22 one report from any educational program or religious organization for a specific incident.

23 (b) In order to provide guidance and consistency in reporting, the commissioner of  
24 elementary and secondary education shall promulgate policies and procedures for the creation and  
25 handling of reports made by the principal, headmaster, executive director, or other person in charge  
26 of the educational program, or his or her designated agent, in order to carry out the intent of this

32 determines that the report meets the criteria for a child protective services investigation. As a result  
33 of those reports and referrals, the department shall refer those children to appropriate services and  
34 support systems in order to provide for their health and welfare. In the event the department

1 substantiates the allegations of [physical, mental, or](#) sexual abuse [or neglect](#) against an employee,  
2 agent, contractor, or volunteer of an educational program [or religious organization](#), the department  
3 shall immediately notify the state police; the local law enforcement agency; [the department of the](#)  
4 [attorney general](#); the department of education; the educational program [or religious organization](#);  
5 the person who is the subject of the investigation; and the parent, or parents, of the child who is

10 [mental, or](#) sexual abuse [or neglect](#), in order to carry out the intent of this section.

11 (e) For purposes of this section, "reasonable cause to know or suspect" means that it is  
12 objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a  
13 reasonable person in a like position, drawing, when appropriate, on the person's training and  
14 experience, to suspect child [physical, mental, or sexual](#) abuse [or neglect](#). "Reasonable cause to  
15 know or suspect" does not require certainty that child [physical, mental, or](#) sexual abuse [or neglect](#)  
16 has occurred, nor does it require a specific medical indication of child [physical, mental, or](#) sexual  
17 abuse [or neglect](#); any "reasonable cause to know or suspect" is sufficient.

18 SECTION 2. This act shall take effect upon passage.
