counseling, and technical assistance, approved by the director in which an individual  
32 identified through a worker profiling system as likely to exhaust regular benefits participates for  
33 the purpose of establishing a business and become self-employed.

34 (3) "Employment assistance allowance" means an allowance payable in lieu of regular

1 benefits from the fund or an allowance payable in lieu of emergency unemployment compensation  
2 benefits to an individual participating in employment assistance activities who meets the  
3 requirements of this section.

4 (4) “Entrepreneurial training assistance program” means a program administered by the  
5 director under which an eligible individual may receive employment assistance allowances  
6 pursuant to the provisions of this section.

7 (5) “Full-time basis” means that the individual is devoting such amount of time as is  
8 customary to establish a business that will serve as a full-time occupation for that individual, but in

19 SECTION 5. Sections 28-57-5 and 28-57-14 of the General Laws in Chapter 28-57 entitled  
20 "Healthy and Safe Families and Workplaces Act" are hereby amended to read as follows:

21 **28-57-5. Accrual of paid sick and safe leave time.**

22 (a) All employees employed by an employer of eighteen (18) or more employees in Rhode  
23 Island shall accrue a minimum of one hour of paid sick and safe leave time for every thirty five  
24 (35) hours worked up to a maximum of twenty-four (24) hours during calendar year 2018, thirty-  
25 two (32) hours during calendar year 2019, and up to a maximum of ~~forty (40)~~ thirty-two (32) hours  
26 per year thereafter, unless the employer chooses to provide a higher annual limit in both accrual  
27 and use. In determining the number of employees who are employed by an employer for  
28 compensation, all employees defined in § 28-57-3(7) shall be counted.

29 (b) Employees who are exempt from the overtime requirements under 29 U.S.C. §  
30 213(a)(1) of the federal Fair Labor Standards Act, 29 U.S.C. § 201 et seq., will be assumed to work  
31 ~~forty (40)~~ thirty-two (32) hours in each workweek for purposes of paid sick and safe leave time  
32 accrual unless their normal workweek is less than ~~forty (40)~~ thirty-two (32) hours, in which case  
33 paid sick and safe leave time accrues based upon that normal workweek.

34 (c) Paid sick and safe leave time as provided in this chapter shall begin to accrue at the

1 commencement of employment or pursuant to the law's effective date [July 1, 2018], whichever is  
2 later. An employer may provide all paid sick and safe leave time that an employee is expected to  
3 accrue in a year at the beginning of the year.

4 (d) An employer may require a waiting period for newly hired employees of up to ninety  
5 (90) days. During this waiting period, an employee shall accrue earned sick time pursuant to this  
6 section or the employer's policy, if exempt under § 28-57-4(b), but shall not be permitted to use  
7 the earned sick time until after he or she has completed the waiting period.

8 (e) Paid sick and safe leave time shall be carried over to the following calendar year;  
9 however, an employee's use of paid sick and safe leave time provided under this chapter in each  
10 calendar year shall not exceed twenty-four (24) hours during calendar year 2018, and thirty-two  
11 (32) hours during calendar year 2019, and ~~forty (40)~~ thirty-two (32) hours per year thereafter.  
12 Alternatively, in lieu of carryover of unused earned paid sick and safe leave time from one year to  
13 the next, an employer may pay an employee for unused earned paid sick and safe leave time at the  
14 end of a year and provide the employee with an amount of paid sick and safe leave that meets or  
15 exceeds the requirements of this chapter that is available for the employee's immediate use at the  
16 beginning of the subsequent year.

17 (f) Nothing in this chapter shall be construed as requiring financial or other reimbursement  
18 to an employee from an employer upon the employee's termination, resignation, retirement, or  
19 other separation from employment for accrued paid sick and safe leave time that has not been used.

