27 net estate determined by the tax administrator as provided in this chapter. Notice of the amount of

25 ~~The lien imposed under § 44-23-13 upon any real estate or separate parcel of real estate~~
26 ~~may be discharged by the payment of all taxes due and to become due upon the real estate or~~
27 ~~separate parcel, or by an order of the tax administrator transferring the lien to other real estate~~
28 ~~owned by the person to whom the real estate or separate parcel of the real estate passes, or by the~~
29 ~~acceptance of the surety for the payment of taxes which the tax administrator may approve. The~~
30 ~~heir, devisee, or other donee is personally liable for the tax on the real estate, as well as the~~
31 ~~executor, administrator, or trustee; and if the executor, administrator, or trustee pays the tax he or~~
32 ~~she shall, unless the tax is made an expense of administration by the will or other instrument of~~
33 ~~the decedent, have the right to recover the tax from the heir, devisee, or other donee of the real~~
34 ~~estate.~~

1 ~~**44-23-15. Taxes as debt to state.**~~

2 ~~The taxes imposed under the provisions of chapter 22 of this title, together with all~~
3 ~~penalties, charges and interest shall also become, from the time the taxes are due and payable, a~~
4 ~~debt to the state of Rhode Island from the person or corporation liable for the payment of the~~
5 ~~taxes.~~

6 ~~**44-23-16. Time taxes due -- Interest and additions to tax on delinquent payments.**~~

7 ~~All taxes imposed by chapter 22 of this title, unless provided, are due and payable nine~~
8 ~~(9) months after the date of death of the decedent. If the taxes are not paid within nine (9) months~~
9 ~~from the date of death, interest shall be charged and collected at the annual rate provided by § 44-~~
10 ~~1-7 from the time the tax is due, determined without regard to any extension of time for payment.~~
11 ~~In addition, if the taxes are not paid when due (determined with regard to any extension of time~~
12 ~~for payment), there is added to the amount of tax due five tenths percent (0.5%) of the tax per~~
13 ~~month to a maximum of twenty five percent (25%) unless it is shown that the failure to pay is due~~
14 ~~to reasonable cause and not due to willful neglect.~~

15 ~~**44-23-16.1. Interest on overpayments.**~~

16 ~~If it is determined that any overpayment has been made with respect to taxes imposed by~~
17 ~~chapter 22 of this title, the amount of the overpayment bears interest at the annual rate established~~
18 ~~by § 44-1-7.1. The acceptance of the check shall be without prejudice to any right of the taxpayer~~
19 ~~to claim any additional overpayment and interest.~~

20 ~~**44-23-17. Suspension of tax payment pending claim against estate.**~~

21 ~~Whenever it is necessary in the settlement of any estate to retain property or funds for the~~
22 ~~purpose of paying the claim of any creditor, the amount or validity of which is contested and is~~
23 ~~not determined, the payment of the whole or a proportionate part of the tax may be suspended, by~~
24 ~~and with the approval of the tax administrator, to await the disposition of the claim.~~

25 ~~**44-23-18. Extension of time for payment of additional estate tax.**~~

26 ~~Whenever the tax administrator finds that the payment of the tax imposed by § 44-22-1.1~~
27 ~~causes undue hardship, the tax administrator may, in his or her discretion, with the approval of~~
28 ~~the attorney general and by agreement with the executor, administrator, or trustee, extend the time~~
29 ~~for payment of the whole or any part of the tax for a period not to exceed four (4) years from the~~
30 ~~date the tax is due and payable, and may provide for payment in installments. In that case the~~
31 ~~amount in respect of which the extension is granted shall be paid with or without interest, on or~~
32 ~~before the date of the expiration of the period of the extension.~~

33 ~~**44-23-19. -- 44-23-22. Repealed.**~~

34 ~~**44-23-23. Sale of property to pay tax.**~~

1 ~~Every executor, administrator, or trustee has full power to sell, upon application to the~~
2 ~~probate court, so much of the property of the decedent as will enable him or her to pay any tax~~
3 ~~imposed by chapter 22 of this title in the manner he or she might be entitled by law to do for the~~
4 ~~payment of the debts of the testator or intestate.~~

