8 laws to food stamps shall be deemed to mean, apply to, refer to, and be interpreted in accordance
9 with the supplemental nutrition assistance program (SNAP).

10 (b) The department is empowered and authorized to submit its plan for food stamps to
11 the federal government or any agency or department of it. The department shall act for the state in
12 any negotiations relative to the submission and approval of a plan, and may make any
13 arrangement or changes in its plan not inconsistent with this chapter which may be required by
14 the Food Stamp Act or the rules and regulations promulgated pursuant to it to obtain and retain
15 such approval and to secure for this state the benefits of the provisions of the federal act relating
16 to food stamps. The department shall make reports to the federal government or any agency or
17 department of it in the form and nature required by it, and in all respects comply with any request
18 or direction of the federal government or any agency or department of it, which may be necessary

9 to insure that the individual presenting the EBT card is the person identified by the photo
10 identification. Failure to request such photo identification and perform such verification of
11 identity shall result in the suspension of the retailer's privilege of accepting EBT cards for
12 payment of any transactions for a period of one month for each offense. The department is
13 authorized to promulgate regulations implementing the provisions of this subsection consistent
14 herewith. The penalty provided in this subsection shall be in addition to the penalties provided in
15 § 40-6-16, and a successful prosecution under that section shall not be a necessary precedent for
16 the penalty provided herein.
