It is enacted by the General Assembly as follows:

1 SECTION 1. Section 36-13-1 of the General Laws in Chapter 36-13 entitled "Deferred
2 Compensation Plans" is hereby amended to read as follows:

3 **36-13-1. Deferred compensation plans authorized.** -- (a) The state or any city, town, or
4 other political subdivision may, by contract, agree with any employee to defer, in whole or in
5 part, any portion of that employee's compensation, and may subsequently contract with financial
6 institutions for the purchase of government securities or with other financial entities for the
7 purchase of mutual funds, and procure a fixed or variable life insurance or annuity contract for
8 the purpose of providing funds to meet its obligations under a deferred compensation program for
9 the employees from any financial institutions or from any life underwriters duly licensed by this
10 state who represents an insurance company licensed to contract business in this state.

11 (b) In the administration of a deferred compensation plan for state employees authorized
12 under this chapter, after October 1, 1998, the state shall engage up to three (3) companies
13 ("Authorized Companies") to administer such deferred compensation plans. After October 1,
14 1998, only such Authorized Companies shall be entitled to enroll state employees in such
15 deferred compensation plans in accordance with the following guidelines:

16 (1) Employees must have the option of purchasing or investing in alternative financial
17 products referred to herein which have been approved by the State Investment Commission;

18 (2) The alternative financial products shall include, without limitation, a variable product

1 and a fixed product;

2 (3) The Authorized Companies (or an entity related thereto) must:

3 (i) Be selected in accordance with the provisions of this chapter,

4 (ii) Covenant that all employees covered under any plan authorized under this chapter
5 shall, at all times, be granted the unfettered right to cancel, change, liquidate, amend or
6 interchange any investment contract or product purchased in any such plan without such
7 employees incurring a financial penalty or fee of any kind or nature imposed by contract, and

8 (iii) Be granted equal access to all eligible employees;

9 (4) Procedures shall be established to ensure that personalized information regarding
10 employees shall not be provided to third parties by the Authorized Companies. "Personalized

12 telephone numbers, amounts invested, medical or disability information; and

13 (5) The Authorized Companies shall be permitted to offer any financial product referred
14 to herein which shall have been approved by the State Investment Commission. Notwithstanding
15 any other provisions of this section (b), if the department of administration determines that less
16 than three companies are qualified to be engaged as Authorized Companies because of (a)
17 insufficient experience in the administration of deferred compensation plans or (b) a failure to
18 assure adherence to the guidelines set forth herein, the state may engage less than three
19 Authorized Companies.

20 (6) If any provision of this section or the application thereof to any person or
21 circumstances is held invalid, that invalidity shall not affect other provisions or applications of
22 the section which can be given effect without the invalid provision or application, and to this end
23 the provisions of this section are declared to be severable.