5 **44-23-24. Refusal to furnish information or obey subpoena.**

6 ~~If any executor, administrator, heir at law, or trustee, probate clerk or other person~~
7 ~~neglects or refuses to file any statement as required by the provisions of this chapter, or to furnish~~
8 ~~any other information required by this chapter, or neglects or refuses to comply with any~~
9 ~~subpoena issued under the authority of § 44-23-5, the tax administrator may apply to the sixth~~
10 ~~(6th) division of the district court, upon proof by affidavit of the neglect or refusal, for an order~~
11 ~~returnable in not less than two (2) nor more than five (5) days, directing the person charged in the~~
12 ~~affidavit with the neglect or refusal to show cause before the judge who made the order, or any~~
13 ~~other judge of the court, why the person should not be adjudged in contempt. Upon the return of~~
14 ~~the order, the judge before whom the matter is brought for a hearing shall examine the person~~
15 ~~under oath, and the person shall be given an opportunity to be heard. If the judge determines that~~
16 ~~the person has without reasonable cause been guilty of the neglect or refusal complained of, the~~
17 ~~judge may immediately commit the offender to the adult correctional institutions, to remain there~~
18 ~~until the offender submits to file the statement required or to furnish the information required, or~~
19 ~~to obey the subpoena, as the case may be, or is discharged according to law, or the judge may~~
20 ~~make any other order in the premises that the circumstances of the case may seem to the judge to~~
21 ~~require, and may from time to time alter, amend or suspend any order entered by the judge under~~
22 ~~this section. Notwithstanding anything contained in this section or in § 44-23-5, whenever any~~
23 ~~executor, administrator, heir at law, trustee, or other person liable for any tax imposed under the~~
24 ~~provisions of chapter 22 of this title, refuses or neglects to furnish any information which in the~~
25 ~~opinion of the tax administrator is necessary for the proper computation of the taxes payable~~
26 ~~under that chapter, after having been requested so to do, the tax administrator may in his or her~~
27 ~~discretion assess and collect the taxes at the highest rate at which they could in any event be~~
28 ~~computed. A party aggrieved by an order of the court may appeal the order to the supreme court~~
29 ~~in accordance with the procedures contained in the rules of appellate procedure of the supreme~~
30 ~~court.~~

31 **44-23-25. Settlement of taxes due.**

32 ~~The tax administrator, with the approval of the attorney general, may effect a settlement~~
33 ~~of the amount of any taxes imposed by chapter 22 of this title as they deem to be for the best~~
34 ~~interests of the state, and the payment of amount agreed upon is a full satisfaction of the taxes;~~

1 provided, that the settlement and assessment are made only with the consent of the executor of
2 the will or the trustee under the other instrument, or, in the case of a transfer by will of real estate,
3 of the persons entitled to the real estate, or, if the real estate passes to a trustee for those persons,
4 then of the trustee. The settlement, in accordance with the provisions of this section, of a tax upon
5 any transfer of property subject to a power of appointment, if the agreement of settlement
6 provides, precludes the assessment under this chapter or under any act hereafter passed of any
7 further tax, with respect to the right to transfer, upon or with respect to the transfer of any
8 property at the time subject to the power, as a part of the estate of the donee of the power. The
9 agreement is binding upon all persons taking property subject to the tax, except for fraud or
10 manifest error; and executors and trustees are expressly authorized to enter into an agreement
11 unless a contrary intention appears in the instrument defining their powers.

12 **44-23-26. Adjustment of clerical or palpable errors.**

13 Whenever a clerical or palpable error or mistake has been made in any statement filed
14 with the tax administrator under the provisions of this chapter concerning any matter of
15 information, or in entering amounts or figures, the tax administrator may assess an additional tax
16 and receive and collect the tax. In the event that the error or mistake has resulted in an over
17 assessment, and in case the tax has already been paid to the tax administrator the general treasurer
18 shall, upon certification by the tax administrator and with the approval of the controller, refund
19 any overpayment to the executor, administrator, heir at law, or trustee, or to the person by whom
20 the tax was paid, without any further act or resolution making appropriation for the refund;
21 provided, that not more than four (4) years have elapsed from the payment of the tax.

