### AN ACT

#### RELATING TO INSURANCE - CASUALTY INSURANCE RATING

Introduced By: Senators Goodwin, and Ruggerio

Date Introduced: April 09, 2014

Referred To: Senate Judiciary

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 27-9-7.3 of the General Laws in Chapter 27-9 entitled "Casualty 2 Insurance Rating" is hereby repealed. 27-9-7.3. Rating for nonbusiness policies. -- (a) Notwithstanding the requirements of 3 4 section 27-9-7, a filing made by an insurer under this section that provides for an overall 5 statewide rate increase or decrease of no more than five percent (5%) in the aggregate for all coverages that are subject to the filing may take effect the date it is filed. The five percent (5%) 6 7 limitation does not apply on an individual insured basis. No more than one rate filing may be made by an insurer pursuant to the expedited process provided in this subsection during any 8 twelve (12) month period, unless a rate filing, when combined with any other rate filing or filings 9 made by an insurer within the preceding twelve (12) months, does not result in an overall 10 statewide increase or decrease of more than five percent (5%) in the aggregate for all coverages 11 12 that are subject to the filing. 13 (b) Rate filings falling outside of the limitation provided for in subsection (a) of this 14 section shall be subject to section 27-9-9, unless those filings are other exempt from those 15 provisions pursuant to another section of the insurance code. 16 (c) A filing submitted pursuant to subsection (a) of this section is considered to comply 17 with state law. However, if the commissioner of insurance determines that the filing is inadequate 18 or unfairly discriminatory, he/she shall issue a written order specifying in detail the provisions of

the insurance code the insurer has violated and the reasons the filing is inadequate or unfairly

discriminatory and stating a reasonable future date on which the filing is to be considered no longer effective. An order by the commissioner pursuant to this subsection that is issued more than thirty (30) days from the date on which the commissioner received the rate filing is prospective only and does not affect any contract issued or made before the effective date of the order. For purposes of this act, "unfairly discriminatory" means a rate for a risk that is classified

in whole or in part on the basis of race, color, creed or national origin.

(d) No rate increase within the limitation specified in subsection (a) of this section may be implemented with regard to an individual existing policy, unless the increase is applied at the time of a renewal or conditional renewal of an existing policy and the insurer, at least thirty (30) days in advance of the end of the insured's policy period, mails or delivers to the named insured, at the address shown in the policy, a written notice that clearly and conspicuously discloses its intention to change the rate. A notice of renewal or conditional renewal that clearly and conspicuously discloses the renewal premium applicable to the policy shall be deemed to be in compliance with this subsection.

SECTION 2. This act shall take effect upon passage.
