STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2013

—————  
A N A C T

RELATING TO EDUCATION - HEALTH AND SAFETY OF PUPILS

Introduced By: Senators Gallo, Miller, Metts, DaPonte, and Satchell

Date Introduced: March 27, 2013

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 16-21-23, 61-21-24, and 16-21-25 of the General Laws in Chapter  
2 16-21 entitled "Health and Safety of Pupils" are hereby amended to read as follows:

3 ~~**16-21-23. School safety plans – School safety teams and school crisis response teams-**~~  
4 ~~**School safety plans - School safety teams, school crisis response teams, and school safety**~~  
5 ~~**assessments. --**~~ (a) Each school district of each town, city, and regional school department shall  
6 conduct a school safety assessment in conjunction with local police, fire, school safety team  
7 pursuant to the provisions of this section 16-21-23 and any other expert said school department  
8 deems necessary. The assessment shall examine the current status of each school building's safety  
9 and shall be performed within thirty (30) days of passage of this act, and every three (3) years  
10 thereafter. Assessments performed within a year of the date of passage of this act shall satisfy this  
11 requirement. All meetings regarding the school safety assessment are not subject to the open  
12 meetings law pursuant to chapter 46 of title 42, and documents produced including, but not  
13 limited to, meeting minutes and the school safety assessment are not subject to the access to  
14 public records law pursuant to chapter 2 of title 38.

15 ~~(a)~~ (b) The school committee of each town, city, and regional school department shall  
16 adopt in executive session a comprehensive school safety plan regarding crisis intervention,  
17 emergency response, and management. The plan shall be developed by a school safety team  
18 comprised of representatives of the school committee, representatives of student, teacher, and  
19 parent organizations, school safety personnel, school administration, and members of local law

1 enforcement, fire, and emergency personnel. Members of the school safety team shall be  
2 appointed by the school committee and/or school superintendent of the town, city, or regional  
3 school district. In creating the school safety plan, the school safety team(s) shall consult the  
4 model school safety plan developed by the department of elementary and secondary education  
5 pursuant to section 16-21-23.1.

6 ~~(b)~~ (c) The school crisis response team shall be comprised of those selected school  
7 personnel willing to serve as members of a psychological response team to address the  
8 psychological and emotional needs of the school community, and may seek mental health  
9 resources from the department of elementary and secondary education. Members of the school  
10 crisis response team may coordinate mental health services for those students and school  
11 employees affected by acts of violence in the schools, using resources available through the  
12 department of elementary and secondary education.

13 **16-21-24. Requirements of school safety plans, school emergency response plans,**  
14 **and school crisis response plans.** – (a) School safety plans, as required by this chapter, shall  
15 ~~include and~~ address, but not to be limited to, prevention, mitigation, preparedness, response, and  
16 recovery. The school safety plans shall include, at a minimum, the following policies and  
17 procedures:

18 ~~(1) Policies and procedures for responding to violence by students, teachers, other school~~  
19 ~~personnel as well as visitors to the school;~~

20 ~~(2) Policies and procedures for responding to acts of violence by students, teachers, other~~  
21 ~~school personnel and visitors to the school;~~

22 ~~(3) Appropriate prevention and intervention strategies which are based on data to target~~  
23 ~~priority needs and which make use of effective actions based on currently accepted best practice;~~

24 ~~(4) Collaborative arrangements with state and local law enforcement officials, designed~~  
25 ~~to ensure that school safety officers and other security personnel are adequately trained, including~~  
26 ~~being trained to de-escalate potentially violent situations, and are effectively and fairly recruited;~~

27 ~~(5) Policies and procedures for contacting appropriate law enforcement officials and~~  
28 ~~EMS/Fire, in the event of a violent incident;~~

29 ~~(6) Policies and procedures for notification and activation of the school crisis response~~  
30 ~~team;~~

31 ~~(7) Policies and procedures for contacting parents, guardians, or persons in parental~~  
32 ~~relation to the students of the city, town, or region in the event of a violent incident;~~

