STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2013

—————
A N A C T

RELATING TO STATE AFFAIRS AND GOVERNMENT -- PROGRAM INTEGRITY FOR
MEDICAID, RITE CARE AND RITE SHARE PROGRAM

Introduced By: Senators Crowley, Sosnowski, Ottiano, and Nesselbush

Date Introduced: February 12, 2013

Referred To: Senate Health & Human Services

It is enacted by the General Assembly as follows:

1 SECTION 1. Title 42 of the General Laws entitled "State Affairs and Government" is
2 hereby amended by adding thereto the following chapter:

3 CHAPTER 14.7

4 THE MEDICAID, RITE CARE AND RITE SHARE PROGRAM INTEGRITY ACT

5 **42-14.7-1. Short title.** – This act shall be known and may be cited as the “Medicaid and
6 Rite Care and Rite Share Integrity Act.”

7 **42-14.7-2. Legislative intent.** – It is the intent of the legislature to implement waste,
8 fraud and abuse detection, prevention and recovery solutions to:

9 (1) Improve program integrity for Medicaid and the Rite care and Rite share programs in
10 the state and create efficiency and cost savings through a shift from a retrospective “pay and
11 chase” model to a prospective pre-payment model; and

12 (2) Comply with program integrity provisions of the federal patient protection and
13 affordable care act and the health care and education reconciliation act of 2010, as promulgated in
14 the centers for medicare and medicaid services final rule 6028.

15 **42-14.7-3. Definitions.** – The definitions in this section shall apply throughout this
16 chapter unless the context requires otherwise:

17 (1) “Medicaid” means the program to provide grants to states for medical assistance
18 programs established under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

1 (2) “RIte care and RIte share” means the children’s health insurance program established
2 under title XXI of the social security act (42 U.S.C. 1397aa et seq.).

3 (3) “Enrollee” means an individual who is eligible to receive benefits and is enrolled in
4 either medicaid or RIte care and RIte share programs.

5 (4) “Secretary” means the U.S. secretary of health and human services, acting through the
6 administrator of the centers for medicare and medicaid services.

7 **42-14.7-4. Application.** – This chapter shall specifically apply to:

8 (1) State medicaid managed care programs operated under section 42-12.4-2 of the
9 Rhode Island general laws.

10 (2) The RIte care and RIte share state programs operated under Rhode Island general
11 laws, chapter 40-84.

12 **42-14.7-5. Data verification.** – The state shall implement provider data verification and
13 provides screening technology solutions to check healthcare billing and provider rendering data
14 against a continually maintained provider information database for the purposes of automating
15 reviews and identifying and preventing inappropriate payments to:

16 (1) Deceased providers;

17 (2) Sanctioned providers;

18 (3) License expiration/retired providers; and

19 (4) Confirmed wrong addresses.

20 **42-14.7-6. Clinical code editing.** – The state shall implement state-of-the art clinical
21 code editing technology solutions to further automate claims resolution and enhance cost
22 containment through improved claim accuracy and appropriate code correction. The technology
23 shall identify and prevent errors or potential overbilling based on widely accepted and transparent
24 protocols such as the american medical association and the centers for medicare and medicaid
25 services. The edits shall be applied automatically before claims are adjudicated to speed
26 processing and reduce the number of pended or rejected claims and help ensure a smoother, more
27 consistent and more transparent adjudication process and fewer delays in provider
28 reimbursement.

29 **42-14.7-7. Predictive modeling.** – The state shall implement state-of-the-art predictive
30 modeling and analytics technologies to provide more comprehensive and accurate view across all
31 providers, beneficiaries and geographies within the Medicaid, RIte care and RIte share programs
32 in order to:

33 (1) Identify and analyze those billing or utilization patterns that represent a high risk of
34 fraudulent activity;

1 (2) Be integrated into the existing medicaid and RIte care and RIte share claims
2 workflow;

3 (3) Undertake and automate such analysis before payment is made to minimize
4 disruptions to the workflow and speed claim resolution;

5 (4) Prioritize such identified transactions for additional review before payment is made
6 based on likelihood of potential waste, fraud or abuse;

7 (5) Capture outcome information from adjudicated claims to allow for refinement and
8 enhancement of the predictive analytics technologies based on historical data and algorithms
9 within the system; and

10 (6) Prevent the payment of claims for reimbursement that have been identified as
11 potentially wasteful, fraudulent or abusive until the claims have been automatically verified as
12 valid.