20 (g) If an employee is transferred to a separate division, entity, or location within the state,  
21 but remains employed by the same employer as defined in 29 C.F.R. § 791.2 of the federal Fair  
22 Labor Standards Act, 29 U.S.C. § 201 et seq., the employee is entitled to all paid sick and safe leave  
23 time accrued at the prior division, entity, or location and is entitled to use all paid sick and safe  
24 leave time as provided in this act. When there is a separation from employment and the employee  
25 is rehired within one hundred thirty-five (135) days of separation by the same employer, previously  
26 accrued paid sick and safe leave time that had not been used shall be reinstated. Further, the  
27 employee shall be entitled to use accrued paid sick and safe leave time and accrue additional sick  
28 and safe leave time at the re-commencement of employment.

29 (h) When a different employer succeeds or takes the place of an existing employer, all  
30 employees of the original employer who remain employed by the successor employer within the  
31 state are entitled to all earned paid sick and safe leave time they accrued when employed by the  
32 original employer, and are entitled to use earned paid sick and safe leave time previously accrued.

33 (i) At its discretion, an employer may loan sick and safe leave time to an employee in  
34 advance of accrual by such employee.

1 (j) Temporary employees shall be entitled to use accrued paid sick and safe leave time  
2 beginning on the one hundred eightieth (180) calendar day following commencement of their  
3 employment, unless otherwise permitted by the employer. On and after the one hundred eightieth  
4 (180) calendar day of employment, employees may use paid sick and safe leave time as it is  
5 accrued. During this waiting period, an employee shall accrue earned sick time pursuant to this  
6 chapter, but shall not be permitted to use the earned sick time until after he or she has completed  
7 the waiting period.

8 (k) Seasonal employees shall be entitled to use accrued paid sick and safe leave time  
9 beginning on the one hundred fiftieth (150) calendar day following commencement of their  
10 employment, unless otherwise permitted by the employer. On and after the one hundred fiftieth  
11 (150) calendar day of employment, employees may use paid sick and safe leave time as it is  
12 accrued. During this waiting period, an employee shall accrue earned sick time pursuant to this  
13 chapter, but shall not be permitted to use the earned sick time until after he or she has completed  
14 the waiting period.

15 **28-57-14. Allowable substitution of employers' paid sick and safe leave time.**

16 (a) Employers may have different paid leave policies for different groups of employees,  
17 provided that all policies meet the minimum requirements of this chapter.

18 (b) Employers who or that prefer not to track accrual of paid sick and safe leave time over  
19 the course of the benefit year may also use the following schedules for providing lump sums of sick  
20 leave or paid time off to their employees. Employers using these schedules will be in compliance  
21 even if an employee's hours vary from week to week. For employees working an average of:

- 22 (1) ~~Thirty-seven and one-half (37.5) to forty (40)~~ Thirty-two (32) hours per week, provide  
23 eight (8) hours per month for five (5) months;
- 24 (2) Thirty (30) hours per week, provide five (5) hours per month for eight (8) months;
- 25 (3) Twenty-four (24) hours per week, provide four (4) hours per month for ten (10) months;
- 26 (4) Twenty (20) hours per week, provide four (4) hours per month for nine (9) months;
- 27 (5) Sixteen (16) hours per week, provide three (3) hours per month for ten (10) months;
- 28 (6) Ten (10) hours per week, provide two (2) hours per month for ten (10) months;
- 29 (7) Five (5) hours per week, provide one hour per month for ten (10) months.

30 (c) In the case of an employer whose regular work day for full-time employees is less than  
31 eight (8) hours per day, if the employer provides five (5) days of paid sick and safe time leave  
32 consisting of the number of hours per day that constitute that full-time employee's work day and  
33 provides them at the beginning of the year, the employer shall be in compliance with this  
34 subsection.

1 (d) Employers who or that provide forty (40) or more hours of paid time off or vacation to  
2 employees that also may be used as paid sick and safe leave, consistent with this section, shall not  
3 be required to provide additional sick leave to employees who use all their time for other purposes  
4 and have need of paid sick and safe leave later in the year, provided that the employers' leave  
5 policies make clear that additional time will not be provided.
