—————
A N A C T

RELATING TO HEALTH AND SAFETY - INDUSTRIAL PROPERTY REMEDIATION AND
REUSE ACT

Introduced By: Representatives Edwards, Shekarchi, Carson, Hearn, and Bennett

Date Introduced: March 03, 2016

Referred To: House Municipal Government

(Environmental management)

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 23-19.14-7 of the General Laws in Chapter 23-19.14 entitled
2 "Industrial Property Remediation and Reuse Act" is hereby amended to read as follows:

3 **23-19.14-7. Exemptions to liability.** -- The following parties are not responsible parties
4 and shall not be held liable for costs or damages associated with a release of hazardous material
5 and/or petroleum:

6 (1) Persons otherwise liable who can establish by a preponderance of the evidence that
7 the release or threat of release of a hazardous substance and the damages resulting from that
8 release or threat of release were caused solely by an act of God or an act of war;

9 (2) Bona fide prospective purchasers ~~who have received~~ [of, or tenants on, properties for](#)
10 [which the following have been issued:](#)

11 (i) A remedial decision letter and are actively engaged in implementing the remedial
12 action approved therein; provided, that the remedial action is being diligently pursued to
13 completion in accordance with approved work schedules; ~~or~~

14 (ii) A letter of compliance confirming successful completion of a remedial action
15 approved by the department; ~~or~~

16 (iii) An enforceable settlement agreement under § 23-19.14-10-; [or](#)

17 (iv) [Correspondence from the department to the tenant acknowledging that the tenant](#)
18 [leased the facility after January 11, 2002, and that the tenant has certified to each of the following](#)

1 criteria:

2 (A) Evidence that all disposal at the facility took place before the tenant leased the
3 facility (through due diligence);

4 (B) The tenant made "all appropriate inquiry" into the prior uses and ownership of the
5 facility in accordance with generally accepted good commercial and customary standards and
6 practices (standard for due diligence);

7 (C) The tenant will provide all legally required notices for any discovery or release of
8 hazardous substances at the facility;

9 (D) The tenant will exercise appropriate care to stop ongoing releases, prevent threatened
10 future releases and prevent or limit human, environmental, or natural resource exposure to any
11 previously released hazardous substance;

12 (E) The tenant will cooperate with, assist, and provide access to those performing
13 remedial work at a facility;

14 (F) The tenant will comply with and will not impede the effectiveness or integrity of any
15 institutional controls at a facility; and

16 (G) The tenant has no affiliation with any responsible party and was not created through a
17 reorganization of a business entity that was a responsible party.

18 (3) Persons who maintain an indicia of ownership solely to protect a secured interest in
19 land and are not operators;

20 (4) Persons who are not operators and who act solely as custodial receivers or who can
21 establish by a preponderance of evidence that they are an innocent landowner and the release or
22 threat of release were caused solely by an act or omission of a third party other than an employer
23 or agent of the defendant, or whose act or omission occurs in connection with a contractual
24 relationship, existing directly or indirectly, with the defendant if the defendant establishes:

25 (i) He or she exercised due diligence in the acquisition of the site at the time of purchase
26 and exercised due care with respect to the hazardous material and/or petroleum concerned, taking
27 into consideration the characteristics of the hazardous material, in light of the facts and
28 circumstances; and

29 (ii) He or she took precautions against foreseeable acts, or omissions of any third party
30 and the consequences that could foreseeably result from those acts or omissions;

31 (5) A unit of state or local government which acquired ownership or control
32 involuntarily through bankruptcy, tax delinquency, abandonment or other circumstances in which
33 the government involuntarily acquires title by virtue of its function as sovereign; provided,
34 however, that the unit of state or local government did not cause or contribute to the release or

1 threatened release of a hazardous material at the site; and

2 (6) (i) A person that owns real property that is contiguous to or otherwise similarly
3 situated with respect to, and that is or may be contaminated by a release or threatened release of a
4 hazardous material from, real property that is not owned by that person shall not be considered to
5 be a responsible party for the site solely by reason of the contamination if:

6 (A) The person did not cause, contribute, or consent to the release or threatened release;

7 (B) The person is not:

8 (I) Potentially liable, or affiliated with any other person that is potentially liable, for
9 response costs at the site through any direct or indirect familial relationship or any contractual,
10 corporate, or financial relationship (other than a contractual, corporate, or financial relationship
11 that is created by a contract for the sale of goods or services); or

12 (II) The result of a reorganization of a business entity that was potentially liable;

13 (C) The person takes reasonable steps to:

14 (I) Stop any continuing release;

15 (II) Prevent any threatened future release; and

16 (III) Prevent or limit human, environmental, or natural resource exposure to any
17 hazardous substance released on or from property owned by that person;

18 (D) The person provides full cooperation, assistance, and access to persons that are
19 authorized to conduct response actions or natural resource restoration at the site from which there
20 has been a release or threatened release (including the cooperation and access necessary for the
21 installation, integrity, operation, and maintenance of any complete or partial response action or
22 natural resource restoration at the site);

23 (E) The person:

24 (I) Is in compliance with any land use restrictions established or relied on in connection
25 with the response action at the site; and

26 (II) Does not impede the effectiveness or integrity of any institutional control employed
27 in connection with a response action; and

28 (F) The person provides all legally required notices with respect to the discovery or
29 release of any hazardous substances at the facility.

30 (ii) To qualify as a person described in this subdivision, a person must establish by a
31 preponderance of the evidence that the conditions in subparagraphs (i)(A) through (i)(F) of this
32 subdivision have been met.

1 SECTION 2. This act shall take effect upon passage.