33 ~~(8) Policies and procedures relating to school building security, including where~~  
34 ~~appropriate the use of school safety officers and/or security devices or procedures;~~

1 ~~(9) Policies and procedures for the dissemination of informative materials regarding the~~  
2 ~~early detection of potentially violent behaviors, including but not limited to, the identification of~~  
3 ~~family, community, and environmental factors, to teachers, administrators, school personnel,~~  
4 ~~persons in parental relation to students of the city, town, or region students and other persons~~  
5 ~~deemed appropriate to receive that information;~~

6 ~~(10) Policies and procedures for annual school safety training and a review of the school~~  
7 ~~crisis response plan for staff and students;~~

8 ~~(11) Protocols for responding to bomb threats, hostage takings, intrusions, and~~  
9 ~~kidnappings;~~

10 ~~(12) Strategies for improving communication among students and between students and~~  
11 ~~staff and reporting of potentially violent incidents, such as the establishment of youth run~~  
12 ~~programs, peer mediation, conflict resolution, creating a forum or designating a mentor for~~  
13 ~~students concerned with bullying or violence, and establishing anonymous reporting mechanisms~~  
14 ~~for school violence;~~

15 ~~(13) A description of the duties of hall monitors and any other school safety personnel,~~  
16 ~~including the school crisis response team, and the training requirements of all personnel acting in~~  
17 ~~a school security capacity;~~

18 ~~(14) Policies and procedures for providing notice of threats of violence or harm to the~~  
19 ~~student or school employee who is the subject of the threat. The policy shall define "threats of~~  
20 ~~violence or harm" to include violent actions and threats of violent actions either individually or by~~  
21 ~~groups, but shall not include conduct or comments that a reasonable person would not seriously~~  
22 ~~consider to be a legitimate threat;~~

23 ~~(15) Policies and procedures for disclosing information that is provided to the school~~  
24 ~~administrators about a student's conduct, including, but not limited to, the student's prior~~  
25 ~~disciplinary records, and history of violence, to classroom teachers, school staff, and school~~  
26 ~~security, if they have been determined by the principal to have a legitimate need for the~~  
27 ~~information in order to fulfill their professional responsibilities and for protecting such~~  
28 ~~information from any further disclosure; and~~

29 ~~(16) Procedures for determining whether or not any threats or conduct established in the~~  
30 ~~policy may be grounds for discipline of the student. School districts, school committees, school~~  
31 ~~officials, and school employees providing notice in good faith as required and consistent with the~~  
32 ~~committee's policies adopted under this section are immune from any liability arising out of such~~  
33 ~~notification.~~

34 (1) Appropriate prevention, mitigation, preparedness and intervention strategies which

1 are based on data to target priority needs and which make use of effective actions based on  
2 currently accepted best practices and once developed, the appropriate parts of the state model  
3 plan pursuant to general laws section 16-21-23.1 that include consistent, plain language and  
4 terminology;

5 (2) Formalized collaborative arrangements with state and local law enforcement and fire  
6 fighter officials, designed to ensure that school safety officers and other security personnel are  
7 adequately trained, including being trained to de-escalate potentially violent situations, and are  
8 effectively and fairly recruited;

9 (3) Policies and procedures relating to school building security, including where  
10 appropriate the use of school safety officers and/or security devices or procedures;

11 (4) Policies and procedures for annual school safety training and a review of the school  
12 crisis response plan for staff and students;

13 (5) Protocols for school personnel and students responding to bomb threats, hostage-  
14 takings, intrusions, and kidnappings that include consistent, plain language and terminology that  
15 is recommended by the model plan pursuant to general laws section 16-21-23.1;

16 (6) Policies and procedures for responding to violence by students, teachers, other school  
17 personnel as well as visitors to the school that include consistent, plain language and terminology  
18 that is recommended by the model plan pursuant to general laws section 16-21-23.1;

19 (7) Policies and procedures for responding to acts of violence by students, teachers, other  
20 school personnel and visitors to the school that include consistent, plain language and  
21 terminology that is recommended by the model plan pursuant to general laws section 16-21-23.1;

