A N A C T

RELATING TO HEALTH AND SAFETY -- DEPARTMENT OF HEALTH

Introduced By: Representatives Donovan, Speakman, Boylan, Spears, Tanzi, Kislak, Giraldo, Stewart, Fogarty, and Carson

Date Introduced: February 11, 2026

Referred To: House Health & Human Services

(Dept. of Health)

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 23-1-44 of the General Laws in Chapter 23-1 entitled "Department
2 of Health" is hereby amended to read as follows:

3 **23-1-44. Routine childhood and adult immunization vaccines.**

4 (a) The department of health shall include in the department's immunization program those
5 vaccines for routine childhood immunization as recommended by the Advisory Committee for
6 Immunization Practices (ACIP) and the Academy of Pediatrics (AAP) or as determined by the
7 director of the department of health to be necessary to protect the public health, and for routine
8 adult immunization as recommended by the ACIP, or as determined by the director of the
9 department of health to be necessary to protect the public health ~~to the extent permitted by available~~
10 ~~funds~~. The immunization program includes administrative and quality assurance services and the
11 Rhode Island Child and Adult Immunization Registry (RICAIR), a confidential, computerized
12 information system that is used to manage statewide immunizations, for all persons in Rhode
13 Island.

14 (b) The director of the department of health shall appoint an advisory committee that will
15 be convened ~~after the ACIP makes a recommendation regarding immunization~~ at the discretion of
16 the director. The committee will review the ACIP recommendations ~~for the state~~ and director-
17 initiated proposals for the state; assess the vaccine cost and feasibility; and advise the director of
18 health and the office of the health insurance commissioner regarding insurers and providers acting
19 on the ~~ACIP immunization recommendation~~ immunization recommendations or proposals. All

1 recommendations will be posted on the department of health website. The advisory committee
2 membership shall include, but not be limited to, a primary care provider, [an epidemiologist, a](#)
3 pharmacist, [major insurers, and at the discretion of the director](#), representatives of the nursing home
4 industry, [and](#) the home healthcare industry ~~and major insurers~~.

5 (c) For the purpose of protecting patients' information, all personally-identifiable
6 information obtained pursuant to this section shall be subject to the privacy protections of chapter
7 37.3 of title 5 and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No.
8 104-191 (HIPAA), as amended.

5 to protect the public health under § 23-1-44.

6 ~~(10)~~(11) "State" means a state of the United States, the District of Columbia, Puerto Rico,
7 the United States Virgin Islands or any territory or insular possession subject to the jurisdiction of
8 the United States. The term "this state" refers to the state of Rhode Island.

9 SECTION 3. Chapter 27-18 of the General Laws entitled "Accident and Sickness Insurance
10 Policies" is hereby amended by adding thereto the following section:

11 **27-18-96. Coverage for vaccinations.**

12 Every individual or group medical service contract or every individual or group hospital or
13 medical expense insurance policy, plan or group policy delivered, issued, or renewed in this state
14 on or after January 1, 2027, shall provide coverage, without cost-sharing, for vaccinations
15 recommended by the Rhode Island department of health (RIDOH).

16 SECTION 4. Chapter 27-19 of the General Laws entitled "Nonprofit Hospital Service
17 Corporations" is hereby amended by adding thereto the following section:

18 **27-19-88. Coverage for vaccinations.**

19 Every individual or group medical service contract or every individual or group hospital or
20 medical expense insurance policy, plan or group policy delivered, issued, or renewed in this state
21 on or after January 1, 2027, shall provide coverage, without cost-sharing, for vaccinations
22 recommended by the Rhode Island department of health (RIDOH).

23 SECTION 5. Chapter 27-20 of the General Laws entitled "Nonprofit Medical Service
24 Corporations" is hereby amended by adding thereto the following section:

25 **27-20-84. Coverage for vaccinations.**

26 Every individual or group medical service contract or every individual or group hospital or
27 medical expense insurance policy, plan or group policy delivered, issued, or renewed in this state
28 on or after January 1, 2027, shall provide coverage, without cost-sharing, for vaccinations
29 recommended by the Rhode Island department of health (RIDOH).

30 SECTION 6. Chapter 27-41 of the General Laws entitled "Health Maintenance
31 Organizations" is hereby amended by adding thereto the following section:

32 **27-41-101. Coverage for vaccinations.**

33 Every individual or group medical service contract or every individual or group hospital or
34 medical expense insurance policy, plan or group policy delivered, issued, or renewed in this state

1 on or after January 1, 2027, shall provide coverage, without cost-sharing, for vaccinations
2 recommended by the Rhode Island department of health (RIDOH).

3 SECTION 7. Chapter 40-8 of the General Laws entitled "Medical Assistance" is hereby
4 amended by adding thereto the following section:

5 **40-8-33. Coverage for vaccinations.**

6 Commencing January 1, 2027, the medical assistance program shall provide coverage,
7 without cost-sharing, for all vaccinations recommended by the Rhode Island department of health
8 (RIDOH). This recommendation shall apply to all Medicaid beneficiaries, whether enrolled in fee-
9 for-service or managed care, to the extent permitted under federal law.

10 SECTION 8. Chapter 40-8.5 of the General Laws entitled "Health Care for Elderly and
11 Disabled Residents Act" is hereby amended by adding thereto the following section:

12 **40-8.5-1.2. Coverage for vaccinations.**

13 (a) As used herein, "managed care systems" is defined as systems that: integrate an efficient
14 financing mechanism with quality service delivery; provide a "medical home" to ensure appropriate
15 care and deter unnecessary services; and place emphasis on preventive and primary care. For
16 purposes of this section, managed care systems may also be defined to include a primary care case-
17 management model, community health teams, and/or other such arrangements that meet standards
18 established by the executive office and serve the purposes of this section. Managed care systems
19 may also include services and supports that optimize the health and independence of beneficiaries
20 who are determined to need Medicaid-funded long-term care under chapter 8.10 of this title ("long-
21 term care service reform for Medicaid eligible individuals") or to be at risk for the care under the
22 applicable federal state plan or waiver authorities and the rules and regulations promulgated by the
23 executive office. Any Medicaid beneficiaries who have third-party medical coverage or insurance
24 may be provided such services through an entity certified by, or in a contractual arrangement with,
25 the executive office or, as deemed appropriate, exempt from mandatory managed care in
26 accordance with rules and regulations promulgated by the executive office.

27 (b) Commencing January 1, 2027, any Medicaid managed care organizations under
28 contract with the executive office of health and human services shall provide coverage, without
29 cost-sharing, for vaccinations recommended by the Rhode Island department of health (RIDOH),
30 to the extent permitted under federal law.
