EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF

A N A C T

RELATING TO PUBLIC UTILITIES AND CARRIERS - PUBLIC MOTOR VEHICLES

1 This act would require all persons operating public motor vehicles to apply for a vehicle
2 identification device for each vehicle so registered. All such devices would have to be carried by
3 the driver of the vehicle which he or she is operating and would provide penalties for failure to do
4 so. This act would further permit the administrator to refuse to reissue the identification device in
5 the event complaints are filed which evidence probable cause of failure to abide by regulations or
6 probable cause that the operator is a danger to the general public.

7 This act would take effect upon passage.
