24 41-9.1-19. License, permit and registration as revocable privilege -- Rights, 25 limitations and prohibitions -- Revocation and suspension -- Penalties for violation. -- (a) A 26 license, permit or registration issued under this chapter is a revocable privilege granted by the 27 state dependent upon the holder's compliance with this chapter and rules promulgated hereunder 28 and is not a property right. Granting a license, permit or registration under this chapter does not 29 create or vest any right, title, franchise or other property interest. Any casino license or gaming 30 supplier permit is exclusive to the holder, and a holder or any other person shall apply for and 31 receive the state lottery division's approval before a casino license or gaming supplier permit is 32 transferred, sold or purchased, or before a voting trust agreement or other similar agreement is 33 established with respect to such. A holder of a casino license or gaming supplier permit, or any 34 other person, shall not lease, pledge, or borrow, or loan money against such license or permit. The

1 attempted transfer, sale or other conveyance of an interest in a casino license or gaming supplier 2 permit without prior state lottery division approval is grounds for suspension or revocation of the license or permit, or other sanctions considered appropriate by the state lottery division. In the 3 4 event of any transfer, sale or other conveyance of a casino license or gaming supplier permit, 5 including those ordered by a court of competent jurisdiction in connection with a bankruptcy, receivership or other like proceeding, the state lottery division shall have the right to approve any 6 proposed transferee pursuant to the requirements of this chapter. Any costs associated with a 7 8 transfer, sale or other conveyance of a casino license or gaming supplier permit shall be borne by 9 the transferee.

10 (b) The state lottery division may upon its own motion, and shall upon the verified 11 complaint, in writing, of any person initiating a cause under this chapter, ascertain the facts and, if 12 warranted, hold a hearing for the nonrenewal, suspension or revocation of a license, permit or 13 registration. The state lottery division shall have the power to suspend or revoke a license, permit 14 or registration or place a holder on probation where the license permit or registration has been 15 obtained by false representation or by fraudulent act or conduct or where a holder violates any of 16 the provisions of this chapter.

17 (c) In addition to the nonrenewal, revocation or suspension of a license, permit or
 18 registration, the state lottery division is authorized to levy an administrative penalty not exceeding
 19 the greater of:

20 (1) Five hundred thousand dollars (\$500,000); or

21 (2) Two hundred percent (200%) of the amount unreported or underreported for any 22 violation of the reporting requirements of this chapter and/or the rules and regulations 23 promulgated by the state lottery division. For violations of the chapter and/or the rules 24 promulgated by the state lottery division other than reporting requirements, the state lottery 25 division may levy administrative penalties of up to five thousand dollars (\$5,000) against 26 individuals and up to ten thousand dollars (\$10,000) or an amount equal to the daily gross 27 receipts on the date of the violation, whichever is greater, against casino licensees for each such 28 violation.

(d) (1) Except as provided in subsection (e), before refusing to renew, suspending or
revoking a license, permit or registration on its own motion, the state lottery division shall, in
writing, notify the holder of its intended action and the grounds for the action. The holder may,
within twenty (20) days, file with the state lottery division, in triplicate, a request for a hearing
stating his or her answer to the grounds specified in the notification. The state lottery division
shall consider the answer and set a date for a hearing, notifying the holder of the date at least

1 twenty (20) days prior to the hearing date.

2	(2) Before refusing to renew, suspending or revoking an existing license, permit or
3	registration upon the verified written complaint of any person stating a violation of this chapter,
4	the state lottery division shall, in writing, notify the holder of its receipt of the complaint,
5	enclosing a copy of the complaint. The holder shall, within twenty (20) days, file with the state
6	lottery division, in quadruplicate his or her answer to the complainant or complainants.

- 7 (3) The state lottery division shall transmit a copy of the answer to the complainant or
  8 complainants with the scheduled date, time and place for hearing at least twenty (20) days prior to
  9 the hearing date.
- (4) All notices and answers required or authorized to be made or filed under this section
   may be served or filed personally, or by certified mail to the last known business address of the
   addressee. If served personally, the time runs from the date of service; if by registered mail, from
   the postmarked date of the letter enclosing the document.

