3 litigation, inefficiency, and delay in court proceedings, and deterring false or exaggerated claims
4 of injury. The standards shall be applicable to proceedings before the workers' compensation
5 court, including specifically those to determine the nature and extent of injury and the
6 achievement of maximum medical improvement, and shall be effective in all proceedings when
7 adopted by the court.

16 violation.

17 (4) This section shall not prevent the recovery of reasonable costs for immediate
18 emergency care rendered by a provider.

19 (f) As a guide to the interpretation and application of this section, the policy and intent of
20 this legislature is declared to be that every person who suffers a compensable injury with
21 resulting disability should be provided with high quality medical care and the opportunity to
22 return to gainful employment as soon as possible with minimal dependence on compensation
23 awards.

24 SECTION 2. Sections 28-33-17.2, 28-33-17.3 and 28-33-18.3 of the General Laws in
25 Chapter 28-33 entitled "Workers' Compensation - Benefits" are hereby amended to read as
26 follows:

27 **28-33-17.2. Employee's affirmative duty to report earnings -- Penalties for failure to**
28 **provide earnings report -- Civil and criminal liability.** -- (a) It is the intent of the legislature
29 that the costs resulting from fraud and abuse in the workers' compensation system be arrested. In
30 order to discourage potential abusers, employees must be aware of the affirmative duty to report
31 earnings and the penalties for any fraud or abuse must be severe and certain.

32 (b) Any employee entitled to receive weekly workers' compensation benefits shall have
33 an affirmative duty to report those earnings, including wages or salary remuneration paid for
34 personal services, commissions, and bonuses, including the cash value of all remuneration

1 payable in any medium other than cash, earned from self-employment or from any employer
2 other than the employer in whose employ he or she was injured, so that compensation benefits
3 may be properly computed.

4 (c) (1) The department of labor and training, employer, or insurer shall notify any
5 employee receiving weekly workers' compensation benefits, on forms prescribed by the
6 department, of that employee's affirmative duty to report earnings and shall specifically notify the
7 employee that a failure to report earnings may subject him or her to civil or criminal liability.

8 (2) The notice by the employer or insurer may be satisfied by printing the notice on the
9 employee payee statement (check stub) portion of indemnity checks sent to the employee, or by
10 incorporating said notice in an agreement for electronic fund transfer or use or issuance of an
11 electronic access device, signed by both the employee and the employer or its insurer.

12 (d) Any employee entitled to weekly workers' compensation benefits for any period of
13 time shall, upon written request of the employer or insurer, provide at reasonable intervals to the
14 employer or insurer an earnings report, on forms prescribed by the department, advising the
15 employer or insurer of the exact amount of earnings for each week of his or her entitlement to
16 benefits or advising that no earnings were received for particular weeks, so that the employer or
17 insurer may properly compute the amount of benefits due to the employee.

18 (e) If any employee refuses to submit an earnings report upon request by the employer or
19 insurer his or her rights to compensation may be suspended and his or her compensation during
20 that period of suspension may be forfeited.

21 (f) Where any employee is found to be entitled to benefits in excess of fifty-two (52)
22 weeks pursuant to a decision resulting in the entry of an order or decree, he or she shall submit an
23 earnings report as described in subsection (d) of this section. In these cases, the employer or
24 insurer must pay benefits within seven (7) days of receipt of the earnings report; provided, that no
25 petition to enforce shall be allowed nor any penalty for late payment awarded unless payments
26 were not made within seven (7) days after the earnings report has been provided.

27 (g) The employer or insurer shall be entitled to recover overpayments made to any
28 employee as a result of a violation of the employee's duty to report earnings by any of the
29 following means:

30 (1) Upon petition and order of the workers' compensation court to suspend the
31 employer's obligation to pay weekly benefits.

32 (2) By civil action in the district or superior court. Costs and counsel fees for the action
33 may be awarded to the employer or insurer.

