RELATING TO DOMESTIC RELATIONS - FULL ENFORCEMENT OF SUPPORT OBLIGATIONS

1	This act would make technical changes reflecting the transfer of the collection of child
2	support from the department of administration to department of human services. The act would
3	also allow the department of human services to electronically certify to any appropriate board that
4	a support obligor is not in compliance with a court order of support under certain circumstances,
5	and would provide for non-renewal of licenses and other provisions to insure compliance with
6	child support orders. Furthermore, this act would require all Rhode Island employers to
7	electronically transfer its employees' court ordered child support.
8	This act would take effect upon passage.