14 (5) Hearings are subject to chapter 46 of title 42, entitled "open meetings", and the 15 holder has an opportunity to be heard in person or by counsel. The state lottery division shall 16 render a decision on any application or complaint within sixty (60) days after the final hearing on 17 the matter and shall immediately notify the parties to the proceedings, in writing, of its ruling, 18 order or decision. In the event the matter contained in the complaint has been filed or made part 19 of a case pending in any court of this state, the state lottery division may then withhold its 20 decision until the court action has been concluded. Hearings are held in accordance with rules 21 promulgated by the state lottery division in conformity with state and federal law.

22 (e) The state lottery division may suspend a license, permit or registration, without notice or hearing, upon a determination that the safety or health of patrons or employees is jeopardized. 23 If the state lottery division suspends a license, permit or registration under this subsection without 24 25 notice or hearing, a prompt post suspension hearing shall be held in accordance with subsection 26 (d) to determine if the suspension should remain in effect. The suspension may remain in effect 27 until the state lottery division determines that the cause for suspension has been abated. The state 28 lottery division may revoke the license, permit or registration upon a determination that the holder has not made satisfactory progress toward abating the hazard. 29

30 (f) (1) The state lottery division is authorized and empowered to issue subpoenas for the
 31 attendance of witnesses and the production of records or documents. The process issued by the
 32 state lottery division may extend to all parts of the state, and the process may be served by any
 33 person designated by the state lottery division. The person serving that process shall receive any
 34 compensation that is allowed by the state lottery division, not to exceed the fee prescribed by law

for similar services. All witnesses subpoenaed who appear in any proceedings before the state
 lottery division shall receive the same fees and mileage allowances allowed by law, and all those
 fees and allowances are taxed as part of the costs of the proceedings.

4 (2) Where, in any proceeding before the state lottery division, any witness fails or 5 refuses to attend upon subpoena issued by the state lottery division, or refuses to testify, or 6 refuses to produce any records or documents the production of which is called for by the 7 subpoena, the attendance of the witness and the giving of his or her testimony and the production 8 of the documents and records shall be enforced by any court of competent jurisdiction of this state 9 in the same manner as are enforced the attendance, testimony of witnesses and production of 10 records in civil cases in the courts of this state.

11 (g) The procedures of the administrative procedures act, chapter 35 of title 42, and all 12 amendments and modifications to that act and the rules adopted pursuant to the act, apply to and 13 govern all proceedings for the judicial review of final administrative decisions of the state lottery 14 division. Any party aggrieved by a final administrative decision of the state lottery division may 15 seek review of that decision in the superior court of the county of his or her residence if a natural 16 person, or the county in which the aggrieved party maintains a place of business, if other than a 17 natural person.

(h) Any person aggrieved has the right of appeal from any adverse ruling, order or
decision of the state lottery division to a court of competent jurisdiction in the county where the
hearing was held within thirty (30) days from the service of notice of the action of the state lottery
division upon the parties to the hearing.

(i) Notice of appeal is filed in the office of the clerk of the court, which shall issue a writ
of certiorari directed to the state lottery division, commanding it, within fifteen (15) days after
service of the writ, to certify to the court its entire record in the matter in which the appeal has
been taken. The appeal shall be heard in due course, by the court, which shall review the record
and, after a hearing on the matter, make its determination of the cause.

27 (j) A final administrative decision of the state lottery division shall not become effective
28 until time for appeal has expired. If an appeal is taken, it shall not act as a stay of decision unless
29 the court so directs.

30 (k) In the event of a suspension or revocation of a license, permit or registration, the state
 31 lottery division may take such action as is necessary to continue the daily operation of the casino
 32 until the reinstatement of the license, permit or registration in the case of a suspension, or the
 33 approval of a replacement license, permit or registration in accordance with the approval process
 34 contained in this chapter in the case of a revocation.
