RELATING TO FISH AND WILDLIFE - INTERSTATE WILDLIFE VIOLATOR COMPACT

Introduced By: Senators Cool Rumsey, Archambault, Raptakis, and P Fogarty

Date Introduced: April 04, 2013

Referred To: Senate Environment & Agriculture

It is enacted by the General Assembly as follows:

1 SECTION 1. Title 20 of the General Laws entitled "FISH AND WILDLIFE" is hereby  
2 amended by adding thereto the following chapter:

3 CHAPTER 39

4 INTERSTATE WILDLIFE VIOLATOR COMPACT

5 **20-39-1. Interstate wildlife violator compact.** – The interstate wildlife violator compact  
6 is entered with all states legally joining the compact, in the form substantially as follows:

7 ARTICLE I

8 Findings, Declaration of Policy and Purpose

9 (a) The participating states find that:

10 (1) Wildlife resources are managed in trust by the respective states for the benefit of all  
11 residents and visitors.

12 (2) The protection of the wildlife resources of a state is materially affected by the degree  
13 of compliance with state statutes, laws, regulations, ordinances, and administrative rules relating  
14 to the management of such resources.

15 (3) The preservation, protection, management, and restoration of wildlife contributes  
16 immeasurably to the aesthetic, recreational, and economic aspects of such natural resources.

17 (4) Wildlife resources are valuable without regard to political boundaries; therefore,  
18 every person should be required to comply with wildlife preservation, protection, management,  
19 and restoration laws, ordinances, and administrative rules and regulations of the participating

1 states as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or  
2 possess wildlife.

3 (5) Violation of wildlife laws interferes with the management of wildlife resources and  
4 may endanger the safety of persons and property.

5 (6) The mobility of many wildlife law violators necessitates the maintenance of channels  
6 of communication among the various states.

7 (7) In most instances, a person who is cited for a wildlife violation in a state other than  
8 his/her home state:

9 (i) Is required to post collateral or a bond to secure appearance for a trial at a later date; or

10 (ii) Is taken into custody until the collateral or bond is posted; or

11 (iii) Is taken directly to court for an immediate appearance.

12 (8) The purpose of the enforcement practices set forth in subdivision (7) is to ensure  
13 compliance with the terms of a wildlife citation by the cited person who, if permitted to continue  
14 on his/her way after receiving the citation, could return to his/her home state and disregard his/her  
15 duty under the terms of the citation.

16 (9) In most instances, a person receiving a wildlife citation in his/her home state is  
17 permitted to accept the citation from the officer at the scene of the violation and immediately  
18 continue on his/her way after agreeing or being instructed to comply with the terms of the  
19 citation.

20 (10) The practices described in subdivision (7) cause unnecessary inconvenience and, at  
21 times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand  
22 trial, or pay a fine, and thus is compelled to remain in custody until some alternative arrangement  
23 is made.

24 (11) The enforcement practices described in subdivision (7) consume an undue amount of  
25 law enforcement time.

26 (b) It is the policy of the participating states to:

27 (1) Promote compliance with the statutes, laws, ordinances, regulations, and  
28 administrative rules relating to management of wildlife resources in their respective states.

29 (2) Recognize the suspension of wildlife license privileges of any person whose license  
30 privileges have been suspended by a participating state and treat such suspension as if it had  
31 occurred in their state.

32 (3) Allow a violator, except as provided in subsection (b) of Article III, to accept a  
33 wildlife citation and, without delay, proceed on his/her way, whether or not a resident of the state  
34 in which the citation was issued, provided that the violator's home state is party to this compact.

1 (4) Report to the appropriate participating state, as provided in the compact manual, any  
2 conviction recorded against any person whose home state was not the issuing state.

3 (5) Allow the home state to recognize and treat convictions recorded against its residents,  
4 which convictions occurred in a participating state, as though they had occurred in the home state.

5 (6) Extend cooperation to its fullest extent among the participating states for enforcing  
6 compliance with the terms of a wildlife citation issued in one participating state to a resident of  
7 another participating state.

8 (7) Maximize effective use of law enforcement personnel and information.

9 (8) Assist court systems in the efficient disposition of wildlife violations.

10 (c) The purpose of this compact is to:

11 (1) Provide a means through which participating states may join in a reciprocal program  
12 to effectuate the policies enumerated in subsection (b) in a uniform and orderly manner.

13 (2) Provide for the fair and impartial treatment of wildlife violators operating within  
14 participating states in recognition of the violator's right to due process and the sovereign status of  
15 a participating state.

## 16 ARTICLE II

5 (a) When issuing a citation for a wildlife violation, a wildlife officer shall issue a citation  
6 to any person whose primary residence is in a participating state in the same manner as though  
7 the person were a resident of the issuing state and shall not require such person to post collateral  
8 to secure appearance, subject to the exceptions noted in subsection (b) if the officer receives the  
9 recognizance of such person that he/she will comply with the terms of the citation.

10 (b) Personal recognizance is acceptable:

11 (1) If not prohibited by state or local law or the compact manual; and

12 (2) If the violator provides adequate proof of identification to the wildlife officer.

13 (c) Upon conviction or failure of a person to comply with the terms of a wildlife citation,  
14 the appropriate official shall report the conviction or failure to comply to the licensing authority  
15 of the participating state in which the wildlife citation was issued. The report shall be made in

20 the licensing authority of the issuing state shall transmit to the licensing authority of the home  
21 state of the violator the information in form and content as prescribed in the compact manual.

