It is enacted by the General Assembly as follows:

1 SECTION 1. The general assembly hereby finds that:

3 River") located in the town of Lincoln pursuant to § 42-61.2-2.1 and electoral approval in
4 accordance with Article VI, Section 22 of the Rhode Island Constitution. The state of Rhode
5 Island also operates video lottery games at Twin River pursuant to § 42-61.2-2.

6 (2) It is imperative that legislative action be taken to preserve and protect the state's
7 ability to maximize revenues at Twin River in an increasingly competitive gaming market by
8 expanding critical revenue-driving programs.

9 (3) The extension of credit to table game and video lottery players (collectively, "players"
10 or "patrons") is a vital customer service function that facilitates a gaming program's long-term
11 success.

12 (4) While preserving and protecting the state's ability to maximize revenues in the
13 competitive gaming market is imperative to the financial well-being of the state, the general
14 assembly also recognizes the need to balance that concern with the financial well-being and
15 safety of its citizens.

16 (5) While gaming and gambling can be a healthy source of recreation and entertainment
17 enjoyed by many people, the general assembly must ensure that persons who obtain a line of
18 credit from, or at, a state-operated gaming facility or casino are financially sound and financially
19 capable of entering into agreements for a line of credit.

1 (6) It is the intent of the general assembly to authorize the establishment of a program for
2 the extension of credit to players at Twin River pursuant to the terms and conditions hereof and
3 the rules and regulations submitted by Twin River and approved and promulgated by the division
4 of lotteries.

5 It is also the intent of the general assembly to place limitations on the amount of the line
6 of credit that may be provided to an individual patron by, or at, a state-operated gaming facility or
7 casino.
