**JANUARY SESSION, A.D. 2014**

---

**J O I N T   R E S O L U T I O N**

**RESPECTFULLY REQUESTING RHODE ISLAND'S CONGRESSIONAL DELEGATION TO  
CONTINUE ITS SUPPORT FOR THE DEFENSE INDUSTRY IN RHODE ISLAND AND TO  
ASSIST THE RHODE ISLAND DEFENSE ECONOMY PLANNING COMMISSION'S  
EFFORTS TO SECURE ADDITIONAL FEDERAL RESOURCES**

Introduced By: Senators DiPalma, Ruggerio, Algieri, Felag, and Ottiano

Date Introduced: June 12, 2014

Referred To: Placed on the Senate Consent Calendar

1           WHEREAS, The defense industry is one of Rhode Island's most important economic  
2 sectors, spanning a range of public and private enterprises, and generating over \$1.75 billion in  
3 economic activity in Rhode Island on an annual basis; and

4           WHEREAS, According to recent data, the defense industry employs over 16,000 people  
5 in Rhode Island with a total payroll of over \$900 million, with the 2011 average defense industry  
6 wage amounting to \$63,216, higher than the state's average wage of \$45,702; and

7           WHEREAS, In recognition of the importance of the defense industry to Rhode Island, the  
8 General Assembly established the Rhode Island Defense Economy Planning Commission in  
9 2010; and

10          WHEREAS, The mission of the Rhode Island Defense Economy Planning Commission  
11 is:

12           1. To make recommendations to preserve and protect the state's defense economy and  
13 military installations;

14           2. To support the state's position in research and development related to or arising out of  
15 military missions and contracting;

16           3. To strengthen and expand the deep technical and domain knowledge of the defense  
17 workforce in Rhode Island through targeted workforce training and developmental investments;

18           4. To improve the state's military friendly environment for service members, military

1 dependents, military retirees and businesses that bring military and base-related jobs to the state;  
2 and

3 5. To provide incentives for military installation growth and operational competitiveness  
4 in Rhode Island; and

5 WHEREAS, Since its creation, the Defense Economy Planning Commission has been:

6 1. Championing Rhode Island as the "Most Military Friendly State" in the nation;

7 2. Advocating and coordinating a unified message of the importance of the Rhode Island  
8 defense industry between executive and legislative branches of Rhode Island government, and  
9 between congressional members and defense communities;

10 3. Maintaining a proactive posture toward evaluating and addressing the impact of  
11 potential military mission consolidations or realignment actions including recent sequestration  
12 budget reduction threats so as to ensure that Rhode Island is positioned for additional incremental  
13 growth within the United States Department of Defense and its related industries;

14 4. Focusing upon fostering proactive programs for Rhode Island military installations  
15 operational and energy efficiencies;

16 5. Fostering mutually beneficial communication and strengthening relationships with  
17 military installation leadership and local and state community leaders; and

18 6. Ensuring all relevant local, state and federal agencies are aware and engaged with the  
19 important economic value of the Rhode Island defense industry; and

20 WHEREAS, The Rhode Island Defense Economy Planning Commission will continue its  
21 work and recommending public policies that promote, preserve and expand military missions and  
22 installations and related industries across the state of Rhode Island along with expanding the  
23 state's broad-based employment and economic benefits; now therefore be it

24 RESOLVED, That this General Assembly of the State of Rhode Island and Providence  
25 Plantations hereby commends the Rhode Island Defense Economy Planning Commission for its  
26 work to date; and be it further

27 RESOLVED, That this General Assembly hereby respectfully encourages all interested  
28 Rhode Islanders to review and consider the findings of the Rhode Island Defense Economy  
29 Planning Commission in envisioning the future of the defense industry in Rhode Island; and be it  
30 further

31 RESOLVED, That this General Assembly hereby respectfully requests Rhode Island's  
32 Congressional Delegation to continue its support for the defense industry in our state and assist  
33 the Rhode Island Defense Economy Planning Commission's efforts through securing additional  
34 federal resources that will further:

- 1           1. Preserve and protect the state's defense economy and military installations;
- 2           2. Support the state's position in research and development related to or arising out of
- 3 military missions and contracting;
- 4           3. Strengthen and expand the deep technical and domain knowledge of the defense
- 5 workforce in Rhode Island through targeted workforce training and development investments;
- 6           4. Improve the state's military friendly environment for service members, military
- 7 dependents, military retirees and businesses that brings military and base-related jobs to the state;
- 8 and
- 9           5. Provide incentives for military installation growth and operational competitiveness in
- 10 Rhode Island; and be it further
- 11           RESOLVED, That the Secretary of State be and hereby is authorized and directed to
- 12 transmit duly certified copies of this resolution to the Rhode Island Delegation to the United
- 13 States Congress.