34 (h) Any employee who by any fraudulent means obtains or attempts to obtain workers'

1 compensation benefits, whether by failure to report earnings, falsification of the earnings report
2 document, or intentional misrepresentation, may forfeit the right to any future weekly workers'
3 compensation benefits as determined by the workers' compensation court.

4 (i) Any employee who by any fraudulent means obtains or attempts to obtain workers'
5 compensation benefits to which he or she was not entitled, whether by failure to report earnings,
6 falsification of the earnings report, or intentional misrepresentation, shall be deemed guilty of
7 larceny pursuant to § 11-41-4 or other pertinent criminal statutes of the state of Rhode Island.
8 Each occurrence shall constitute a separate and distinct offense.

9 (j) The administrator of the workers' compensation court, any workers' compensation
10 judge, or any representative of an employer may be the party complainant to any complaint and
11 warrant brought to invoke the criminal penalties provided for in this section, and the party
12 complainant shall, except for the representative of the employer, be exempt from giving surety for
13 costs in the action.

14 (k) All criminal actions for any violation of this section shall be prosecuted by the
15 attorney general.

16 (l) Where any employer or insurer intentionally and unreasonably utilizes the earnings
17 report required by subsection (d) of this section in order to harass an employee or delay payment
18 of benefits to an employee, a penalty of twenty percent (20%) shall be added to all amounts of
19 weekly compensation benefits due and owing.

20 **28-33-17.3. Fraud and abuse.** -- (a) (1) The workers' compensation court is authorized
21 and directed to impose sanctions and penalties necessary to maintain the integrity of and to
22 maintain the high standards of professional conduct in the workers' compensation system. All
23 pleadings related to proceedings under chapters 29 -- 38 of this title shall be considered an
24 attestation by counsel that valid grounds exist for the position taken and that the pleading is not
25 interposed for delay.

26 (2) If any judge determines that any proceedings have been brought, prosecuted, or
27 defended by an employer, insurer, or their counsel without reasonable grounds, then:

28 (i) The whole cost of the proceedings shall be assessed upon the employer, insurer, or
29 counsel, whoever is responsible; and

30 (ii) If a subsequent order requires that additional compensation be paid, a penalty of
31 double the amount of retroactive benefits ordered shall be paid to the employee and the penalty
32 shall not be included in any formula utilized to establish premium rates for workers'
33 compensation insurance.

34 (3) If any judge determines that any proceedings have been brought or defended by an

1 employee or his or her counsel without reasonable grounds, the whole cost of the proceedings
2 shall be assessed against the employee or counsel, whoever is responsible.

3 (4) The court shall determine whether an action or defense is frivolous or conduct giving
4 rise to the action or defense was unreasonable. Where the amount at issue is less than the actual
5 attorneys' fees of the parties combined, the court shall exercise particular vigilance. Nothing in
6 this subsection, however, is intended to discourage prompt payment in full of all amounts
7 required to be paid.

8 (5) The appropriate body with professional disciplinary authority over the attorney shall
9 be notified of the action.

10 (b) (1) It is unlawful to do any of the following:

11 (i) Make or cause to be made any knowingly false or fraudulent material statement or
12 material representation for the purpose of obtaining or denying any compensation;

19 to entitlement to benefits with the intent to discourage an injured worker from claiming benefits
20 or pursuing a claim;

21 (v) Willfully misrepresent or fail to disclose any material fact in order to obtain workers'
22 compensation insurance at less than the proper rate for the insurance including, but not limited to,
23 intentionally misleading or failing to disclose information to an insurer regarding the appropriate
24 rate classification of an employee;

34 partnership, registered limited liability partnership or a registered limited liability limited

1 partnership, or as an independent contractor for the purpose of avoiding the inclusion of that or

8 the absence of, a loss, injury, or expense.

