2 Assistance" is hereby amended to read as follows:

3 **40-8-6.1. ~~Nursing facility care during pendency of application~~ Provider care during**

10 "Complete Application" -- An application for Medicaid benefits filed by or on behalf of

12 ~~facility~~, including attachments and supplemental information as necessary, which provides
13 sufficient information for the ~~director~~ secretary or designee to determine the applicant's eligibility
14 for coverage. An application shall not be disqualified from status as a complete application
15 hereunder except for failure on the part of the Medicaid applicant, or his or her authorized
16 representative, to provide necessary information or documentation, or to take any other action
17 necessary to make the application a complete application.

18 "Long-term care provider (LTC provider)" means any of the following: a home care
19 provider, home nursing care provider or nursing facility licensed pursuant to the provisions of

1 chapter 17 of title 23; an assisted living residence provider licensed pursuant to chapter 17.4 of
2 title 23; an adult day services provider licensed pursuant to §23-1-52; or a Program of All-
3 Inclusive Care for the Elderly (PACE) as certified by the Centers for Medicare and Medicaid
4 Services (CMS) and participating in the Rhode Island Medicaid program. As used in this chapter
5 the terms "long-term care provider" and "LTC provider" are interchangeable.

6 "Medicaid Applicant" -- An individual who is receiving care ~~in a nursing facility~~ from an
7 LTC provider during the pendency of an application for Medicaid benefits.

8 "Secretary" means the secretary of the Rhode Island executive office of health and human
9 services.

10 ~~"Nursing Facility" — A nursing facility licensed under Chapter 17 of Title 23, which is a~~
11 ~~participating provider in the Rhode Island Medicaid program.~~

25 following the determination of that application; and

26 (v)The signature of the Medicaid applicant, or authorized representative, or other person
27 legally authorized to sign on behalf of the Medicaid applicant, such as guardian or attorney-in-
28 fact.

29 "Uncompensated Care" -- Care and services provided by ~~a nursing facility~~ an LTC
30 provider to a Medicaid applicant without receiving compensation therefore from Medicaid,
31 Medicare, the Medicaid applicant, or other source. The acceptance of any payment representing
32 actual or estimated applied income shall not disqualify the care and services provided from
33 qualifying as uncompensated care.

34 (b)(1) Uncompensated Care During Pendency of an Application for Benefits. - A nursing

1 facility may not discharge a Medicaid applicant for non-payment of the facility's bill during the
2 pendency of a complete application; nor may a nursing facility charge a Medicaid applicant for
3 care provided during the pendency of a complete application, except for an amount representing
4 the estimated applied income. A nursing facility may discharge a Medicaid applicant for non-
5 payment of the facility's bill during the pendency of an application for Medicaid coverage that is
6 not a complete application, but only if the nursing facility has provided the patient (and his or her
7 authorized representative, if known) with thirty (30) days' written notice of its intention to do so,
8 and the application remains incomplete during that thirty (30) day period.

9 (2) Uncompensated care while determination is overdue. - When a complete application
10 has been pending for ninety (90) days or longer, then upon the request of an LTC provider
11 providing uncompensated care, the state shall make payment to the LTC provider for the care
12 provided to the applicant in full as though the application were approved, beginning on the date
13 of such request. Payment under this subsection shall not be made for the period prior to the LTC
14 provider's request, but shall continue thereafter until the application is decided. In the event the
15 application is denied, the state shall not have any right of recovery, offset, or recoupment with the
16 respect to payments made hereunder for the period of determination. In the event the application
17 is approved, the state may offset payments due for the period between the date of the application
18 and the determination by any amounts paid hereunder.

19 (c) Notice Of Application Status. - When ~~a nursing facility~~ an LTC provider is providing
20 uncompensated care to a Medicaid applicant, then the ~~nursing facility~~ LTC provider may inform
21 the ~~director~~ secretary or designee of its status, and the ~~director~~ secretary or designee shall
22 thereafter inform the nursing facility of any decision on the application at the time the decision is

24 ~~facility~~ an LTC provider providing uncompensated care to a Medicaid applicant may inquire of
25 the ~~director~~ secretary or designee as to the status of that individual's application, and the ~~director~~
26 secretary or designee shall respond within five business days as follows:

27 (i) Without Release -- If the ~~nursing facility~~ LTC provider has not obtained a signed
