STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2016

—————
A N A C T

RELATING TO EDUCATION

Introduced By: Senators Satchell, Conley, Picard, and Miller

Date Introduced: February 25, 2016

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 16-22-4 of the General Laws in Chapter 16-22 entitled "Curriculum
2 [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended to read
3 as follows:
4 **16-22-4. Instruction in health and physical education.** – (a) All children in grades one
5 through twelve (12) attending public schools, or any other schools managed and controlled by the
6 state, shall receive in those schools instruction in health and physical education under rules and
7 regulations the department of elementary and secondary education may prescribe or approve
8 during periods which shall average at least twenty (20) minutes in each school day. No private
9 school or private instruction shall be approved by any school committee for the purposes of
10 chapter 19 of this title as substantially equivalent to that required by law of a child attending a
11 public school in the same city and/or town unless instruction in health and physical education
12 similar to that required in public schools shall be given. Commencing September 1, 2012, the
13 required health education curriculum shall be based on the health education standards of the
14 Rhode Island Health Education Framework: Health Literacy for All Students as promulgated by
15 the Rhode Island department of education and consistent with the mandated health instructional
16 outcomes therein. Commencing September 1, 2012, the required physical education curriculum
17 shall be based on the physical education standards of the Rhode Island Physical Education
18 Framework: Supporting Physically Active Lifestyles through Quality Physical Education as
19 promulgated by the Rhode Island department of education and consistent with the instructional

1 outcomes therein.

2 (b) The department of elementary and secondary education shall consider, in consultation
3 with the state department of behavioral healthcare, developmental disabilities and hospitals, the
4 incorporation of substance abuse prevention into the health education curriculum. For the purpose
5 of this section, "substance abuse prevention" means the implementation of evidence-based, age-
6 appropriate programs, practices, or curricula related to the use and abuse of alcohol, tobacco, and
7 other drugs.

8 SECTION 2. This act shall take effect upon passage.
