# AN ACT

### RELATING TO HEALTH AND SAFETY -- INFORMED CONSENT FOR ABORTION

Introduced By: Representatives MacBeth, Corvese, Fellela, Azzinaro, and McLaughlin Date Introduced: February 26, 2015

Referred To: House Judiciary

It is enacted by the General Assembly as follows:

- 1 SECTION 1. Sections 23-4.7-3 and 23-4.7-7 of the General Laws in Chapter 23-4.7 2 entitled "Informed Consent for Abortion" are hereby amended to read as follows:
- 3 23-4.7-3. Required disclosures. -- (a) Either the physician who is to perform the abortion or his or her authorized agent or another physician or his or her authorized agent shall:
  - (1) Inform the woman that she is pregnant and inform her of the estimated gestational age of the fetus at the time of the disclosure.
- 7 (2) Explain to the woman the medical nature of an abortion, including the probable gestational age of the fetus at the time the abortion is to be performed. 8
- 9 (3) Explain to the woman the medical or surgical procedure to be employed to perform the abortion.
  - (4) Explain to the woman all known material medical risks associated with the particular abortion procedure to be employed. In the event a physician or his or her authorized agent determines that the disclosure of a known material risk should not be made, that risk need not be disclosed, provided the medical basis for the nondisclosure is certified in writing in the patient's medical record.
  - (b) In addition, a physician or his or her authorized agent may inform the woman of any other material facts or opinions or otherwise state anything with respect to the disclosures required in this section which, in the exercise of his or her best medical judgment, is reasonably necessary to enable the woman to give her informed consent to the proposed abortion, with full

1	knowledge of its nature and consequences.
2	(c) In addition, prior to a woman giving informed consent to having any part of an
3	abortion performed, the physician who is to perform the abortion, or certified technician working
4	in conjunction with the physician, shall:
5	(1) Perform an obstetric ultrasound on the pregnant woman;
6	(2) Offer an explanation of the results of the ultrasound;
7	(3) Display the ultrasound images so that the pregnant woman may view them;
8	(4) Provide a medical description of the ultrasound images, which shall include the
9	dimensions of the embryo or fetus and the presence of external members and internal organs, if
10	present and viewable; and
11	(5) Provide an opportunity for the woman to refuse to consent to the abortion.
12	(d) No requirement to view ultrasound images Nothing in this section shall be construed
13	to require a woman to view the ultrasound images. Neither the physician nor the woman shall be
14	subject to any penalty if she refuses to look at the presented ultrasound images.

## BY THE LEGISLATIVE COUNCIL

OF

# AN ACT

# RELATING TO HEALTH AND SAFETY -- INFORMED CONSENT FOR ABORTION

\*\*\*

This act would require that an ultrasound fetal image be made of every fetus about to be
aborted for review by the woman seeking the abortion, and would add language which makes it
clear that a woman can refuse to view the images.

This act would take effect upon passage.
