5	20-39-1. Interstate wildlife violator compact. – The interstate wildlife violator compact
6	is entered with all states legally joining the compact, in the form substantially as follows:
7	<u>ARTICLE I</u>
8	Findings, Declaration of Policy and Purpose
9	(a) The participating states find that:
10	(1) Wildlife resources are managed in trust by the respective states for the benefit of all
11	residents and visitors.
12	(2) The protection of the wildlife resources of a state is materially affected by the degree
13	of compliance with state statutes, laws, regulations, ordinances, and administrative rules relating
14	to the management of such resources.
15	(3) The preservation, protection, management, and restoration of wildlife contributes
16	immeasurably to the aesthetic, recreational, and economic aspects of such natural resources.
17	(4) Wildlife resources are valuable without regard to political boundaries; therefore,
18	every person should be required to comply with wildlife preservation, protection, management,

2 possess wildlife. 3 (5) Violation of wildlife laws interferes with the management of wildlife resources and 4 may endanger the safety of persons and property. 5 (6) The mobility of many wildlife law violators necessitates the maintenance of channels of communication among the various states. 6 7 (7) In most instances, a person who is cited for a wildlife violation in a state other than 8 his/her home state: 9 (i) Is required to post collateral or a bond to secure appearance for a trial at a later date; or 10 (ii) Is taken into custody until the collateral or bond is posted; or 11 (iii) Is taken directly to court for an immediate appearance. 12 (8) The purpose of the enforcement practices set forth in subdivision (7) is to ensure 13 compliance with the terms of a wildlife citation by the cited person who, if permitted to continue 14 on his/her way after receiving the citation, could return to his/her home state and disregard his/her 15 duty under the terms of the citation. 16 (9) In most instances, a person receiving a wildlife citation in his/her home state is 17 permitted to accept the citation from the officer at the scene of the violation and immediately 18 continue on his/her way after agreeing or being instructed to comply with the terms of the 19 citation. 20 (10) The practices described in subdivision (7) cause unnecessary inconvenience and, at 21 times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand 22 trial, or pay a fine, and thus is compelled to remain in custody until some alternative arrangement 23 is made. 24 (11) The enforcement practices described in subdivision (7) consume an undue amount of 25 law enforcement time. 26 (b) It is the policy of the participating states to: 27 (1) Promote compliance with the statutes, laws, ordinances, regulations, and 28 administrative rules relating to management of wildlife resources in their respective states. 29 (2) Recognize the suspension of wildlife license privileges of any person whose license 30 privileges have been suspended by a participating state and treat such suspension as if it had 31 occurred in their state.

- 34 in which the citation was issued, provided that the violator's home state is party to this compact.

1	(4) Report to the appropriate participating state, as provided in the compact manual, any
2	conviction recorded against any person whose home state was not the issuing state.
3	(5) Allow the home state to recognize and treat convictions recorded against its residents,
4	which convictions occurred in a participating state, as though they had occurred in the home state.
5	(6) Extend cooperation to its fullest extent among the participating states for enforcing
6	compliance with the terms of a wildlife citation issued in one participating state to a resident of
7	another participating state.
8	(7) Maximize effective use of law enforcement personnel and information.
9	(8) Assist court systems in the efficient disposition of wildlife violations.
10	(c) The purpose of this compact is to:
11	(1) Provide a means through which participating states may join in a reciprocal program
12	to effectuate the policies enumerated in subsection (b) in a uniform and orderly manner.
13	(2) Provide for the fair and impartial treatment of wildlife violators operating within
14	participating states in recognition of the violator's right to due process and the sovereign status of
