RELATING TO LABOR AND LABOR RELATIONS -- ESTABLISHING BACK TO WORK  
RHODE ISLAND PROGRAM ACT OF 2013

Introduced By: Representatives McNamara, Malik, Gallison, McLaughlin, and Shekarchi

Date Introduced: January 09, 2013

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Title 28 of the General Laws entitled "LABOR AND LABOR  
2 RELATIONS" is hereby amended by adding thereto the following chapter:

3 CHAPTER 44.1

4 BACK TO WORK RHODE ISLAND PROGRAM ACT OF 2013

5 **28-44.1-1. Short title.** – This act shall be known and may be cited as the “Back to Work  
6 Rhode Island Program Act of 2013.”

7 **28-44.1-2. Legislative findings and purpose.** – The general assembly hereby finds as  
8 follows:

9 (1) As of January 1, 2013, Rhode Island’s unemployment rate is the highest in the New  
10 England region and above the national average;

11 (2) Despite this high unemployment, businesses report difficulties and frustration in  
12 locating employment candidates with the requisite knowledge, skills, and abilities they need;

13 (3) In an uncertain economy, employers are hesitant to invest in training if there is a risk  
14 the investment will not result in a qualified and skilled employee;

15 (4) Despite the need for skilled employees, job seekers face difficulties in getting their  
16 “foot in the door” to demonstrate their value to potential employers;

17 (5) Statistics indicate that unemployment compensation claimants who participated in  
18 employer-partnered training programs return to work more quickly than those who do not, and

1 that such programs have saved significant sums of employment security funds;

2 (6) The purpose of the “Back to Work Rhode Island Program” is to assist employers in  
3 locating and obtaining skilled and qualified employees at little to no training cost, and to provide  
4 the opportunity for job seekers to gain a “foot in the door,” gain knowledge, learn new skills, and  
5 abilities, and receive the opportunity for employment.

6 **28-44.1-3. Definitions.** – For the purposes of this chapter, the following terms shall have  
7 the following meanings:

8 (1) “Claimant” means a person collecting unemployment security benefits under the  
9 provisions of chapters 28-42 through 28-44;

10 (2) “Department” means the Rhode Island department of labor and training;

11 (3) “Director” means the director of the Rhode Island department of labor and training;

12 (4) “Participating employer” means an employer who has voluntarily agreed to  
13 participate in the “Back to Work Rhode Island Program” and meets the criteria for participation  
14 established by this chapter and as determined by the director;

15 (5) “Program” means the “Back to Work Rhode Island Program” established under this  
16 chapter;

17 (6) “Skill enhancement and job training” means the measurable raising to a higher degree  
18 an individual’s knowledge and execution of a fundamental job function;

19 (7) “Unemployment benefits” means the money payable to a claimant for his or her wage  
20 losses due to unemployment, payable pursuant to chapter 28-44 (“Employment Security-  
21 Benefits”), and includes any amounts payable pursuant to an agreement under federal law  
22 providing for compensation, assistance, or allowances with respect to unemployment.

23 **28-44.1-4. Back to Work Rhode Island Program.** – (a) The “Back to Work Rhode  
24 Island Program” is hereby established and shall be administered by the department of labor and  
25 training.

26 (b) The program shall be designed so as to permit a claimant to be matched with an  
27 employer participating in the program and be placed in an open employment position made  
28 available by the employer. Participation by both claimant and employer shall be voluntary. The  
29 employer shall provide the claimant with skill enhancement and job training relevant to the open  
30 employment position for up to twenty-four (24) hours per week for up to six (6) weeks. Upon  
31 completion of the six (6) week period, claimants must be considered for employment by the  
32 employer. During the six (6) week period, the employer shall not compensate the claimant in any  
33 way other than the training that the claimant receives through participation in the program. An  
34 employer may terminate participation in the program at any time.

1 (c) Notwithstanding any other law, participation in the “Back to Work Rhode Island  
2 Program” shall not affect the employment security benefits of a claimant; provided, however, that  
3 contingent upon appropriation, said claimant may receive a reasonable stipend in an amount  
4 determined by the director to cover any additional costs associated with their participation in the  
5 program, including, but not limited to, transportation or childcare costs.

6 (d) The department shall notify employers of the availability of the program and shall  
7 provide employers with information and materials necessary to participate upon request.

8 (e) The department shall continuously monitor the program to ensure that participating  
9 employers enter the program in good faith with the genuine expectation of hiring for the open  
10 position and with the intent and ability to provide relevant skill enhancement and job training.

11 (f) The department shall develop and conduct an orientation program for participating  
12 claimants and employers informing them of the rules, regulations, opportunities, and limitations  
13 of the “Back to Work Rhode Island Program”.

14 (g) A claimant may stay in the program if they exhaust benefits or lose program  
15 eligibility prior to the end of the six (6) weeks; provided, however, once benefits are exhausted or  
16 program eligibility is lost, unemployment compensation shall be discontinued.

17 (h) Participation in the program by a claimant shall be limited to six (6) weeks in any  
18 benefit year. A claimant shall be encouraged to end a training relationship that is not beneficial  
19 and shall be encouraged to preserve the remainder of his or her six (6) weeks of training for  
20 another training opportunity.

21 (i) In order to participate, a claimant must be seeking work and must be able, available,  
22 and accept work during the training period.

23 (j) Interested claimants shall be encouraged, but not required, to find employment  
24 opportunities that align with their current job skills, knowledge and experience. Employers shall  
25 be encouraged to work with the department to locate claimants with current job skills, knowledge,  
26 and experience that align with the requirements of an open employment opportunity;

27 (k) The claimant and the employer must agree upon a formal training plan and schedule  
28 which must be approved by the department.

29 (l) Participation in the program will be limited to the first two hundred (200) participants  
30 determined to be eligible by the department.

31 (m) The “Back to Work Rhode Island Program” will expire on December 31, 2014. New
