Date Introduced: March 10, 2016

Referred To: Senate Judiciary

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 34-41-2.05 of the General Laws in Chapter 34-41 entitled "Rhode  
2 Island Real Estate Time-Share Act" is hereby amended to read as follows:

3 **34-41-2.05. Termination of time shares.** -- (a) This section applies to all time share  
4 estates except it shall apply to time-share licenses only to the extent expressly provided by the  
5 time-share instrument.

6 (b) All time shares in a time-share property may be terminated only ~~by~~ as follows:

7 (1) By agreement of the time-share owners having at least eighty percent (80%) of the  
8 time shares, or such larger majority as the time-share instrument may specify ~~;~~ or

9 (2) Any provision in the time-share instrument notwithstanding, by a plan of termination  
10 approved by the lesser of the lowest percentage of voting interests necessary to amend the  
11 instrument, or as otherwise provided in the instrument for approval of termination if:

12 (i) The estimated cost of construction for repairs which are necessary to restore the time-  
13 share property to its former condition or bring the time-share property into compliance with  
14 applicable laws or regulations exceeds the combined fair market value of the units in the time-  
15 share property after completion of the construction or repairs;

16 (ii) It becomes impossible to operate or reconstruct a time-share property to its prior  
17 physical configuration because of land use laws or regulations;

18 (iii) The association is not paying its debts as they become due;

- 1           (iv) The association's debts exceed its assets;
- 2           (v) More than twenty-five percent (25%) of the association members are delinquent in  
3 payment of the annual maintenance fee and/or any special assessments;
- 4           (vi) Uncollectible debt equals or exceeds twenty-five percent (25%) of the current annual  
5 maintenance fee; or
- 6           (vii) The reasonable cost of capital improvements required to maintain the development  
7 in safe and habitable condition and in compliance with all applicable codes, including, but not  
8 limited to, building, electrical, and fire codes, exceeds twenty-five percent (25%) of the annual  
9 maintenance fee and special assessment revenue collected.

10           (c) An agreement to terminate all time shares pursuant to subsection (b)(1) of this section  
11 shall comply with the following:

12           ~~(e)~~(1) An agreement to terminate all time shares in a time-share property must be  
13 evidenced by the execution of a termination agreement, or ratifications thereof, in the same  
14 manner as a deed, by the requisite number of time-share owners. The termination agreement must  
15 specify a date after which the agreement will be void unless it is recorded before that date. A  
16 termination agreement and a certification by the managing entity of the ratification thereof must  
17 be recorded in every municipal office of land evidence records in which a portion of the time-  
18 share property is situated, and is effective only upon recordation.

19           ~~(e)~~(2) Unless the termination agreement sets forth the material terms of a contract or  
20 proposed contract under which an estate or interest in each time-share unit equal to the sum of the  
21 time shares therein is to be sold and designates a trustee to effect the sale, title to an estate or  
22 interest in each time-share unit equal to the sum of the time shares therein vests upon termination  
23 in the time-share owners thereof in proportion to their respective interests as provided in  
24 subsection (h), and liens on the time shares shift accordingly to encumber those interests. Any co-  
25 owner of that estate or interest in a unit may thereafter maintain an action for partition or for  
26 allotment or sale in lieu of partition pursuant to the laws of this state.

27           ~~(e)~~(3) If the termination agreement sets forth the material terms of a contract or proposed  
28 contract under which an estate or interest in each time-share unit equal to the sum of the time  
29 shares therein is to be sold and designates a trustee to effect the sale, title to that estate or interest  
30 vests upon termination in the trustee for the benefit of the time-share owners, to be transferred  
31 pursuant to the contract. Proceeds of the sale must be distributed to time-share owners and  
32 lienholders as their interests may appear, in proportion to the respective interests of the time-share  
33 owners as provided in subsection (h).

34           ~~(e)~~(4) Except as otherwise specified in the termination agreement, so long as the former

1 time-share owners or their trustee hold title to the estate or interest equal to the sum of the time  
2 shares, each former time-share owner and his or her successors in interest have the same rights  
3 with respect to occupancy in the former time-share unit that he or she would have had if  
4 termination had not occurred, together with the same liabilities and other obligations imposed by  
5 this chapter or the time-share instrument.

6 ~~(g)~~(d) After termination of all time shares in a time-share property and adequate  
7 provision for the payment of the claims of the creditors for time-share expenses, distribution must  
8 be made, in proportion to their respective interests as provided in subsection (h), to the former  
9 time-share owners and their successors in interest of (i) the proceeds of any sale pursuant to this  
10 section, (ii) the proceeds of any personalty held for the use and benefit of the former time-share  
11 owners, and (iii) any other funds held for the use and benefit of the former time-share owners.  
12 Following termination, creditors of the association holding liens perfected against the time-share  
13 property before the termination may enforce those liens in the same manner as any other  
14 lienholder. All other creditors of the association are to be treated as if they had perfected liens on  
15 the time-share property immediately before termination.

16 ~~(h)~~(e) The time-share instrument may specify the respective fractional or percentage  
17 interest in the estate or interest in each unit equal to the sum of the time shares therein that will be  
18 owned by each former time-share owner. Otherwise, not more than one hundred eighty (180)  
19 days prior to the termination, an appraisal must be made of the fair market value of each time  
20 share by one or more impartial qualified appraisers selected either by the trustee designated in the  
21 termination agreement, or by the managing entity if no trustee was so designated. The appraisal  
22 must also state the corresponding fractional or percentage interests calculated in proportion to  
23 those values and in accordance with this subsection. A notice stating all of those values and  
24 corresponding interests and the return address of the sender must be sent by certified or registered  
25 mail, return receipt requested, by the managing entity or by the trustee designated in the  
26 termination agreements, to all of the time-share owners. The appraisal governs the magnitude of  
27 each interest unless (i) at least twenty-five percent (25%) of the time-share owners deliver, within  
28 sixty (60) days after the date the notices were mailed, written disapprovals to the return address of  
29 the sender of the notice, or (ii) the final judgment of a court of competent jurisdiction, entered  
30 during or after that period, holds that the appraisal should be set aside. The appraisal and the  
31 calculation of interests must be made in accordance with the following:

32 (1) If the termination agreement sets forth the material terms of a contract or proposed  
33 contract for the sale of the estate or interest equal to the sum of the time shares, each time share  
34 conferring a right of occupancy during a limited number of time periods must be appraised as if

1 the time until the date specified for the conveyance of the property had already elapsed.  
2 Otherwise, each time share of that kind must be appraised as if the time until the date specified  
3 pursuant to subsection (c) had already elapsed.

4 (2) The interest of each time-share owner is the value of the time share he or she owned  
5 divided by the sum of the values of all time shares in the unit or units to which his or her time  
6 share applies.

7 ~~(f)~~ Foreclosure or enforcement of a lien or encumbrance against all of the time shares  
8 in a time-share property does not of itself terminate those time shares.

9 SECTION 2. This act shall take effect upon passage.