22 **44-23-27. Conflict of laws as to domicile -- Definition of terms.**

23 When used in §§ 44-23-27—44-23-32 the following terms have the following meanings:

24 (1) "Death tax" means any tax levied by a state on account of the transfer or shifting of
25 economic benefits in property at death, or in contemplation of death, or intended to take effect in
26 possession or enjoyment at or after death, whether denominated an "inheritance tax," "transfer
27 tax," "succession tax," "estate tax," "death duty," "death dues," or otherwise;

28 (2) "Executor" means any executor of the will or administrator of the estate of a decedent,
29 except an ancillary administrator;

30 (3) "Interested person" means any person who may be entitled to receive or who has
31 received any property or interest which may be required to be considered in computing the death
32 tax of any state involved;

33 (4) "Taxing official" means the tax administrator in this state, and in any other reciprocal
34 state the officer or body designated in the statute of the state substantially similar to §§ 44-23-27—

1 ~~—44-23-32.~~

2 ~~**44-23-28. Election to invoke remedy as to conflict of laws.**~~

3 ~~(a) In any case in which this state and one or more other states each claim that it was the~~
4 ~~domicile of a decedent at the time of his or her death, and no judicial determination of domicile~~
5 ~~for death tax purposes has been made in any of those states, any executor or the taxing official of~~
6 ~~any of those states, may elect to invoke the provisions of §§ 44-23-27—44-23-32. The election is~~
7 ~~evidenced by sending a notice by registered or certified mail, receipt requested, to the taxing~~
8 ~~officials of each of those states and to each executor, ancillary administrator and interested~~
9 ~~person.~~

10 ~~(b) Any executor may reject the election by sending a notice by registered or certified~~
11 ~~mail, receipt requested, to the taxing officials involved and to all other executors within forty (40)~~
12 ~~days after the receipt of the notice of election. If the election is rejected, no further proceedings~~
13 ~~shall be had under §§ 44-23-27—44-23-32. If the election is not rejected, the dispute as to the~~
14 ~~death taxes shall be determined solely as provided in this chapter, and no other proceedings to~~
15 ~~determine or assess the death taxes shall be instituted in the courts of this state or otherwise.~~

16 ~~**44-23-29. Agreement as to amount due when domicile is in question — Adjustment**~~
17 ~~**for credits against federal tax.**~~

18 ~~In any case in which an election is made as provided in § 44-23-28 and not rejected, the~~
19 ~~tax administrator may enter into a written agreement with the other taxing officials involved and~~
20 ~~with the executors, to accept a certain sum in full payment of any death tax, together with interest~~
21 ~~and penalties, that may be due this state; provided, that the agreement also fixes the amount to be~~
22 ~~paid the other state or states. If an agreement cannot be reached and the arbitration proceeding~~
23 ~~specified in § 44-23-30 is commenced, and thereafter an agreement is arrived at, a written~~
24 ~~agreement may be entered into at any time before the proceeding is concluded notwithstanding~~
25 ~~the commencement of the proceeding. Upon the filing of the agreement or duplicate of it with the~~
26 ~~authority which would have jurisdiction to assess the death tax of this state if the decedent died~~
27 ~~domiciled in this state, an assessment shall be made as provided in the agreement. The~~
28 ~~assessment, except as hereinafter provided, shall finally and conclusively fix and determine the~~
29 ~~amount of death tax due this state. In the event that the aggregate amount payable under the~~
30 ~~agreement to the states involved is less than the maximum credit allowable to the estate against~~
31 ~~the United States estate tax imposed with respect to the tax, the executor shall also immediately~~
32 ~~pay to the taxing administrator that percentage of the difference between the aggregate amount~~
33 ~~and the amount of the credit, which the amount payable to the taxing administrator under the~~
34 ~~agreement bears to the aggregate amount.~~

1 ~~44-23-30. Interstate arbitration as to domicile.~~

2 ~~If in any case it appears that an agreement cannot be reached as provided in § 44-23-29,~~
3 ~~or if one year has elapsed from the date of the election without an agreement having been~~
4 ~~reached, the domicile of the decedent at the time of his or her death shall be determined solely for~~
5 ~~death tax purposes as follows:~~

6 ~~(1) Where only this state and one other state are involved, the taxing administrator and~~
7 ~~the taxing official of the other state shall each appoint a member of a board of arbitration, and the~~
8 ~~appointed members shall select the third member of the board. If this state and more than one~~
9 ~~other state are involved, the taxing officials of the states shall agree upon the authorities charged~~
10 ~~with the duty of administering death tax laws in three (3) states not involved, each of which~~
11 ~~authorities shall appoint a member of the board. The members of the board shall elect one of their~~
12 ~~number as chairperson.~~