22 (8) Policies and procedures for contacting appropriate law enforcement officials and  
23 EMS/Fire, in the event of a violent incident and that include consistent, plain language and  
24 terminology that is recommended by the model plan pursuant to general laws section 16-21-23.1;

25 (9) Policies and procedures for notification and activation of the school crisis response  
26 team that include consistent, plain language and terminology that is recommended by the model  
27 plan pursuant to general laws section 16-21-23.1;

28 (10) Policies and procedures for contacting parents, guardians, or persons in parental  
29 relation to the students of the city, town, or region in the event of a violent incident;

30 (11) Policies and procedures for the dissemination of informative materials regarding the  
31 early detection of potentially violent behaviors, including, but not limited to, the identification of  
32 family, community, and environmental factors, to teachers, administrators, school personnel,  
33 persons in parental relation to students of the city, town, or region students and other persons  
34 deemed appropriate to receive that information;

1           (12) Strategies for improving communication, including use of common, consistent plain  
2 language by school district officials, school officials and emergency responders, among students  
3 and between students and staff and reporting of potentially violent incidents, such as the  
4 establishment of youth-run programs, peer mediation, conflict resolution, creating a forum or  
5 designating a mentor for students concerned with bullying or violence, and establishing  
6 anonymous reporting mechanisms for school violence;

7           (13) A description of the duties of hall monitors and any other school safety personnel,  
8 including the school crisis response team, and the training requirements of all personnel acting in  
9 a school security capacity and policies and procedures for students, personnel who are in the  
10 hallway during a lockdown situation that include consistent language and terminology that is  
11 recommended by the department of elementary and secondary education;

12           (14) Policies and procedures for providing notice of threats of violence or harm to the  
13 student or school employee who is the subject of the threat. The policy shall define "threats of  
14 violence or harm" to include violent actions and threats of violent actions either individually or by  
15 groups, but shall not include conduct or comments that a reasonable person would not seriously  
16 consider to be a legitimate threat;

17           (15) Policies and procedures for disclosing information that is provided to the school  
18 administrators about a student's conduct, including, but not limited to, the student's prior  
19 disciplinary records, and history of violence, to classroom teachers, school staff, and school  
20 security, if they have been determined by the principal to have a legitimate need for the  
21 information in order to fulfill their professional responsibilities and for protecting such  
22 information from any further disclosure; and

23           (16) Procedures for determining whether or not any threats or conduct established in the  
24 policy may be grounds for discipline of the student. School districts, school committees, school  
25 officials, and school employees providing notice in good faith as required and consistent with the  
26 committee's policies adopted under this section are immune from any liability arising out of such  
27 notification.

28           (b) School safety plans, as required by this chapter, shall further include school  
29 emergency response plans specific to each school building contained within each city, town, or  
30 regional school district, and shall be developed and approved in consultation with local police  
31 and fire. The state police shall provide consultation for those school districts that for whatever  
32 reason may not have access to local police. School emergency response plans shall include, and  
33 address, but not be limited to, the following elements:

34           (1) Policies and procedures for the safe evacuation of students, teachers, and other school

1 personnel as well as visitors to the school in the event of a serious violent incident or other  
2 emergency, which shall include evacuation routes and shelter sites and procedures for addressing  
3 medical needs, transportation, and emergency notification to persons in parental relation to a  
4 student. For purposes of this subdivision, "serious violent incident" means an incident of violent  
5 criminal conduct that is, or appears to be, life threatening and warrants the evacuation of students  
6 and/or staff;

7 (2) Designation of an emergency response team comprised of school personnel, local law  
8 enforcement officials, and representatives from local regional and/or state emergency response  
9 agencies, other appropriate incident response teams including a school crisis response team, and a  
10 post-incident response team that includes appropriate school personnel, medical personnel,  
11 mental health counselors, and others who can assist the school community in coping with the  
12 aftermath of a violent incident;

13 (3) Procedures for assuring that crisis response and law enforcement officials have access  
14 to floor plans, blueprints, schematics, or other maps of the school interior and school grounds,  
15 and road maps of the immediate surrounding area;

