ISSUANCE OF NOT MORE THAN \$2,000,000 GENERAL OBLIGATION BONDS AND
NOTES THEREFOR**

Introduced By: Representatives Handy, Lima, Jacquard, Palumbo, and Mattiello

Date Introduced: April 30, 2014

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. The city of Cranston is hereby empowered, in addition to authority
2 previously granted, to issue bonds and notes to an amount not exceeding two million dollars
3 (\$2,000,000) from time to time under its corporate name and seal or a facsimile of such seal. The
4 bonds of each issue shall mature in annual installments of principal, the first installment to be not
5 later than three (3) years and the last installment not later than thirty (30) years after the date of
6 the bonds. All such bonds of a particular issue may be issued in the form of zero coupon bonds,
7 capital appreciation bonds, serial bonds or term bonds or a combination thereof. Annual
8 installments of principal may be provided for by maturity of principal in the case of serial bonds
9 or by mandatory sinking fund installments in the case of term bonds. The amount of principal
10 appreciation each year on any bonds, after the date of original issuance, shall not be considered to
11 be principal indebtedness for the purposes of any constitutional, statutory, or charter debt limit or
12 any other limitation. The appreciation of principal after the date of original issuance shall be
13 considered interest. Only the original principal amount shall be counted in determining the
14 principal amount so issued and any interest component shall be disregarded.

15 SECTION 2. The bonds shall be signed by the manual or facsimile signatures of the
16 director of finance and the mayor and shall be issued and sold in such amounts as the city council
17 may authorize. The manner of sale, denominations, maturities, interest rates and other terms,

1 conditions and details of any bonds or notes issued under this act may be fixed by the proceedings
2 of the city council authorizing the issue or by separate order or resolution of the city council or, to
3 the extent provisions for these matters are not so made, they may be fixed by the officers
4 authorized to sign the bonds or notes. Interest coupons (if any) shall bear the facsimile signature
5 of the director of finance. The proceeds derived from the sale of the bonds shall be delivered to
6 the city treasurer, and such proceeds, exclusive of premiums and accrued interest, shall be
7 expended:

8 (1) To finance the acquisition, construction, improvement, renovation, repair, alteration
9 and equipping of playgrounds and athletic fields in the city; or

10 (2) In payment of the principal of or interest on temporary notes issued under section 3;
11 or

12 (3) In repayment of advances under section 4;

13 (4) In payment of costs of issuance associated with the issuance of bonds or notes
14 hereunder; and/or

15 (5) To finance capitalized interest on the projects. No purchaser of any bonds or notes
16 under this act shall be in any way responsible for the proper application of the proceeds derived
17 from the sale thereof. The proceeds of bonds or notes issued under this act, any applicable federal
18 or state assistance and the other monies referred to in sections 6 and 9 shall be deemed
19 appropriated for the purposes of this act without further action than that required by this act. In
20 addition to such funds, there may be expended for the purposes of this act such other sums as may
21 be appropriated therefor. The bonds authorized by this act may be consolidated for the purposes
22 of issuance and sale with any other bonds of the city heretofore or hereafter authorized, provided
23 that notwithstanding any such consolidation, the proceeds from the sale of the bonds authorized
24 by this act shall be expended for the purposes set forth above. The director of finance and the
25 mayor, on behalf of the city, are hereby authorized to execute such instruments, documents or
26 other papers as either of them deem necessary or desirable to carry out the intent of this act and
27 are also authorized to take all actions and execute all documents or agreements necessary to
28 comply with federal tax and securities laws, which documents or agreements may have a term
29 coextensive with the maturity of the bonds authorized hereby, including Rule 15c2-12 of the
30 Securities and Exchange Commission and to execute and deliver a continuing disclosure
31 agreement or certificate in connection with the bonds or notes.

