2 Chapter 23-17.14 entitled "The Hospital Conversions Act" are hereby amended to read as
3 follows:

4 **23-17.14-28. Concurrent approval -- License.**

5 (a) The director may consider the requirement of this chapter and the requirements of §§
6 23-17-1 -- 23-17-45 together upon completion of the initial application. The director may
7 approve, approve with conditions, or disapprove one or both requests filed pursuant to this

9 approvals of the director required by this chapter shall be subject to chapter 35 of title 42. For any
10 conversion subject to this chapter, the director may combine any hearings required by this chapter
11 with any hearings on similar or related matters required by §§ 23-17-1 -- 23-17-45 and shall
12 consider issues of market share especially as they affect quality, access, and affordability of
13 services.

14 (b) Any approval of a conversion involving a for-profit corporation as an acquiror shall
15 be subject to any conditions as determined by the director of health, provided those conditions
16 relate to the purpose of this chapter. Said conditions may include, but not be limited to, the
17 conditions contained in this subsection. In the event the director determines that one or more of
18 the conditions contained in this subsection are not appropriate or desirable in a particular
19 conversion, the director shall include the rationale for not including such condition(s) in any

1 approval.

2 (1) Maintain a governing body for each converted hospital whose membership shall
3 include uncompensated, independent individuals who reside in Rhode Island;

4 (2) Make a financially reasonable contribution to support the state's coordinated health
5 planning process;

6 (3) Adhere to reasonable restrictions on financial incentives to patient or health plan
7 enrollees to receive hospital services outside of the state of Rhode Island;

8 (4) Keep the new hospital open and operational for a reasonable minimum period of time;

12 affiliated legal entity except for contracts or arrangements to provide services or products that are
13 reasonably necessary to accomplish the health care purposes of the relevant hospital and for
14 compensation that is consistent with fair market value for the services actually rendered, or the
15 products actually provided;

16 (7) Report to the director on annual distributions of profit to owners; and

17 (8) Require that any corporate allocation, or equivalent charge, to any affiliated
18 organization(s) in any hospital fiscal year not exceed reasonable fair market value for the services
19 rendered or the assets purchased or leased from such affiliate.

20 (c) Any approval of a conversion involving a for-profit corporation as an acquiror shall
21 be subject to any conditions as determined by the attorney general, provided those conditions
22 relate to the purpose of this chapter. Said conditions may include, but not be limited to, the
23 acquiror's adherence to a minimum investment to protect the assets, financial health, and well-
24 being of the new hospital and for community benefit. In the event the attorney general determines
25 that the conditions contained in this subsection are not appropriate or desirable in a particular
26 conversion, the attorney general shall include the rationale for not including such condition(s) in
27 any approval.

28 (d) For a period of ~~three (3)~~ five (5) years following the effective date of the conversion,

32 before March 1st of each calendar year detailing compliance with the conditions in subsection (b)

34 comply with any of such conditions or the charity care requirements contained in § 23-17.14-15

1 shall be cause for penalties to be applied in accordance with § 23-17.14-30;

7 attorney general in performing such monitoring, evaluation and assessment in an amount to be
8 determined by the attorney general or the director as they deem appropriate, which should be
9 placed in escrow during the term of the monitoring period. No application for a conversion made
10 pursuant to the requirements of this chapter shall be approved unless an agreement has been
11 executed with the attorney general and the director for the payment of reasonable costs in
12 accordance with this section; ~~and~~
