2 Committees and Superintendents" is hereby amended to read as follows:

3           **16-2-17. Right to a safe school.** -- (a) Each student, staff member, teacher, and  
4 administrator has a right to attend and/or work at a school which is safe and secure, and which is  
5 conducive to learning, and which is free from the threat, actual or implied, of physical harm by a  
6 disruptive student. A disruptive student is a person who is subject to compulsory school  
7 attendance who exhibits persistent conduct which substantially impedes the ability of other

10 administrators.

11           (b) The school committee, or a school principal as designated by the school committee,

18 committee, or a school principal as designee, to the commissioner of elementary and secondary  
19 education who, after notice to the parties interested of the time and place of hearing, shall

1 examine and decide the appeal without cost to the parties involved. Any decision of the  
2 commissioner in these matters shall be subject to appeal by the student to the board of regents for  
3 elementary and secondary education and any decision of the board of regents may be appealed by  
4 the student to the family court for the county in which the school is located as provided in section  
5 42-35-15.

6 (d) The commissioner shall develop a method to analyze local school system discipline  
7 data collected in accordance with § 16-60-4(21) to determine whether the discipline imposed has  
8 a disproportionate impact on students based on race or ethnicity. If such an impact is found, the  
9 local school system shall prepare and present to the department a plan to reduce that impact. The  
10 local school system shall report its progress annually to the board of education.

11 SECTION 2. Chapter 16-2 of the General Laws entitled "School Committees and  
12 Superintendents" is hereby amended by adding thereto the following section:

13 **16-2-17.1. In-school suspensions.** – Suspensions shall be in-school suspensions, unless