32 SECTION 3. The city council may, by order or resolution authorizing the bonds or by
33 separate order or resolution, authorize the issuance from time to time of interest bearing or
34 discounted notes in anticipation of the issue of bonds under section 2 or in anticipation of the

1 receipt of federal or state aid for the purposes of this act. The amount of original notes issued in
2 anticipation of bonds may not exceed the amount of bonds which may be issued under this act
3 and the amount of original notes issued in anticipation of federal or state aid may not exceed the
4 amount of available federal or state aid as estimated by the director of finance. Temporary notes
5 issued hereunder shall be signed by the manual or facsimile signature of the director of finance
6 and countersigned by the manual or facsimile signature of the mayor and shall be payable within
7 five (5) years from their respective dates, but the principal of and interest on notes issued for a
8 shorter period may be renewed or paid from time to time by the issuance of other notes
9 hereunder, provided the period from the date of an original note to the maturity of any note issued
10 to renew or pay the same debt or the interest thereon shall not exceed five (5) years. Any
11 temporary notes in anticipation of bonds issued under this section may be refunded prior to the
12 maturity of the notes by the issuance of additional temporary notes, provided that no such
13 refunding shall result in any amount of such temporary notes outstanding at any one time in
14 excess of two hundred percent (200%) of the amount of bonds which may be issued under this
15 act, and provided further that if the issuance of any such refunding notes results in any amount of
16 such temporary notes outstanding at any one time in excess of the amount of bonds which may
17 be issued under this act, the proceeds of such refunding notes shall be deposited in a separate fund
18 established with the bank which is paying agent for the notes being refunded. Pending their use to
19 pay the notes being refunded, monies in the fund shall be invested for the benefit of the city by
20 the paying agent at the direction of the city treasurer in any investment permitted under section 5.
21 The monies in the fund and any investments held as a part of the fund shall be held in trust and
22 shall be applied by the paying agent solely to the payment or prepayment of the principal of and
23 interest on the notes being refunded. Upon payment of all principal of and interest on the notes,
24 any excess monies in the fund shall be distributed to the city. The city may pay the principal of
25 and interest on notes in full from other than the issuance of refunding notes prior to the issuance
26 of bonds pursuant to section 1 hereof. In such case, the city's authority to issue bonds or notes in
27 anticipation of bonds under this act shall continue provided that:

28 (1) The city council passes a resolution evidencing the city's intent to pay off the notes
29 without extinguishing the authority to issue bonds or notes; and

30 (2) That the period from the date of an original note to the maturity date of any other note
31 shall not exceed five (5) years.

32 SECTION 4. Pending any authorization or issuance of bonds hereunder or pending or in
33 lieu of any authorization or issuance of notes hereunder, the city treasurer, with the approval of
34 the city council given by an order or resolution passed and approved in the manner provided in

1 chapter 12 of the city charter, but not subject to the provisions of section 12.03 of said chapter,
2 may, to the extent that bonds or notes may be issued hereunder, apply funds in the treasury of the
3 city to the purposes specified in section 2, such advances to be repaid without interest from the
4 proceeds of bonds or notes subsequently issued or from the proceeds of applicable federal or state
5 assistance or from other available funds.

6 SECTION 5. Any proceeds of bonds or notes issued hereunder or of any applicable
7 federal or state assistance, pending their expenditure, and subject to the approval of the
8 investment committee mentioned in section 7.05 of the city charter, may be deposited or invested
9 by the city treasurer in demand deposits, time deposits or savings deposits in banks which are
10 members of the Federal Deposit Insurance Corporation or in obligations issued or guaranteed by
11 the United States of America or by any agency or instrumentality thereof or as may be provided
12 in any other applicable laws of the state of Rhode Island and by ordinance or resolution of the city
13 council.

14 SECTION 6. Any accrued interest received upon the sale of bonds or notes hereunder
15 shall be applied to the payment of the first interest due thereon. Any net earnings or profits
16 realized from the investment of funds hereunder and any premiums arising from the sale of bonds
17 or notes hereunder shall, in the discretion of the city treasurer, be applied to the cost of preparing,
18 issuing and marketing bonds or notes hereunder to the extent not otherwise provided, to the
19 payment of the cost of the projects or the cost of additional improvements coming within the
20 description of the projects in section 2 of this act, to the payment of the principal of or interest on
21 bonds or notes issued hereunder, or to any one or more of the foregoing. The cost of preparing,
22 issuing and marketing bonds or notes hereunder may also, in the discretion of the city treasurer,
23 be met from bond or note proceeds exclusive of premium and accrued interest or from other
24 monies available therefor. Any balance of bond or note proceeds remaining after payment of the
25 cost of the projects and the cost of additional improvements coming within the description of the
26 projects in section 2 of this act, and the cost of preparing, issuing and marketing bonds or notes
27 hereunder shall be applied to the payment of the principal of or interest on bonds or notes issued
28 hereunder. To the extent permitted by applicable federal law, any earnings or net profit realized
29 from the deposit or investment of funds hereunder may upon receipt be added to and dealt with as
30 part of the revenues of the city from property taxes. In exercising any discretion under this
31 section, the city treasurer shall be governed by any instructions adopted by any order or resolution
32 of the city council.