11 evidence, knowingly made a false statement of fact, participated in the creation or presentation of
12 evidence which he or she knows to be false, or otherwise engaged in conduct in violation of
13 subdivision (1) of this subsection, that person shall be subject in criminal proceedings to a fine
14 and/or penalty not exceeding fifty thousand dollars (\$50,000), or double the value of the fraud,
15 whichever is greater, or by imprisonment up to five (5) years in state prison or both.

16 (4) There shall be a general amnesty until July 1, 1992 for any person receiving
17 compensation under chapters 29 -- 38 of this title, to the extent compensation has been voluntarily
18 reduced or relinquished by the employee prior to that date.

19 (c) The director of labor and training shall establish a form, in consultation with the
20 attorney general, to be sent to all workers who are presently receiving benefits and those for
21 whom first reports of injury are filed in the future which shall give the employee notice that the
22 endorsement of a benefit check sent pursuant to § 28-35-39 is the employee's affirmation that he
23 or she is qualified to receive benefits under the Workers' Compensation Act. The insurers and
24 self-insured employers are directed to send the form to all workers receiving benefits.

25 (d) Any employer, or in any case where the employer is a corporation, the president, vice
26 president, secretary, treasurer, and other officers of the corporation, or in any case where the
27 employer is a limited liability company, the managers, and the managing members or in any case

6 partnership, the general partners shall be severally liable for the fine or subject to imprisonment,
7 or both.

10 of intention to terminate partial incapacity benefits pursuant to § 28-33-18, the employee, or his
11 or her duly authorized representative, may file with the workers' compensation court a petition for
12 continuation of benefits on forms prescribed by the workers' compensation court. In any
13 proceeding before the workers' compensation court on a petition for continuation of partial
14 incapacity benefits, where the employee demonstrates by a fair preponderance of the evidence
15 that his or her partial incapacity poses a material hindrance to obtaining employment suitable to
16 his or her limitation, partial incapacity benefits shall continue. For injuries on and after July 1,
17 ~~2018~~ [2021](#), "material hindrance" is defined to include only compensable injuries causing a greater

25 benefits under subsection (a) of this section, payments made to these incapacitated employees
26 shall be increased annually on the tenth (10th) day of May thereafter so long as the employee
27 remains incapacitated. The increase shall be by an amount equal to the total percentage increase
28 in the annual Consumer Price Index, United States City Average for Urban Wage Earners and
29 Clerical Workers, as formulated and computed by the Bureau of Labor Statistics of the United
30 States Department of Labor for the period of March 1 to February 28 each year.

32 Average for Urban Wage Earners and Clerical Workers, as that index was formulated and
33 computed by the Bureau of Labor Statistics of the United States Department of Labor.

34 (3) The annual increase shall be based upon the percentage increase, if any, in the

1 Consumer Price Index for the month of a given year, over the index for February, the previous
2 year. Thereafter, increases shall be made on May 10 annually, based upon the percentage
3 increase, if any, in the Consumer Price Index for the period of March 1 to February 28.

4 (4) The computations in this section shall be made by the director of labor and training
5 and promulgated to insurers and employers making payments required by this section. Increases
6 shall be paid by insurers and employers without further order of the court. If payment payable
7 under this section is not mailed within fourteen (14) days after the employer or insurer has been
8 notified by publication in a newspaper of general circulation in the state it becomes due, there
9 shall be added to the unpaid payment an amount equal to twenty percent (20%) of it, to be paid at
10 the same time as, but in addition to, the payment.

11 (5) This section applies only to payment of weekly indemnity benefits to employees as
12 described in subdivision (1) of this subsection, and does not apply to specific compensation
13 payments for loss of use or disfigurement or payment of dependency benefits or any other
14 benefits payable under the workers' compensation act.

15 (c) No petitions for commutation shall be allowed or entertained in those cases where an
16 employee is receiving benefits pursuant to this section.

30 with § 28-33-17.2(c)(2). The insurer/employer and/or its third-party administrator shall not have