13 **42-14.7-8. Fraud investigations.** -- The state shall implement fraud investigative
14 services that combine retrospective claims analysis and prospective waste, fraud or abuse
15 detection techniques. These services shall include analysis of historical claims data, medical
16 records, suspect provider databases and high-risk identification lists, as well as direct patient and
17 provider interviews. Emphasis shall be placed on providing education to providers and ensuring
18 that they have the opportunity to review and correct any problems identified prior to adjudication

19 **42-14.7-9. Recovery of improper payments.** -- The state shall implement medicaid
20 claims audit and recovery services to identify improper payments due to non-fraudulent issues,
21 audit claims, obtain provider sign-off on the audit results and recover validated overpayments.
22 Post payment reviews shall ensure that the diagnoses and procedure codes are accurate and valid
23 based on the supporting physician documentation within the medical records. Core categories of
24 review include: coding compliance diagnosis related group (DRG) reviews, transfers,
25 readmissions, cost outlier reviews, outpatient 72-Hour rule reviews, payment errors, billing errors
26 and others.

27 **42-14.7-10. Reporting.** -- The following reports shall be completed by the department of
28 health and human services:

29 (1) Not later than three (3) months after the completion of the first implementation year
30 under this chapter, the state shall submit to the appropriate committees of the legislature, and
31 make available to the public, a report that includes the following:

32 (i) A description of the implementation and use of technologies included in this chapter
33 during the year;

34 (ii) A certification by the department of human services that specifies the actual and

1 projected savings to the medicaid, RIte care and RIte share programs as a result of the use of
2 these technologies, including estimates of the amounts of such savings with respect to both
3 improper payments recovered and improper payments avoided;

4 (iii) The actual and projected savings to the Medicaid RIte care and RIte share programs
5 as a result of such use of technologies relative to the return on investment for the use of such
6 technologies and in comparison to other strategies or technologies used to prevent and detect
7 fraud, waste, and abuse;

8 (iv) Any modifications or refinements that should be made to increase the amount of
9 actual or projected savings or mitigate any adverse impact on medicare beneficiaries or providers;

10 (v) An analysis of the extent to which the use of these technologies successfully
11 prevented and detected waste, fraud, or abuse in the medicaid and RIte care and RIte share
12 programs;

13 (vi) A review of whether the technologies affected access to, or the quality of, items and
14 services furnished to Medicaid RIte care and RIte share beneficiaries, and

15 (vii) A review of what effect, if any, the use of these technologies had on Medicaid, RIte
16 care and RIte share providers, including assessment of provider education efforts and
17 documentation of processes for providers to review and correct problems that are identified.

18 (2) Not later than three (3) months after the completion of the second implementation
19 year under this chapter, the state shall submit to the appropriate committees of the legislature and
20 make available to the public a report that includes, with respect to such year, the items required
21 under subdivision (1) as well as any other additional items determined appropriate with respect to
22 the report for such year.

23 (3) Not later than three (3) months after the completion of the third implementation year
24 under this chapter, the state shall submit to the appropriate committees of the legislature, and
25 make available to the public, a report that includes with respect to such year, the items required
26 under subdivision (1), as well as any other additional items determined appropriate with respect
27 to the report for such year.

28 SECTION 2. Severability. If any provision of this chapter or the application thereof to
29 any person or circumstances is held invalid, such invalidity shall not affect other provisions or
30 applications of the chapter, which can be given effect without the invalid provisions or
31 applications, and to this end the provisions of this chapter are declared to be severable.

1 SECTION 3. This act shall take effect upon passage.