### 22 ARTICLE IV

#### 23 Procedure for Home State

24 (a) Upon receipt of a report from the licensing authority of the issuing state reporting the  
25 failure of a violator to comply with the terms of a citation, the licensing authority of the home  
26 state shall notify the violator and shall initiate a suspension action in accordance with the home  
27 state's suspension procedures and shall suspend the violator's license privileges until satisfactory  
28 evidence of compliance with the terms of the wildlife citation has been furnished by the issuing  
29 state to the home state licensing authority. All member states may honor a suspension based on  
30 failure to comply. Due process safeguards will be accorded.

31 (b) Upon receipt of a report of conviction from the licensing authority of the issuing state,  
32 the licensing authority of the home state may enter such conviction in its records and may treat  
33 such conviction as though it occurred in the home state for the purposes of the suspension of  
34 license privileges if the violation resulting in a suspension could have been the basis for

1 suspension of license privileges in the home state.

2 (c) The licensing authority of the home state shall maintain a record of actions taken and  
3 shall make reports to issuing states as provided in the compact manual.

#### 4 ARTICLE V

##### 5 Reciprocal Recognition of Suspension

6 (a) All participating states shall recognize the suspension of license privileges of any  
7 person by any participating state as though the violation resulting in the suspension had occurred  
8 in their state and could have been the basis for suspension of license privileges in their state.

9 (b) Each participating state shall communicate suspension information to other  
10 participating states in form and content as contained in the compact manual.

#### 11 ARTICLE VI

##### 12 Applicability of Other Laws

14 construed to affect the right of any participating state to apply any of its laws relating to license  
15 privileges to any person or circumstance or to invalidate or prevent any agreement or other

17 wildlife law enforcement.

9 or intergovernmental agency, individual, firm, or corporation, or any private nonprofit  
10 organization or institution.

34 (90) days after the notice of withdrawal is given. The notice shall be directed to the compact

1 administrator of each member state. No withdrawal of any state shall affect the validity of this  
2 compact as to the remaining participating states.

### 3 ARTICLE IX

#### 4 Amendments to the Compact

5 (a) This compact may be amended from time to time. Amendments shall be presented in  
6 resolution form to the chairman of the board of compact administrators and shall be initiated by

9 become effective thirty (30) days after the date of the last endorsement.

10 (c) Failure of a participating state to respond to the compact chairperson within one

15 This compact must be liberally construed so as to effectuate the purposes stated herein.  
16 The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision

19 is held invalid, the validity of the remainder of this compact shall not be affected thereby. If this  
20 compact shall be held contrary to the constitution of any participating state, the compact shall

2 the suspension could have led to the forfeiture of privileges under Rhode Island law. If the  
3 department determines that the person's privileges could have been forfeited, the department may  
4 suspend the person's privileges to hunt, trap, or fish in this state for the same period as imposed  
5 by the participating state not to exceed the maximum limits allowed by Rhode Island law.

6 (b) When the department receives notice of a conviction of a state resident from the  
7 licensing authority of the issuing state, the department may treat the conviction as if it had  
8 occurred in Rhode Island and shall determine whether the conviction could have led to the  
9 forfeiture of the resident's hunting, trapping, or fishing privileges under state law. If the  
10 department determines that the resident's privileges could have been forfeited, the department  
11 may suspend the resident's privileges to hunt, trap, or fish in this state for the same period as the  
12 issuing state, not to exceed the limit that could have been imposed under Rhode Island law.

13 (c) Notice of the suspension must be sent to the person, who must surrender any current  
14 Rhode Island hunting, trapping, or fishing licenses to the department within ten (10) days.

15 (d) A person whose privileges have been suspended and who hunts, traps, or fishes in this

18 a misdemeanor.

20 **participating state - Penalty.** – (a) The department of environmental management may suspend  
21 the hunting, trapping, or fishing privileges of any resident of this state upon notification from the

24 receives satisfactory evidence of compliance from the issuing state.

25 (b) Notice of the suspension must be sent to the resident, who shall surrender all current  
26 Rhode Island hunting, trapping, or fishing licenses to the department within ten (10) days.

27 (c) A person who hunts, traps, or fishes, who applies for or purchase licenses or permits,

33 days of the notice, request a hearing before the department on whether the requirements for  
34 suspension have been met.

1           (b) Upon request, the department shall set a hearing as early as practicable.

3 contesting whether:

4           (i) A participating state suspended the person's privileges;  
5           (ii) There was a conviction in the participating state;  
6           (iii) The person failed to comply with the terms of a citation issued for a wildlife  
7 violation in a participating state; or

8           (iv) A conviction in a participating state could have led to the forfeiture of privileges  
9 under Rhode Island law.

10          (2) Grounds other than those listed in subsection (a) may not be used to contest the  
11 department's decision to suspend the person's privileges.

12          (d) At the hearing, the department, through its authorized agent, may:

13          (1) Administer oaths;  
14          (2) Issue subpoenas for the attendance of witnesses; and  
15          (3) Admit all relevant evidence and documents, including notifications from participating  
16 states.

17          (e) Following the hearing, the department, through its authorized agent, may, based on