13 ~~(2) The board shall hold hearings at those places as are deemed necessary, upon~~
14 ~~reasonable notice to the executors, ancillary administrators, all other interested persons, and the~~
15 ~~taxing officials of the states involved, all of whom are entitled to be heard.~~

16 ~~(3) The board has the power to administer oaths, take testimony, subpoena and require~~
17 ~~the attendance of witnesses and the production of books, papers and documents and issue~~
18 ~~commissions to take testimony. Subpoenas may be issued by any member of the board. Failure to~~
19 ~~obey a subpoena may be punished by a judge or justice of any court of record in the same manner~~
20 ~~as if the subpoena had been issued by the judge or justice or by the court in which the judge or~~
21 ~~justice functions.~~

22 ~~(4) The board shall apply, whenever practicable, the rules of evidence which prevail in~~
23 ~~federal courts under the federal rules of civil procedure at the time of hearing.~~

24 ~~(5) The board shall, by majority vote, determine the domicile of the decedent at the time~~
25 ~~of his or her death. The determination is final and conclusive, and binds this state and all its~~
26 ~~judicial and administrative officials on all questions concerning the domicile of the decedent for~~
27 ~~death tax purposes.~~

28 ~~(6) The reasonable compensation and expenses of the members of the board and~~
29 ~~employees of the board shall be agreed upon among the members, the taxing officials of the states~~
30 ~~involved, and the executors. In the event an agreement cannot be reached, the compensation and~~
31 ~~expenses shall be determined by the appropriate probate court of the state determined to be the~~
32 ~~domicile. The amount is borne by the estate and is deemed an administration expense.~~

33 ~~(7) The determination of the board and the record of its proceedings shall be filed with~~
34 ~~the authority having jurisdiction to assess the death tax in the state determined to be the domicile~~

1 of the decedent and with the authorities which would have had jurisdiction to assess the death tax
2 in each of the other states involved if the decedent had been found to be domiciled in that state.

3 **44-23-31. Interest on tax pending arbitration of domicile.**

4 In any case where it is determined by the board of arbitration referred to in § 44-23-30
5 that the decedent died domiciled in this state, penalties and interest for nonpayment of the tax,
6 between the date of the election and the final determination of the board, shall not exceed, in the
7 aggregate, four percent (4%) of the amount of the taxes per annum.

8 **44-23-32. Reciprocal laws required.**

9 The provisions of §§ 44-23-27—44-23-31 apply only to cases in which each of the states
10 involved has in effect a law substantially similar to those sections.

11 **44-23-33. Appeals.**

12 Appeals from administrative orders or decisions made pursuant to any provisions of this
13 chapter are to the sixth (6th) division district court pursuant to chapter 8 of title 8. The taxpayer's
14 right to appeal under this section is expressly made conditional upon prepayment of all taxes,
15 interest, and penalties unless the taxpayer moves for and is granted an exemption from the
16 prepayment requirements pursuant to § 8-8-26.

17 **44-23-34. Permit required for transfer of securities of resident decedent.**

18 No banking association organized under the laws of the United States and located within
19 this state, no corporation incorporated within this state, and no incorporated association or joint
20 stock company or business trust having certificates representing shares of stock and carrying on
21 business in this state, shall record a transfer of its stock made by any executor, administrator, or
22 trustee of a resident decedent or issue a new certificate for any share of its stock at the instance of
23 the executor, administrator, or trustee, until a permit authorizing the transfer is issued by the tax
24 administrator and filed with the corporation, association, company or trust. Any corporation,
25 association, company, or trust making a transfer before a permit authorizing the transfer is issued
26 is liable for the amount of any tax which may be assessed on account of the bequest or gift of the
27 stock, bond or other evidence of indebtedness, together with its interest, to be collected in an
28 action brought in the name of the tax administrator.

29 **44-23-35. Statement required as to delivery of decedent's property to other than**
30 **administrator.**

31 No person having in possession or under control of property forming a part of the estate
32 of a resident decedent, as provided in this chapter, may deliver or transfer the property to any
33 person other than the executor, administrator, or trustee of the decedent unless the person making
34 delivery or transfer of the property immediately furnishes the tax administrator with a statement