16 (4) Establishment of internal and external communication systems in emergencies; [that](#)  
17 [include consistent, plain language and terminology that is recommended by the model plan](#)  
18 [established pursuant to general laws section 16-21-23.1;](#)

19 (5) Definition [and formalization](#) of the chain of command in a manner consistent with  
20 the national interagency incident management system/incident command system;

21 (6) Procedures for review and the conduct of drills and other exercises to test components  
22 of the emergency response plan; ~~and,~~ [including use of checklists as described in section 16-21-](#)  
23 [23.1;](#)

24 (7) Policies and procedures [created in conjunction with local or state police](#) for securing  
25 and restricting access to the crime scene in order to preserve evidence in cases of violent crimes  
26 on school property; [and](#)

27 [\(8\) Policies and procedures for ensuring timely access to mental health services for those](#)  
28 [students and school employees affected by a violent incident.](#)

29 ~~**16-21-25. Review of school safety plans -- Waiver. --**~~ **Review of school safety plans -**  
30 **exemption from open meetings and public records requirements. --**

31 (a) Each city, town, or regional department school safety plan and school emergency  
32 response plans shall be reviewed on an annual basis by the school committee [chairperson or by](#)  
33 [the school committee in executive session,](#) and updated as appropriate.

34 (b) ~~The commissioner of elementary and secondary education and school committee~~

1 ~~shall make each city, town, or regional department school safety plan and school emergency~~  
2 ~~response plan available for public comment at least thirty (30) days prior to its adoption.~~ All  
3 meetings of school safety teams shall ~~comply with~~ not be subject to and be exempt from the open  
4 meetings law pursuant to chapter 46 of title 42, and documents produced by the school safety  
5 teams shall not be subject to the access to public records laws as set forth in chapter 2 of title 38.

6 ~~(e) The commissioner of elementary and secondary education may grant a waiver of the~~  
7 ~~requirements of §§ 16-21-23 and 16-21-24 to any city, town, or regional school department for~~  
8 ~~period of up to two (2) years upon a finding by the commissioner that the town, city, or regional~~  
9 ~~district had adopted a comprehensive school safety plan or school emergency response plans~~  
10 ~~which are in substantial compliance with the requirements of §§ 16-21-23 and 16-21-24.~~  
11 ~~Provided, however, no waiver shall extend beyond June 30, 2003.~~

12 SECTION 2. Chapter 16-21 of the General Laws entitled "Health and Safety of Pupils"  
13 is hereby amended by adding thereto the following section:

14 **16-21-23.1. Model school safety plans and checklists-Development and**  
15 **dissemination.** -- (a) It shall be the duty of the department of elementary and secondary  
16 education to collaborate with the Rhode Island emergency management agency, state police, state  
17 fire marshal, the department of behavioral health, developmental disabilities, and hospitals, and  
18 other safety officials to develop a model school safety plan to be consulted by school safety teams  
19 in accordance with section 16-21-23. This model plan shall be based on best practices in school  
20 safety planning and the department of elementary and secondary education shall communicate the  
21 plan electronically to all school committees and school safety teams in the state.

22 (b) It shall be the duty of the department of elementary and secondary education to  
23 develop and disseminate school safety check lists that school districts can use on a regular basis  
24 and at least annually to assess the strengths and weaknesses of school safety in accordance with  
25 section 16-21-24. The check lists shall incorporate best practices in school safety planning and  
26 the department of elementary and secondary education shall communicate the plan electronically  
27 to all school committees and school safety teams in the state.

28 SECTION 3. This act shall take effect upon passage.

EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF  
A N A C T  
RELATING TO EDUCATION - HEALTH AND SAFETY OF PUPILS

\*\*\*

1           This act would direct school districts to conduct a school safety assessment in  
2 conjunction with local municipal police and fire departments. The act would also direct the  
3 department of elementary and secondary education to develop a model school safety plan. The act  
4 would also amend and expand the requirements as to what must be in each school district's school  
5 safety plan.

6           This act would take effect upon passage.
