STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2014

$A\ N\quad A\ C\ T$

RELATING TO EDUCATION - THE CTE RE-IMAGINED ACT

Introduced By: Senators Picard, Miller, Metts, Gallo, and DiPalma

Date Introduced: May 01, 2014

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1	SECTION 1. Title 16 of the General Laws entitled "EDUCATION" is hereby amended
2	by adding thereto the following chapter:
3	CHAPTER 45.2
4	THE CAREER TECHNICAL EDUCATION RE-IMAGINED ACT
5	16-45.2-1. Short title This chapter shall be known and may be cited as "The Career
6	Technical Education Re-Imagined Act".
7	16-45.2-2. Definitions. – As used in this chapter, the following words shall have the
8	following meaning unless the context clearly indicates otherwise:
9	(1) "Board of education" means the Rhode Island board of education.
10	(2) "Career and technical education" (CTE) means the programs and schools established
11	under chapter 16-45.
12	(3) "Charter school" means any public school established under chapters 16-77.1, 16-
13	77.2, 16-77.3, and 16-77.4.
14	(4) "Commissioner" means the Rhode Island commissioner of elementary and secondary
15	education.
16	(5) "Model site" means a career preparation program located in a public high school,
17	charter school, or consortia of public schools that is selected on a competitive basis to serve as a
18	test site for a re-imagined approach to career and technical education in Rhode Island.

(6) "School district" means any public school district in Rhode Island.

1	(1) "Resident district" means the school system of the city or town in which a student
2	resides, as identified in § 16-64-1.
3	<u>16-45.2-3. CTE Re-Imagined model site(s). – (a) It is the intent of the general assembly</u>
4	to re-imagine the approach to career and technical education statewide in Rhode Island, by
5	authorizing the board of education to establish a competitive process, to examine implementation
6	of up to two (2) model sites over a one-year period, to modify the resulting model(s) based on
7	initial evidence, and then to pursue their deployment statewide.
8	(b) Any school district, charter school, or consortia of public schools is eligible to submit
9	a proposal to establish a model site for a re-imagined career and technical high school. Said
10	proposal shall be submitted to the commissioner and to the school committee in which the model
11	site is to be located no later than November 1, 2014. The approval of the board of education and
12	the school committee shall be required in order to begin operation.
13	(c) The applicant(s) must identify any state laws, regulations, and, if applicable, school
14	district rules from which variance is necessary for the purposes of establishing a model site.
15	Applicants may not seek waiver of the provisions enumerated in § 16-77.3-7. By approval of the
16	proposal upon the recommendation of the commissioner, the board of education will be deemed
17	to have authorized all necessary variances from law and regulation enumerated in the proposal.
18	<u>16-45.2-4. Student eligibility for enrollment in model site(s). – (a) Any student that</u>
18 19	<u>16-45.2-4. Student eligibility for enrollment in model site(s).</u> – (a) Any student that meets all the following criteria shall be eligible to apply for a seat in one or more model site(s):
19	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s):
19 20	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is
19 20 21	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is located; and (2) The student meets all model site program eligibility standards consistent with
19 20 21 22 23	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is located; and (2) The student meets all model site program eligibility standards consistent with section 5.3 of the regulations of the Rhode Island board of regents governing career and technical
19 20 21 22	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is located; and (2) The student meets all model site program eligibility standards consistent with section 5.3 of the regulations of the Rhode Island board of regents governing career and technical education; and (3) Any other eligibility requirements set forth in the model site application and
19 20 21 22 23 24	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is located; and (2) The student meets all model site program eligibility standards consistent with section 5.3 of the regulations of the Rhode Island board of regents governing career and technical education; and (3) Any other eligibility requirements set forth in the model site application and approved by the board of education.
19 20 21 22 23 24 25	meets all the following criteria shall be eligible to apply for a seat in one or more model site(s): (1) The student must reside within the state transportation district in which the model site is located; and (2) The student meets all model site program eligibility standards consistent with section 5.3 of the regulations of the Rhode Island board of regents governing career and technical education; and (3) Any other eligibility requirements set forth in the model site application and approved by the board of education. (c) The model site shall submit to the board of education information regarding each student's academic performance, credentials earned, job offers, and eventual employment or post-secondary enrollment; the school's partnerships with business, industry, and other organizations;

- 1 <u>16-45.2-5. Start-up of model site.</u> The general assembly shall, by appropriation,
 2 provide funding for one-time start-up costs for the model site(s) and for costs associated with the
 3 department of education's support across model site(s) and statewide as the general assembly
- 4 determines to be in the best interests of and in furtherance of its duties to promote schools and
- 5 <u>education pursuant to article XII of the constitution of Rhode Island.</u>
- 6 SECTION 2. This act shall take effect upon passage.

LC004817

EXPLANATION

BY THE LEGISLATIVE COUNCIL

OF

$A\ N\quad A\ C\ T$

RELATING TO EDUCATION - THE CTE RE-IMAGINED ACT

1	This act would authorize the establishment of two (2) model sites to serve as test sites for
2	a re-imagined approach to career and technical education under the supervision of the board of
3	education. The model sites would be chosen as a result of a competitive process open to charter
4	schools, school districts, or a consortium of public schools with the general assembly providing
5	one-time funding of start-up costs, and costs associated with the department of education's
6	support.
7	This act would take effect upon passage.
