7 (b) A corporation shall pay the amount of any tax as computed in accordance with

8 subsection (a) of this section after deducting from "net income," as used in this section, fifty

percent (50%) of the excess of capital gains over capital losses realized during the taxable year, if

16 consideration, received during the taxable year in connection with the conduct of the taxpayer's

17 activities.

18 (c) A corporation shall not pay the amount of the tax computed on the basis of its net

income under subsection (a) of this section, but shall annually pay to the state a tax equal to ten

5	"real estate investment trust" as defined in the federal income tax law applicable to the taxable
6	year. "Gross income" means gross income as defined in the federal income tax law applicable to
7	the taxable year, plus:
8	(1) Any interest not included in the federal gross income; minus
9	(2) Interest on obligations of the United States or its possessions, and other interest
10	exempt from taxation by this state; and minus
11	(3) Fifty percent (50%) of the excess of capital gains over capital losses realized during
12	the taxable year.
13	(d) (1) A small business corporation having an election in effect under subchapter S, 26
14	U.S.C. section 1361 et seq., shall not be subject to the Rhode Island income tax on corporations,
15	except that the corporation shall be subject to the provisions of subsection (a), to the extent of the
16	income that is subjected to federal tax under subchapter S.
17	(2) The shareholders of the corporation who are residents of Rhode Island shall include
18	in their income their proportionate share of the corporation's federal taxable income.
19	(3) [Deleted by P.L. 2004, ch. 595. art. 29, section 1.]
20	(4) [Deleted by P.L. 2004, ch. 595, art. 29, section 1.]
21	(e) Minimum tax The tax imposed upon any corporation under this section shall not be
22	less than five hundred dollars (\$500).
23	However, any corporation that has been out of business for more than twelve (12)
24	consecutive months shall not be liable for the minimum corporate tax, for any tax year in which
25	the business was not in business for the entire tax year. This provision will not relieve such
26	corporation from liability for payment of the appropriate corporate income tax for any tax year in
27	which the corporation was in business for any portion of the tax year.
28	SECTION 2. This act shall take effect upon passage.