1 ~~under oath describing the property delivered or transferred together with the name of the person~~
2 ~~to whom the property is delivered or transferred; provided, that any insurance company engaging~~
3 ~~in the business of writing contracts of insurance in the state notifies the tax administrator of the~~
4 ~~amount of any payment or payments made, or to be made to any person or persons under any~~
5 ~~insurance contract, as a result of the death of a Rhode Island resident, whenever the total amount~~
6 ~~of payment or payments made or to be made to the person or persons exceeds fifty thousand~~
7 ~~dollars (\$50,000); and provided, that banks and other institutions having deposits standing in the~~
8 ~~joint names of two (2) or more persons, or standing in the joint names of two (2) or more persons~~
9 ~~and payable to either or the survivor or survivors, are not required to furnish the statement with~~
10 ~~respect to deposits of one thousand dollars (\$1,000) or less. In the case of deposits of over one~~
11 ~~thousand dollars (\$1,000), the bank or other institution, having knowledge of the decease of one~~
12 ~~of the persons in whose names the deposit stands, or upon request of the tax administrator, shall,~~
13 ~~in lieu of the statement furnish a certificate showing the amount of each deposit together with the~~
14 ~~names of the persons in whose names the deposit stands. Any person who makes delivery or~~
15 ~~transfer without furnishing a statement is liable for the amount of any tax which may be assessed~~
16 ~~on account of the transfer of the property, together with its interest, to be collected in an action~~
17 ~~brought in the name of the tax administrator.~~

18 **44-23-36. Payment of tax as prerequisite for allowance of final account.**

19 ~~The final account of an executor, administrator, or trustee shall not be allowed by the~~
20 ~~court having jurisdiction of the estate unless the account shows, and the court finds, that all taxes~~
21 ~~imposed under the provisions of chapter 22 of this title upon any property or interest in property~~
22 ~~belonging to the estate to be settled by the account and then payable have been paid, that the~~
23 ~~payment of the taxes has been extended, or that the property or any interest in property is not~~
24 ~~liable for any tax imposed under chapter 22 of this title. The receipt of the tax administrator for~~
25 ~~the amount of the tax is conclusive as to the payment of the tax to the extent of the receipt, and~~
26 ~~the certification of the tax administrator that an estate, property, or interest is not liable for any~~
27 ~~tax imposed by chapter 22 of this title is conclusive of that fact.~~

28 **44-23-37. Applicability of enforcement provisions.**

29 ~~Sections 44-23-1, 44-23-8, 44-23-17, 44-23-23, 44-23-24, and 44-23-33, 44-23-36~~
30 ~~apply to the tax imposed under the provisions of § 44-22-1 or 44-22-1.1, whichever is in effect at~~
31 ~~the time.~~

32 **44-23-38. Termination of lien.**

33 ~~Any other provision of this or chapter 22 of this title to the contrary notwithstanding, a~~
34 ~~lien created by those chapters ceases to be a lien upon or enforceable against real estate upon the~~

1 ~~expiration of a period of ten (10) years from and after the death of the person whose act, failure to~~
2 ~~act, or death gave rise to the lien, regardless of the date of death.~~

3 ~~**44-23-39. Proof of payment of domiciliary tax by administrator of nonresident.**~~

4 ~~At any time before the expiration of eighteen (18) months after the appointment in any~~
5 ~~probate court of this state of an executor of the will, or administrator of the estate of, any~~
6 ~~nonresident decedent, the executor or administrator shall file with the probate court proof that all~~
7 ~~death taxes, together with interest, or penalties attached to or in connection with the death taxes,~~
8 ~~which are due to the state of domicile of the decedent, or to any of its political subdivisions, have~~
9 ~~been paid or secured, or that no taxes, interest, or penalties are due, as the case may be; provided,~~
10 ~~that the filing of the proof is not required if it appears that letters testamentary have been issued in~~
11 ~~the state of domicile. The proof may be in the form of a certificate issued by the official or body~~
12 ~~charged with the administration of the death tax laws of the state of domicile.~~

13 ~~**44-23-40. Information furnished to foreign tax officials.**~~

14 ~~If the proof is not filed with a probate court in this state as provided by § 44-23-39, the~~
15 ~~clerk of the probate court shall immediately notify by mail the official or body of the state of~~
16 ~~domicile charged with the administration of the death tax laws of that state with respect to the~~
17 ~~estate, and shall present in the notification, so far as is known to the clerk: (1) the name, date of~~
18 ~~death and last domicile of the decedent; (2) the name and address of the executor or~~
19 ~~administrator; (3) a summary of the values of the real estate, tangible personalty, and intangible~~
20 ~~personalty, wherever situated, belonging to the decedent at the time of his or her death; and (4)~~
21 ~~the fact that the executor or administrator has not previously filed the proof required by § 44-23-~~
22 ~~39. The clerk shall also attach to the notification a copy of the will of the decedent, if the~~
23 ~~decedent died testate, or if the decedent died intestate, a list of his or her heirs and next of kin, so~~
24 ~~far as is known to the clerk. For each copy of the notice, the probate clerk furnishing the~~
25 ~~information shall be paid out of any money appropriated for expenses of tax administration the~~
26 ~~fees provided in § 44-23-7.~~