33 SECTION 7. All bonds and notes issued under this act and the debts evidenced thereby
34 shall be obligatory on the city in the same manner and to the same extent as other debts lawfully

1 contracted by it and shall be excepted from the operation of section 45-12-2 of the general laws.
2 No such obligation shall at any time be included in the debt of the city for the purpose of
3 ascertaining its borrowing capacity. The city shall annually appropriate a sum sufficient to pay
4 the principal and interest coming due within the year on bonds and notes issued hereunder to the
5 extent that monies therefor are not otherwise provided. If such sum is not appropriated, it shall
6 nevertheless be added to the annual tax levy. In order to provide such sum in each year and
7 notwithstanding any provision of law to the contrary, all taxable property in the city shall be
8 subject to ad valorem taxation by the city without limitation as to rate or amount.

9 SECTION 8. Any bonds or notes issued under the provisions of this act, and coupons, if
10 any, if properly executed by the officers of the city in office on the date of execution, shall be
11 valid and binding according to their terms notwithstanding that before the delivery thereof and
12 payment therefor any or all of the officers shall for any reason have ceased to hold office.

13 SECTION 9. The city, acting by order or resolution of its city council, passed and
14 approved in the manner provided in chapter 12 of the city charter, but not subject to the
15 provisions of section 12.03 of said chapter, is authorized to apply for, contract for and expend any
16 federal or state advances or other grants of assistance which may be available for the purposes of
17 this act, and any such expenditures may be in addition to other monies provided in this act. To the
18 extent of any inconsistency between any law of this state and any applicable federal law or
19 regulation, the latter shall prevail. Federal and state advances, with interest where applicable,
20 whether contracted for prior to or after the effective date of this act, may be repaid as projects
21 costs under section 2 of this act.

22 SECTION 10. Bonds and notes may be issued under this act without obtaining approval
23 of any governmental agency or the taking of any proceedings or the happening of any conditions
24 except as specifically required by this act for such issue. In carrying out any projects financed in
25 whole or in part under this act, including where applicable the condemnation of any land or
26 interest in land, and in the levy and collection of assessments or other charges permitted by law
27 on account of any such projects, all action shall be taken which is necessary to meet constitutional
28 requirements whether or not such action is otherwise required by statute, but the validity of bonds
29 or notes issued hereunder shall in no way depend upon the validity or occurrence of such action.

30 SECTION 11. All or any portion of the authorized but unissued authority to issue bonds
31 and notes under this act may be extinguished by ordinance of the city council, without further
32 action by the general assembly, seven (7) years after the effective date of this act.

33 SECTION 12. The question of the approval of this act shall be submitted to the electors
34 of the city at the general election to be held on November 4, 2014. The question shall be

1 submitted in substantially the following form: "Shall an act, passed at the 2014 session of the
2 general assembly, entitled 'AN ACT AUTHORIZING THE CITY OF CRANSTON TO

4 REPAIR, ALTERATION AND EQUIPPING OF PLAYGROUNDS AND ATHLETIC FIELDS
5 IN THE CITY BY THE ISSUANCE OF NOT MORE THAN \$2,000,000 GENERAL
6 OBLIGATION BONDS AND NOTES THEREFOR' be approved?" and the warning for the
7 election shall contain the question to be submitted. From the time the election is warned and until
8 it is held, it shall be the duty of the city clerk to keep a copy of the act available at the city clerk's
9 office for public inspection, but the validity of the election shall not be affected by this
10 requirement. To the extent of any inconsistency between this act and the city charter, this act shall
11 prevail.

12 SECTION 13. This section and section 12 shall take effect upon passage of this act. The
13 remainder of this act shall take effect upon the approval of this act by a majority of those voting
14 on the question at the election prescribed by section 12.
