12 for a period of thirty (30) days from the date of the revocation.

13 (b) (1) The administrator of the division of motor vehicles, upon receipt of evidence that
14 the owner of a motor vehicle registered in this state has operated or permitted a motor vehicle to

17 license, if any, of the owner.

18 (2) The motor vehicle shall not be registered in the name of the person or in any other

1 name where the administrator of the division of motor vehicles has reasonable grounds to believe

17 to be operated upon the public highways of this state while financial security was not in effect
18 with respect to the vehicle, may revoke the person's privilege to operate any motor vehicle in this

2 person or to the address contained in his or her driving license. The suspension shall be effective
3 upon receipt of notice and the one to three (3) month period of suspension shall commence upon

19 by the carrier, have been met.

20 (i) (1) If a motor vehicle has been involved in an accident, and its registration or the
21 driver's license of its operator, or both, have been revoked pursuant to this section, then neither
22 that vehicle nor any other motor vehicle shall be registered or reregistered in the name of its