27 ~~**44-23-41. Accounting on petition by foreign tax official.**~~

28 ~~Within sixty (60) days after the mailing of the notice, the official or body charged with~~
29 ~~the administration of the death tax laws of the state of domicile may file with the probate court in~~
30 ~~this state a petition for an accounting in the estate. The official or body of the state of domicile is,~~
31 ~~for the purposes of this chapter, a party in interest for the purpose of petitioning the probate court~~
32 ~~for the accounting. If the petition is filed within the period of sixty (60) days, the probate court~~
33 ~~shall decree the accounting, and upon the accounting being filed and approved shall decree the~~
34 ~~remission to the fiduciary appointed by the probate court of the state of domicile of the balance of~~

1 the intangible personal property after the payment of creditors and expenses of administration in
2 this state.

3 ~~**44-23-42. Noncompliance by administrator of nonresident -- "State" defined.**~~

4 Failure to comply with any of the provisions of §§ 44-23-39—44-23-41 bars any
5 executor or administrator from the right to a final accounting or discharge in any probate court in
6 this state. The word "state" for the purposes of §§ 44-23-39—44-23-41 includes any territory of
7 the United States, the District of Columbia, and any foreign country.

8 ~~**44-23-43. Reciprocal laws required -- Liberal construction -- Remission of intangible**~~
9 ~~**property.**~~

10 The provisions of §§ 44-23-39—44-23-42 apply to the estate of a nonresident decedent
11 whenever the laws of the state of domicile of the decedents contain a provision, of any nature or
12 however expressed, where this state is given reasonable assurance of the collection of its death
13 taxes, interest and penalties, from the estates of decedents dying domiciled in this state but whose
14 estates are being administered by a court having probate jurisdiction in the other state; or
15 whenever the state of domicile does not grant letters testamentary or of administration in
16 nonresident estates until after the letters have been issued by the state of domicile. The provisions
17 are liberally construed in order to ensure that the state of domicile of any decedent receives any
18 death taxes, which may be due it, together with interest and penalties. Nothing in those sections
19 shall be construed to prevent a probate court from ordering the remission of any intangible
20 personal property belonging to a nonresident decedent whose estate is being administered in this
21 state, and the probate court is authorized to order the remission whenever good cause is shown.

22 ~~**44-23-44. Exercise of statutory power.**~~

23 Whenever in this chapter or chapter 22 of this title any reference is made to any power or
24 duty of the tax administrator, the reference shall be construed to mean that the power or duty is
25 exercised by the tax administrator or by his or her authorized agent, under the supervision and
26 direction of the director of revenue. Whenever in this chapter or chapter 22 of this title any
27 reference is made to any power or duty of the controller, the reference shall be construed to mean
28 that the power or duty is exercised by the controller or by his or her authorized agent, under the
29 supervision and direction of the director of revenue.

30 ~~**44-23-45. Liberal construction -- Incidental powers.**~~

31 The provisions of this chapter and chapter 22 of this title shall be interpreted and
32 construed liberally in order to accomplish the purpose of those chapters, and the tax administrator
33 has, in addition to the powers in those chapters specified, mentioned and indicated, all additional
34 implied and incidental powers which may be proper and necessary to effect and carry out,

1 ~~perform and execute all the powers specified, mentioned and indicated in those chapters.~~

2 ~~**44-23-46. Severability.**~~

3 ~~If any clause, sentence, paragraph, section, or part of this chapter and chapter 22 of this~~
4 ~~title is for any reason adjudged by any court of competent jurisdiction to be invalid, that judgment~~
5 ~~does not affect, impair or invalidate any other portion of those chapters which can be given~~
6 ~~reasonable effect without the part adjudged invalid.~~

7 SECTION 3. This act shall take effect on July 1, 2017 and shall apply to estates of
8 decedents whose death occurs on or after July 1, 2017.
